**To:** Mayor and Members of the City Council  
**From:** Councilmember Al Austin II, Eighth District  
**Subject:** Fund Transfers for Culturally Enriching Programming at Community Celebrations

---

**RECOMMENDED ACTION:**

Increase appropriations in the General Fund Group in the City Manager Department by \$500, offset by the Eighth Council District One-time District Priority Funds, transferred from the Citywide Activities Department, to provide a donation of:

1. \$500 to the Bixby Knolls Business Improvement Association to support culturally enriching programming at upcoming community events

Decrease appropriation in the General Fund Group in the Citywide Activities Department by \$500, to offset a transfer to the City Manager Department.

**BACKGROUND:**

The Bixby Knolls Business Improvement Association (BIA) is a proactive organization that pools resources from businesses in the district to fund supplemental services, such as cleaner streets and sidewalks, landscape beautification, enhanced security, capital improvement opportunities, pedestrian and streetscape enhancements, special events, and area marketing. The BIA also works to attract new businesses to the area, increase foot traffic and sales for existing businesses, make the area more attractive to visitors and residents, and improve the overall quality of life in the district.

**FISCAL IMPACT:**

This recommendation requests the City Manager to provide contributions of \$500 to the Bixby Knolls Business Improvement Association to support their cause as written above.

The appropriation increase of \$500 in the General Fund Group in the City Manager Department will be offset by a decrease of appropriation of the Eighth Council District One-time District Priority Funds in the General Fund Group in the Citywide Activities Department. The
