

eComments Report for City Council Meeting Agenda of August 9, 2016

Item	Name	E-mail	Street	Neighborhood	City	State	Zip	Comment	Received
12. (16-0718) Recommendation to request that City Manager and Airport Director make the Federal Inspection Service (FIS) Feasibility Study publicly available and posted on relevant City websites at least 15 days before scheduling any City Council meeting to discuss the Study; and further provide sufficient time before the scheduled City Council meeting to conduct a Fourth Council District community meeting for the purpose of receiving public input on the Study and the proposed FIS.	MB Co	mollimac@aol.com			Long Beach	CA	90807	I urge you to extend the 15 days to 30 days to give the community enough time to review the study. I also urge you to reject the request by JetBlue to make Long Beach an international airport. Please keep the good people of Long Beach in mind when you review the study. Think of the impact it will have on the surrounding residents.	8/8/16
12. Rae Gabelich	hoorae1@aol.com			Long Beach	CA	90805	I am requesting the council to approve a 30 day review period giving the public ample time to review the completed study and prepare to address the council in advance with any questions or concerns. EIRs have a minimum of 30 days for community review. The decision that could be made by the council can influence our Long Beach residents for decades to come.	8/6/16

16. (16-0722) Recommendation to appoint Planning Commission as the Hearing Officer, in accordance with Long Beach Municipal Code 2.93.050, for the purpose of conducting a revocation hearing for the revocation of a business license issued to Damitresse Yancey, dba Miko's Sports Lounge, and for the commercial industrial business license issued to the Ronald L. and Peggy C. Mackey Trust for the operation of a business located at 710 West Willow Street, as well as a hearing on the revocation of the Conditional Use Permit (CUP) for 701 West Willow Street based upon violations of the Conditions of Approval associated with the CUP pursuant to Long Beach Municipal Code 21.21.601. (District 7)	Dave Smith	hilbc@yahoo.com			Long Beach	CA	90806	Please send this forward to the Planning Commission. The activities at Miko's Sports Lounge need to be reviewed. The location has become known for activities that are disruptive to the residential neighborhood. These include the noise, intoxicated customers, public urination, not the mention crime such as the shooting earlier in the year. This nuisance is affecting the quality of life and the safety of the residents of wrigley.	8/9/16
