ROLL CALL

PRESENTATION

The Digital Inclusion Initiative is a Citywide effort that focuses on ensuring that everyone in Long Beach has equitable access and use of digital literacy training, the Internet, technology devices, and other digital inclusion resources. In direct support of this initiative, the City officially kicked off the Digital Inclusion Roadmap development process in August 2019. Due to Covid-19, the City has had to shift strategies but still remains focused on digital inclusion and utilizing the various opportunities that have become available through the CARES Act .

Rebecca Kauma, MPA, is the City's Economic and Digital Inclusion Program Manager and will present an overview of the City's digital inclusion initiative to the commission this month.
