Bidder shall quote his lowest price and best delivery date as no changes are permitted after the bid opening. Cash discounts offered for payment within fourteen (14) days or less will not be considered when evaluating bids. No telephonic, telegraphic or fax Bids are acceptable.

NOTE: ALL PAGES OF THE INVITATION TO BID MUST BE RETURNED.

2. EXAMINATION OF BID:

Bidder is responsible for examining the Invitation to Bid and submitting its Bid complete and in conformance with these instructions.

3. CONDITIONS OF WORK:

Bidder shall carefully examine the Site to become fully informed regarding all existing and expected conditions and matters, which could affect performance, cost or time of the Work.

4. DISCREPANCIES IN BID DOCUMENTS:

If Bidder finds discrepancies in or omissions from the Invitation to Bid, if the intent of the Invitation is not clear, or if provisions of the Specifications restrict Bidder from bidding, he may request in writing that the deficiency(s) be modified. Such request must be received by the City Purchasing Agent at least five (5) working days before bid opening date. Bidders will be notified by Addendum of any approved changes in the Invitation to Bid.

5. ORAL STATEMENTS:

The City of Long Beach shall not be bound by oral statements made by any employee or agent concerning this Invitation to Bid. If Bidder requires specific information, Bidder must request it in writing and obtain a reply in writing from the City.

6. BRAND NAMES AND SPECIFICATIONS:

Bidders must describe variations in the Bid.** Substitute items must be equal in quality, utility and performance. **The phrase "or approved equal" throughout the specifications means that the City in its sole and absolute discretion shall make the final determination whether or not the substitute items are equal.**

7. AWARD:

Bidder may submit alternate prices or name a lump sum or discount conditional on two or more items being awarded to him.

The City's purchases of goods and services are based on the City's actual needs and requirements. The City is obligated under this contract/purchase order to purchase and pay for only those goods and services that the City needs and requires, and that the City actually orders and receives. Any dollar amount identified as a "not to exceed:" amount in any City document is not a guaranteed payment amount to any contractor or service provider. Furthermore, the City may determine that its needs and requirements may be met by City labor or by a second contractor or service provider, even after an award is made to one contractor or service provider. An award is not a promise or guarantee of exclusivity.

Bidders are cautioned that comments and statements, whether oral or written, made by City employees regarding the validity of Bids, the waiver of deviations from Specifications, the possibility or probability of an award being made to a particular Bidder, and other similar matters are NOT binding on the City. Bidders should not order materials, obtain financing or take other actions based on such comments and statements. Only authorization of a Contract by the City Council or issuance of a Purchase Order is conclusive and binding on the City with respect to this Bid and its resulting Contract or Purchase Order. However, prior to authorization by the City Council or issuance of the Purchase Order, Bidders may rely on: (1) approval of an "equal" or "substitute" item which will be issued in writing, and (2) written notice of intent to award by the City Council, which is often issued prior to the authorization by the City Council so that a Bidder can order materials that have a long lead time.

8. PAYMENT:

Payment terms are NET/30 unless Bidder otherwise quotes. All Cash Discounts shall be taken and computed from the date of delivery or completion and acceptance of the material, or from date of receipt of invoice, whichever occurs last. Invoices must be submitted as specified at the time of shipping authorization. Partial payments may be made by the City on delivery & acceptance of goods and on receipt of goods and on receipt of Contractor's invoice.

In the event the Contract to be awarded hereunder, including specifications and other documents incorporated therein by reference, provides for the withholding of moneys by the City to ensure performance of such Contract, Contractor may deposit with the City, as a substitute for said withheld moneys, securities listed in Section 16430 of the California Government Code or bank or savings and loan certificates of deposit, or both, equivalent to the amount withheld, provided Contractor requests permission to make such substitution and bears all expenses in connection therewith.

Where required by City Regulations, any items delivered must carry Underwriters Laboratories Approval or City of Long Beach City Safety Officer approval. Failure to so comply will be cause to reject Bid. Also, any equipment must conform with the Safety Orders of the California Division of Industrial Safety and OSHA regulations.

10. BUSINESS LICENSE:

The Long Beach Municipal Code (LBMC) requires all businesses operating in the City of Long Beach to pay a business license tax. In some cases the City may require a regulatory permit and/or evidence of a State or Federal license. Prior to issuing a business license, certain business types will require the business license application and/or business location to be reviewed by the Development Services, Fire, Health, and/or Police Departments. The City of Long Beach reserves the right to require complete certified copies of all said policies at any time. Any modification or waiver of the insurance requirements herein shall be made only with the approval of the City's Risk Manager. The procuring of insurance shall not be construed as a limitation on liability or as full performance of the indemnification provisions of this Contract.

The foregoing shall not apply to claims or causes of action caused by the sole negligence or willful misconduct of the City, its Commissions and Boards, or their officials, employees, or agents.

In addition to Contractor's duty to indemnify, Contractor shall have a separate and wholly independent duty to defend Indemnified Parties at Contractor's expense by legal counsel approved by City, from and against all Claims, and shall continue this defense until the Claims are resolved, whether by settlement, judgment or otherwise. No finding or judgment of negligence, fault, breach, or the like on the part of Contractor shall be required for the duty to defend to arise. City shall notify Contractor of any Claim, shall tender the defense of the Claim to Contractor, and shall assist Contractor, as may be reasonably requested, in the defense.

Chapter 2.73

EQUAL BENEFITS TO EMPLOYEES OF CITY CONTRACTORS

2.73.010 Title and purpose.

This ordinance shall be known as the "Long Beach Equal Benefits Ordinance". The purpose of this Chapter is to protect the public health, safety and welfare by requiring that public funds be expended in such a manner as to prohibit discrimination in the provision of employee benefits by City contractors between employees with spouses and employees with domestic partners, and/or between domestic partners and spouses of such employees.

2.73.020 Definitions.

A. "Contractor" shall mean any person or persons, firm, partnership, corporation, or combination thereof, who enters into a contract with the City.

B. "Domestic partner" shall mean any person who has a currently registered domestic partnership with a governmental body pursuant to state or local law authorizing such registration or with his or her employer or his or her domestic partner's employer.

C. "Non-profit" shall mean a non-profit organization described in Section 501(c)(3) of the Internal Revenue Code of 1954 which is exempt from taxation under Section 501(c)(3) of that Code, or any nonprofit educational organization qualified under Section 23701(d) of the Revenue and Taxation Code.

///

1 2.73.030 Contractors subject to requirements.

2 A. The following contractors are subject to this Chapter:

3 1. For-profit entities which enter into an agreement with
4 the City for public works or improvements to be performed, or for goods or
5 services to be purchased, for an amount of One Hundred Thousand Dollars
6 (\$100,000) or more; and

7 2. For-profit entities which generate Three Hundred Fifty
8 Thousand Dollars (\$350,000) or more in annual gross receipts and which
9 occupy City property pursuant to a written agreement for the exclusive use
10 or occupancy of said property for a term exceeding twenty-nine (29) days in
11 any calendar year.

12 B. The requirements of this Chapter shall only apply to those
13 portions of a contractor's operations that occur (i) within the City; (ii) on real
14 property outside the City if the property is owned by the City or if the City
15 has a right to occupy the property, and if the contractor's presence at that
16 location is connected to a contract with the City; and (iii) elsewhere in the
17 United States where work related to a City contract is being performed. The
18 requirements of this Chapter shall not apply to subcontracts or
19 subcontractors of any contract or contractor.

20 C. The City Manager or designee will provide a report to the City
21 Council regarding the implementation of this ordinance no later than one
22 year following the effective date of this Ordinance, and will consider among
23 other items, whether the dollar thresholds set forth in subsections (A) and
24 (B) should be modified.

25
26 2.73.040 Non-discrimination in provision of benefits.

27 A. No contractor subject to this Chapter pursuant to Section
28 2.73.030 shall discriminate in the provision of bereavement leave, family

1 medical leave, health benefits, membership or membership discounts,
2 moving expenses, pensions and retirement benefits or travel benefits or in
3 the provision of any benefits other than bereavement leave, family medical
4 leave, health benefits, membership or membership discounts, moving
5 expenses, pensions and retirement benefits or travel benefits between
6 employees with domestic partners and employees with spouses, and/or
7 between the domestic partners and spouses of such employees except as
8 set forth in Subsections 2.73.040.A.1 and 2 below;

9 1. In the event that the contractor's actual cost of
10 providing a particular benefit for the domestic partner of an employee
11 exceeds that of providing it for the spouse of an employee, or the
12 contractor's actual cost of providing a particular benefit for the spouse of an
13 employee exceeds that of providing it for the domestic partner of an
14 employee, the contractor shall not be deemed to discriminate in the
15 provision of employee benefits if the contractor conditions providing such
16 benefit upon the employee agreeing to pay the excess costs.

17 2. The contractor shall not be deemed to discriminate in
18 the provision of employee benefits if, despite taking reasonable measure to
19 do so, the contractor is unable to extend a particular employee benefit to
20 domestic partners, so long as the contractor provides the employee with a
21 cash equivalent.

22 B. Provided that a contractor does not discriminate in the
23 provision of benefits between employees with spouses and employees with
24 domestic partners, a contractor may:

25 1. Elect to provide benefits to individuals in addition to
26 employees' spouses and employees' domestic partners;

27 2. Allow each employee to designate a legally domiciled
28 member of the employee's household as being eligible for spousal

1 equivalent benefits; or

2 3. Provide benefits neither to employees' spouses nor to
3 employees' domestic partners.

4 C. A contractor will not be deemed to be discriminating in the
5 provision of benefits where the implementation of policies ending
6 discrimination in benefits is delayed following the first award of a City
7 contract to a contractor after the effective date of this Chapter:

8 1. Until the first effective date after the first open
9 enrollment process following the date the contract with the City is executed,
10 provided that the contractor submits evidence that it is making reasonable
11 efforts to end discrimination in benefits. This delay may not exceed two (2)
12 years from the date the contract with the City is executed and only applies
13 to benefits for which an open enrollment process is applicable.

14 2. Until administrative steps can be taken to incorporate
15 nondiscrimination in benefits in the contractor's infrastructure. The timer
16 allotted for these administrative steps shall apply only to those benefits for
17 which administrative steps are necessary and may not exceed three (3)
18 months. An extension of this time may be granted at the discretion of the
19 City Manager upon the written request of a contractor, setting forth the
20 reasons that additional time is required.

21 3. Until the expiration of a contractor's current collective
22 bargaining agreement(s) where all of the following conditions have been
23 met:

24 a. The provision of benefits is governed by one or
25 more collective bargaining agreement(s); and

26 b. The contractor takes all reasonable measures to
27 end discrimination in benefits by either requesting that the union(s) involved
28 agree to reopen the agreement(s) in order for the contractor to take

1 whatever steps are necessary to end discrimination in benefits or by ending
2 discrimination in benefits without reopening the collective bargaining
3 agreement(s); and

4 c. In the event that the contractor cannot end
5 discrimination in benefits despite taking all reasonable measure to do so,
6 the contractor provides a cash equivalent to eligible employees for whom
7 benefits are not available. Unless otherwise authorized, in writing by the
8 City Manager, this cash equivalent payment must begin at the time the
9 union(s) refuse to allow the collective bargaining agreement(s) to be
10 reopened, or in any case no longer than three (3) months from the date the
11 contract with the City was executed. This cash equivalent payment shall not
12 be required where it is prohibited by federal labor law.

13 D. Employers subject to this Chapter pursuant to Section
14 2.73.030 shall give written notification to each current and new employee of
15 his or her potential rights under this Chapter in a form specified by the City.
16 Such notice shall also be posted prominently in areas where it may be seen
17 by all employees.

18
19 2.73.050 Required contract provisions.

20 Every contract subject to this Chapter shall contain provisions
21 requiring it to comply with the provisions of this Chapter as they exist on the
22 date when the contractor entered the contract with the City or when such
23 contract is amended. Such contract provisions may include but need not be
24 limited to the contractor's duty to promptly provide to the City documents
25 and information verifying its compliance with the requirements of this
26 Chapter and sanctions for noncompliance.

27 ///

28 ///

1 2.73.060 Waivers and exemptions.

2 A. The City may waive the requirements of this Chapter where
3 the City Manager makes one or more of the following findings:

4 1. Award of a contract or amendment is necessary to
5 respond to an emergency;

6 2. The contractor is a sole source;

7 3. The contractor is a non-profit entity as defined in
8 Section 2.73.020, above;

9 4. Non compliant contractors are capable of providing
10 goods or services that respond to the City's requirements;

11 5. The contractor is a public entity;

12 6. The requirements of this Chapter are inconsistent with

EQUAL BENEFITS ORDINANCE DISCLOSURE FORM

As a condition of being awarded a contract with the City of Long Beach ("City"), the selected Contractor/Vendor ("Contractor") may be required during the performance of the Contract, to comply with the City's nondiscrimination provisions of the Equal Benefits Ordinance ("EBO") set forth in the Long Beach Municipal Code section 2.73 et seq. The EBO requires that during the performance of the contract, the Contractor shall provide equal benefits to its employees with spouses and employees with domestic partners. Benefits include but are not limited to, health benefits, bereavement leave, family medical leave, member ship and membership discounts, moving expenses, retirement benefits and travel benefits. A cash equivalent payment is permitted if an employer has made all reasonable efforts to provide domestic partners with access to benefits but is unable to do so. A situation in which a cash equivalent payment might be used if where the employer has difficulty finding an insurance provider that is willing to provide domestic partner benefits.

The EBO is applicable to the following employers:

- For-profit employers that have a contract with the City for the purchase of goods, services, public works or improvements and other construction projects in the amount of \$100,000 or more
- For-profit entities that generate \$350,000 or more in annual gross receipts leasing City property pursuant to a written agreement for a term exceeding 29 days in any calendar year

Contractors who are subject to the EBO must certify to the City before execution of the contract that they are in compliance with the EBO by completing the EBO Certification Form, attached, or that they have been issued a waiver by the City. Contractors must also allow authorized City representatives access to records so the City can verify compliance with the EBO.

The EBO includes provisions that address difficulties associated with implementing procedures to comply with the EBO. Contractors can delay implementation of procedures to comply with the EBO in the following circumstances:

- 1) By the first effective date after the first open enrollment process following the contract start date, not to exceed two years, if the Contractor/vendor submits evidence of taking reasonable measures to comply with the EBO; or
- 2) At such time that the administrative steps can be taken to incorporate nondiscrimination in benefits in the Contractor/vendor's infrastructure, not to exceed three months; or

3) Upon expiration of the contractor's current collective bargaining agreement(s).

Compliance with the EBO

If a contractor has not received a waiver from complying with the EBO and the timeframe within which it can delay implementation has expired but it has failed to comply with the EBO, the Contractor may be deemed to be in material breach of the Contract. In the event of a material breach, the City may cancel, terminate or suspend the City agreement, in whole or in part. The City also may deem the Contractor an irresponsible bidder and disqualify the Contractor from contracting with the City for a period of three years. In addition, the City may assess liquidated damages against the Contractor which may be deducted from money otherwise due the Contractor. The City may also pursue any other remedies available at law or in equity.

By my signature below, I acknowledge that the Contractor understands that to the extent it is subject to the provisions of the Long Beach Municipal Code section 2.73, the Contractor shall comply with this provision.

PROGRAM PROCEDURES AND GOALS

The City has established a Small Business Enterprises (SBE), Very Small Business Enterprises (VSBE), Local Small Business Enterprise (LSBE) Program to encourage small business participation on City-wide contracts and procurements. The goal of the Program is to award a portion of the City's annual contracting and procurement dollars to SBEs and VSBEs. The City meets this goal by establishing SBE/VSBE/LSBE subcontracting goals on applicable contracts, and by encouraging SBEs, VSBEs, LSBEs to bid and submit quotes as primes. **Although SBE/VSBE/LSBE subcontracting goals were not assigned to this procurement, the City strongly encourages SBE and VSBE firms to submit bids/quotes on this procurement opportunity.**

The City's online bidding database, facilitates the City's effort to meet the annual SBE/VSBE/LSBE goal. All bidders/vendors (large and small) are strongly encouraged to register in the City's online bidder's database. Small businesses must apply for SBE certification via the database in order to receive SBE, VSBE or LSBE status for this or any future procurement. To register, log on to **www.longbeach.gov/purchasing** and click on "Bidder Registration." To apply for SBE certification, answer "Yes" to the following question on the online vendor registration site: "Would you like to be SBE certified by the City of Long Beach as a Small Business Enterprise?"

SBE eligibility is determined utilizing federal U.S. Small Business Administration (SBA) size standards based on North American Industrial Classification System (NAICS) codes. VSBE eligibility is determined utilizing criteria consistent with the State of California's Department of General Services' "micro-business" designation: contractors, consultants, and vendors with gross annual receipts, averaged over the past three tax years, of \$3.50 million or less, or small business manufacturers with 25 or fewer employees. LSBE eligibility is determined by having a current, valid business license from the City and a seller's permit showing a place of business within City limits and meet the SBE requirements.

Registration and certification are free to all businesses. As a registrant, you will receive e-notifications of contracting and procurement opportunities that match the product and service codes you selected at the time of registration. As a certified SBE, you will also be included in the online SBE/VSBE/LSBE directory.
