HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Adopt the attached Resolution approving the Annual Assessment Report from October 1, 2012 to September 30, 2013 for the Fourth Street Parking and Business Improvement Area, declaring its intention to levy the annual assessment and setting the date of hearing for October 16, 2012. (District 2)

DISCUSSION

The Fourth Street Improvement Association promotes and markets the Fourth Street commercial area using funds generated through the assessment of area businesses located in the Fourth Street Parking and Business Improvement Area (FSPBIA). State law governing Parking and Business Improvement Areas requires that an annual assessment report be submitted to the City Council by the Advisory Commission designated for the Assessment District. On August 9, 2012, the FSPBIA Board voted to recommend to the City Council approval of the FSPBIA Assessment Report (Attachment).

The Assessment Report describes the boundaries, proposed activities and budgetary information, as well as the method and basis for continuation of the assessment. The report proposes no change in the method of levying the assessment and no significant changes to proposed activities.

The recommended Resolution of Intention grants approval of the assessment report, declares the intention of the City Council to levy the assessment for proposed activities and sets the date of a public hearing for October 16, 2012.

This matter was reviewed by Assistant City Attorney Charles Parkin on August 21, 2012, and Budget Management Officer Victoria Bell on August 27, 2012.

TIMING CONSIDERATIONS

City Council action is requested on September 18, 2012 to allow purchase order and contract modifications to be completed so that Fiscal Year 2013 (FY13) assessment transfers may be made as required by the Agreement for Funding with the FSBIA.

FISCAL IMPACT

It is estimated that the FSPBIA will generate \$10,800 in FY 13 through the proposed continuation of the existing assessment. Assessment funds are collected through additional fees attached to FSPBIA business licenses and passed directly through to the Fourth Street Improvement Association for implementation of annual programs. Sufficient funds are included in the FY 13 Budget in the Parking and Business Area Improvement Fund (SR 132) in the Department of Public Works (PW). There is no fiscal impact to the General Fund and no local job impact associated with the recommendation.

SUGGESTED ACTION:

Approve recommendation.

Respectfully submitted,

MICHAEL P. CONWAY

III. SERVICE PLAN AND BUDGET

A. The year in review – 2012 events

The area along Fourth Street between Cherry Avenue and Carroll Park East offers a truly unique shopping area. This relatively small area is known regionally as well as internationally for its eclectic shops and hip product selection.

Fourth Street businesses continue making strides in promoting the district working together during the second year of the business improvement district, the FSIA has continued with regular meetings, gained the participation of new additional affiliate member businesses and increased the scope and impact of marketing and promotional programs. Programs conducted during 2012 included:

- **Two Sidewalk sales (summer and fall event)**
 - The street held two sidewalk sales with different themes. Both proved highly successful and attracted visitors from the neighborhood as well as neighboring cities.
- **One Holiday Open House event (December)**
 - The Holiday Open House event started off the shopping season for this district and promoted a shop local, shop independent slogan.
- **Regular street clean-ups (daily and monthly)**
 - The regular sweeping, graffiti reporting and code enforcement efforts are vital to make 4th Street BIA attractive and safe.
- **Maintenance of sprinkler system in “Garden Walk” (Summer)**

B. Service Plan

The FSPBIA Service Plan provides for funding for marketing and promoting and maintaining the cleanliness and attractiveness of the shopping area. Although we are a new organization, with relatively few participants, we have amassed a modest budget that will enable us to plan and promote events, as well as contribute to the overall cleanliness of our area.

Services to be provided are:

1. Marketing Media and Materials Amount: \$3300

These services will include the new development and continuous updating of the 4th Street website, as well as print advertising for our special events and general pieces to promote the street. Social media promotion has become a large part of 4th streets marketing efforts. We will strengthen this part of our marketing efforts as well.

2. Promotional Events Amount: \$4600

The largest portion of this budget will go towards regular 4th Street events like the side walk sales, holiday open house and other promotional events.

3. Streetscape and Cleanliness Amount: \$1700

In an ongoing effort to maintain the cleanliness of our street, we have earmarked funds for streets scaping and cleanliness. A landscaping

company has been hired to maintain not only the parking lot but also the Garden Walk alongside Burbank Elementary School.

businesses that do not rely upon foot traffic for their business. Therefore, these businesses pay a reduced assessment. The proposed assessment rate for each business operating within the District is shown in the following table.

Business License Category	Rate
Financial/Banking & Insurance	\$200
Service Real Estate Offices	200
Retail – Restaurant w/Alcohol & RTE	200

Estimated FY 2012/ 2013 assessment revenue is \$10,800.

B. CPI Adjustments

The assessment may be increased each year to reflect the annual change in the Consumer Price Index for All Urban Consumers in Los Angeles-Riverside-Orange County. The annual increase shall not exceed three (3%) percent of the previous year's assessment. The annual Consumer Price Index variance will be calculated in March and applied in July of each year. The District will have a fiscal year of October 1 through September 30.

C. Time and Manner for Collecting Assessments

Business operator assessments will be invoiced and due with annual City of Long Beach Business License renewal statements. Assessment revenue received will be segregated into a special fund for transfer to the FSIA.

IV. ASSESSMENTS

A. Methodology

Improvements and activities identified in the Service Plan are designed to improve the appearance of pedestrian areas, improve safety and make the area more attractive to customers. All businesses in the district will benefit from these improvements, but retail, financial, professional and service businesses are expected to benefit more than miscellaneous, wholesale, manufacturing or other

businesses that do not rely upon foot traffic for their business. Therefore, these businesses pay a reduced assessment. The proposed assessment rate for each business operating within the District is shown in the following table.

Business License Category	Rate
Financial/Banking & Insurance	\$200
Service Real Estate Offices	200
Retail – Restaurant w/Alcohol & RTE	200
Retail – Other	200
Consulting	200
Construction Contractor	200
Professional	200
Service – Other	200
Misc, Rec/Ent, Vend, Manf, Uniq, Whlsl,	100
Commercial space rental	100
Non-profit business operations	100
Residential property rental	0
All Secondary Licensees	0

Estimated FY 2012/ 2013 assessment revenue is \$10,800.

B. CPI Adjustments

The assessment may be increased each year to reflect the annual change in the Consumer Price Index for All Urban Consumers in Los Angeles-Riverside-Orange County. The annual increase shall not exceed three (3%) percent of the previous year's assessment. The annual Consumer Price Index variance will be calculated in March and applied in July of each year. The District will have a fiscal year of October 1 through September 30.

C. Time and Manner for Collecting Assessments

Business operator assessments will be invoiced and due with annual City of Long Beach Business License renewal statements. Assessment revenue received will be segregated into a special fund for transfer to the FSIA.

V. DISTRICT GOVERNANCE

A. The Fourth Street Improvement Association

1. The Fourth Street Improvement Association shall manage the FSPBIA and shall exercise the powers of the Advisory Board set forth in the District Law including the following.

(a) The Advisory Board shall cause to be prepared a report for each fiscal year (October 1 through September 30) for which assessments are to be levied and collected to pay the costs of the improvements and activities described in the report. The report may propose changes, including, but not limited to, the boundaries of the parking and business improvement area or any benefit zones within the area, the basis and method of levying the assessments, and any changes in the classification of businesses, if a classification is used

(b) The report shall be filed with the clerk and shall refer to the parking and business improvement area by name, specify the fiscal year to which the report applies, and, with respect to that fiscal year, shall contain all of the following:

- (2) The improvements and activities to be provided for that fiscal year.
- (3) An estimate of the cost of providing the improvements and the activities for that fiscal year.
- (4) The method and basis of levying the assessment in sufficient detail to allow each business owner to estimate the amount of the assessment to be levied against his or her business for that fiscal year.
- (5) The amount of any surplus or deficit revenues to be carried over from a previous fiscal year.
- (6) The amount of any contributions to be made from sources other than assessments levied pursuant to this part.

3. The FSPBIA Advisory Board shall comply with the Brown Act when discussing or acting on matters within the subject matter of the district (e.g. annual report assessment methodology, boundaries, budget and Service Plan).

B. Disestablishment

According to State law, any district where there is no outstanding indebtedness may be disestablished by resolution of the City Council. This may occur if the City Council finds that funds have been improperly used or if the assesseees request disestablishment. There will be a thirty-day window every year beginning on the one-year anniversary of the establishment of the District, in which business owners may petition to disestablish the District. If the assesseees who pay 50% or more of the total assessments levied submit a written petition to disestablish the District, the City Council will do so.
