DBA R.C. CONSTRUCTION, a California corporation ("Contractor"), whose address is 2223 N. Locust Avenue, Rialto, California 92377, and the CITY OF LONG BEACH, a municipal corporation ("City").

WHEREAS, pursuant to a "Notice Inviting Bids for East Division PD Sub Station in the City of Long Beach, California," dated September 20, 2014, and published by City, bids were received, publicly opened and declared on the date specified in said Notice; and

WHEREAS, the City Manager accepted the bid of Contractor; and

WHEREAS, the City Council authorized the City Manager to enter a contract with Contractor for the work described in Project Plans and Specifications No. R-6999;

NOW, THEREFORE, in consideration of the mutual terms and conditions herein, the parties agree as follows:

1. SCOPE OF WORK. Contractor shall furnish all necessary labor, supervision, tools, materials, supplies, appliances, equipment and transportation for the work described in "Project Plans and Specifications No. R-6999 for East Division PD Sub Station in the City of Long Beach, California," said work to be performed according to the Contract Documents identified below. 4 City will make payments in due course of payments in accordance with Section 9
5 of the Standard Specifications for Public Works Construction (latest edition).

6 3. CONTRACT DOCUMENTS.

7 A. The Contract Documents include: The Notice Inviting Bids,
8 Project Specifications No. R-6999 (which may include by reference the Standard

10 thereto, collectively the "Standard Specifications"); the City of Long Beach
11 Standard Plans; Project Plans No. B-4361 for this work; the California Code of

7 events beyond the control of Contractor. Time is of the essence hereunder. City will
8 suffer damage if the work is not completed within the time stated, but those damages
9 would be difficult or impractical to determine. So, Contractor shall pay to City, as
10 liquidated damages, the amount stated in the Contract Documents.

11 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The
12 acceptance of any work or the payment of any money by City shall not operate as a
13 waiver of any provision of any Contract Document, of any power reserved to City, or of
14 any right to damages or indemnity hereunder. The waiver of any breach or any default
15 hereunder shall not be deemed a waiver of any other or subsequent breach or default.

16 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently
17 herewith, Contractor shall submit certification of Workers' Compensation coverage in
18 accordance with California Labor Code Sections 1860 and 3700, a copy of which is

23 expressly required by the City Manager and the quantities and price thereof shall have
24 been first agreed upon, in writing, by the parties hereto.

25 8. CLAIMS. Contractor shall, upon completion of the work, deliver
26 possession thereof to City ready for use and free and discharged from all claims for labor
27 and materials in doing the work and shall assume and be responsible for, and shall
28 protect, defend, indemnify and hold harmless City from and against any and all claims,

2 persons, or damages to property, including property of City, which arises from or is
3 connected with the performance of the work.

5 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence
6 of all insurance required in the Contract Documents.

7 In addition, Contractor shall complete and deliver to City the form
8 (“Information Sheet”) attached as Exhibit “C” and incorporated by reference, to comply
9 with Labor Code Section 2810.

10 10. WORK DAY. Contractor shall comply with Sections 1810 through

12 penalty to City, the sum of Twenty-Five Dollars (\$25) for each worker employed by

14 permitted to work more than eight (8) hours unless that worker receives compensation in
15 accordance with Section 1815.

16 11. PREVAILING WAGE RATES. Contractor is directed to the
17 prevailing wage rates. Contractor shall forfeit, as a penalty to the City, Two Hundred
18 Dollars (\$200) for each laborer, worker or mechanic employed for each calendar day, or
19 portion thereof, that such laborer, worker or mechanic is paid less than the prevailing
20 wage rates for any work done by Contractor, or any subcontractor, under this Contract.

21 12. COORDINATION WITH GOVERNMENTAL REGULATIONS.

22 A. If the work is terminated pursuant to an order of any Federal
23 or State authority, Contractor shall accept as full and complete compensation
24 under this Contract such amount of money as will equal the product of multiplying
25 the Contract price stated herein by the percentage of work completed by
26 Contractor as of the date of such termination, and for which Contractor has not
27 been paid. If the work is so terminated, the City Engineer, after consultation with
28 Contractor, shall determine the percentage of work completed and the

1 determination of the City Engineer shall be final.

2 B. If Contractor is prevented, in any manner, from strict
3 compliance with the Plans and Specifications due to any Federal or State law, rule
4 or regulation, in addition to all other rights and remedies reserved to the parties
5 City may by resolution of the City Council suspend performance hereunder until
6 the cause of disability is removed, extend the time for performance, make changes
7 in the character of the work or materials, or terminate this Contract without liability
8 to either party.

9 13. NOTICES.

10 A. Any notice required hereunder shall be in writing and
11 personally delivered or deposited in the U.S. Postal Service, first class, postage
12 prepaid, to Contractor at the address first stated herein, and to the City at 333

18 Code, City will notify Contractor when City receives any third party claims relating
19 to this Contract in accordance with Section 9201 of the Public Contract Code.

20 14. BONDS. Contractor shall, simultaneously with the execution of this
21 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the
22 form attached hereto and in the amount specified therein, conditioned upon the faithful
23 performance of this Contract by Contractor, and a good and sufficient corporate surety
24 bond, in the form attached hereto and in the amount specified therein, conditioned upon
25 the payment of all labor and material claims incurred in connection with this Contract.

26 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor
27 any of the moneys that may become due Contractor hereunder may be assigned by
28 Contractor without the written consent of City first had and obtained, nor will City

9 diem wages paid to each journeyman, apprentice, worker, or other employee
10 employed by Contractor or subcontractor in connection with the work, all in

12 payroll records for Contractor and all subcontractors shall be certified and shall be
13 available for inspection at all reasonable hours at the principal office of Contractor
14 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure
15 to furnish such records to City in the manner provided herein for notices shall
16 entitle City to withhold the penalty prescribed by law from progress payments due
17 to Contractor.

18 B. Upon completion of the work, Contractor shall submit to the
19 City certified payroll records for Contractor and all subcontractors performing any
20 portion of the work under this Contract. Certified payroll records for Contractor
21 and all subcontractors shall be maintained during the course of the work and shall
22 be kept by Contractor for up to three (3) years after completion of the work.

23 C. The foregoing is in addition to, and not in lieu of, any other

25 City with regard to submission and retention of certified payroll records for
26 Contractor and subcontractors.

27 17. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to

1 and custody of the work. If any loss or damage occurs to the work that is not covered by
2 collectible commercial insurance, excluding loss or damage caused by earthquake or

4 make the City whole for any such loss or pay for any damage. If Contractor fails or
5 refuses to make the City whole or pay, then City may do so and the cost and expense of
6 doing so shall be deducted from the amount due Contractor from City hereunder.

7 18. CONTINUATION. Termination or expiration of this Contract shall not

16 Long Beach office and all purchases made by Contractor under this Contract

USE TAX DIRECT PAYMENT PERMIT
(General Information and Filing Instructions)

Revenue and Taxation Code section 7051.3 authorizes the State Board of Equalization to issue a *Use Tax Direct Payment Permit* to qualified applicants. This permit allows purchasers and lessees of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of section 7205.1 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a *Use Tax Direct Payment Exemption Certificate* which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties assessments in addition to their tax liability.

To qualify for a *Use Tax Direct Payment Permit*, an applicant must meet the following conditions:

- (1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and
- (2) The applicant must certify to the Board either of the following:
 - (A) The applicant has purchased or leased for its own use tangible personal property subject to use tax which cost five hundred thousand dollars (\$500,000) or more in the aggregate, during the calendar year immediately preceding the application for the permit; or
 - (B) The applicant is a county, city, city and county, or redevelopment agency.

Persons wishing to obtain a use tax direct payment permit must be pre-qualified and either hold a California seller's permit or a consumer use tax account.

Persons other than governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under conditions of Part (2)(A) above, and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Persons other than governmental entities who are not required to hold a seller's permit and who do not currently hold a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(A) above and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

Governmental entities who do not hold a California seller's permit or a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

The completed *Application for Use Tax Direct Payment Permit*, certification statement, and qualifying documentation should be returned to the address shown below. Upon determination that the applicant qualifies, a *Use Tax Direct Payment Permit* and a *Use Tax Direct Payment Exemption Certificate* will be mailed to the applicant.

If you would like additional information regarding the *Use Tax Direct Payment Permit* or need assistance in completing this application, you can call 916-445-5167, or write to the Board of Equalization, Compliance Policy Unit, P.O. Box 942879, Sacramento, CA 94279-0040.
