

R-13

April 13, 2021

HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Adopt a Resolution authorizing the City Manager, or designee, to execute an agreement, and all necessary documents and amendments, with the California Governor's Office of Business and Economic Development (GO-Biz), to receive and expend grant funding in the amount of \$1,267,044, to support the Long Beach cannabis social equity program, for the approximate period of May 14, 2021 through May 13, 2022; and,

Increase appropriations in the General Grants Fund Group in the City Manager's Department by \$1,267,044, offset by grant revenue from GO-Biz. (Citywide)

DISCUSSION

City Council approval of the attached Resolution is requested to enter into an agreement with the California Governor's Office of Business and Economic Development (GO-Biz) for a grant in the amount of \$1,267,044.

The Office of Cannabis Oversight (OCO) in the City Manager Department was recently awarded \$1,267,044 million by GO-Biz to support the Long Beach cannabis social equity program (Equity Program). The Equity Program was approved by the City Council in August 2018, with the goal of promoting equal opportunity in the cannabis industry. Specifically, the Equity Program seeks to make legal cannabis business ownership and employment opportunities more accessible to low income individuals and communities negatively impacted by the prior criminalization of cannabis.

In accordance with the California Cannabis Equity Act as amended by AB 97, the California Bureau of Cannabis Control (BCC) entered into an interagency contract with Go-Biz to administer the Cannabis Equity Grants Program for Local Jurisdictions. On March 15, 2021, Go-Biz announced the recipients of \$15 million in equity grant funding to support local jurisdictions that adopted a local cannabis equity program. Of this amount, the City of Long Beach (City) was awarded \$1,267,044 million in GO-Biz grant funds. This is the second round of equity grant funding awarded to the City by Go-Biz. In Fiscal Year 2020, the City was awarded \$2,700,000 from GO-Biz to support the Long Beach cannabis social equity program through direct grants, fee waivers, and direct technical assistance.

Consistent with GO-Biz regulations on the eligible use of grant funds, the OCO intends to use GO-Biz funding to expand direct grants, fee waivers, and direct technical assistance programs available to equity applicants. Direct grants help offset significant costs

associated with obtaining a cannabis business license. Through the GO-Biz grant, equity applicants will be eligible for increasing grant amounts as they progress through various milestones within the cannabis business licensing process. The City will also utilize GO-Biz grant funds to support new pathways to licensure for equity applicants if the City Council adopts any policies to expand equity business ownership, including allowing for shared-use manufacturing facilities, delivery-only licenses, or additional storefront retail licenses in Long Beach. All grant funds must be expended within one year from the date the funds are disbursed. Any funds not expended within the one-year period must be returned to GO-Biz.

This matter was reviewed by Deputy City Attorney Arturo D. Sanchez and Budget Management Officer Rhutu Amin Gharib on March 24, 2021.

TIMING CONSIDERATIONS

City Council action is requested on April 13, 2021, to accept grant funding and ensure the agreement is executed expeditiously.

FISCAL IMPACT

The City will receive a grant award in the amount of \$1,267,044 from GO-Biz for the approximate period of May 14, 2021 through May 13, 2022. As this grant is currently unbudgeted, an appropriation increase is requested in the amount of \$1,267,044 in the General Grants Fund Group in the City Manager Department, offset by GO-Biz grant revenues. The grant does not require any matching funds. This recommendation has no staffing impact beyond the normal budgeted scope of staff duties and is consistent with existing City Council priorities. This recommendation will result in the employment of temporary staff to help administer the direct grants program in the City Manager Department.

SUGGESTED ACTION:

Approve recommendation.

Respectfully submitted,

THOMAS B. MODICA
CITY MANAGER
