SECOND AMENDMENT TO CONTRACT NO. 35430

THIS SECOND AMENDMENT TO CONTRACT NO. 35430 is made and entered, in duplicate, as of December 6, 2021 for reference purposes only, pursuant to a minute order adopted by the City Council of the City of Long Beach at its meeting held on November 12, 2019, by and between ALL AMERICAN ASPHALT, a California corporation ("Contractor"), whose address is 400 E. Sixth Street, Corona, California 92879, and the CITY OF LONG BEACH, a municipal corporation ("City").

WHEREAS, City and Contractor (the "Parties") entered into Contract No. 35430 (the "Contract") whereby Contractor agreed to provide as-needed local street improvements in the City of Long Beach, California, more particularly described in Project Plans and Specifications No. R-7153; and

WHEREAS, the Parties entered into a First Amendment to the Agreement to update the authorized authority; and

WHEREAS, the Parties desire to extend the term one (1) additional one-year period and attach an updated rate sheet;

NOW, THEREFORE, in consideration of the mutual terms, covenants and conditions herein contained, the Parties agree as follows:

- 1. Section 4 of the Contract is hereby amended to read as follows:
- "4. <u>TIME FOR CONTRACT</u>. The term of this Contract shall commence at midnight on January 1, 2020, and shall terminate at 11:59 p.m. on December 31, 2022, unless sooner terminated as provided in this Contract, or unless the services or the Project is completed sooner. The Parties have the option to extend the term for two (2) additional one-year periods, at the discretion of the City Manager. Time is of the essence hereunder. City will suffer damage if the work is not completed within the time stated, but those damages would be difficult or impractical to determine. So, Contractor shall pay to City, as liquidated damages, the amount stated in the Contract Documents."
 - 2. The Rates/Charges in Exhibit "A" to the Contract are hereby amended
