**Subject:** **AGENDA ITEM: Travel Reports for League of California Cities Legislative Days and California Contract Cities Association 48<sup>th</sup> Annual Municipal Seminar**

---

I would like to take this opportunity to file a travel report as required by AB 1234 for activities consistent with the definition of "official City Business" under the City Auditor's Travel and Reimbursement Policy for Non-AR Departments:

- Meetings with government and business leaders for the purpose of carrying out official City business;
- Non-partisan conferences, training and education trips, including visiting other governments to discuss and observe best practices;
- Travel in furtherance of an adopted policy, ordinance or City resolution.

The City is a member of both the League of California Cities (LCC) and California Contract Cities Association (CCCA) and my attendance was authorized in the capacity of that membership.

**League of California Cities, 2007 Legislative Days**  
May 15 through May 17 – Sacramento, CA

**California Contract Cities Association, 48<sup>th</sup> Annual Municipal Seminar**  
May 17 through May 20 – Indian Wells, CA

These conferences provided me with the opportunity to represent the City in a working dialogue that focused on collaboration and information sharing of key issues including state infrastructure bonds, key legislation and alternative fuel vehicles.

**Recommendation: Receive and File travel report on League of California Cities and California Contract Cities Association meetings, May 15 through May 20 2007.**
