LOBBYISTS

As outlined in Long Beach Municipal Code [Chapter 2.08](#) (Lobbyists), you may be required to register your lobbying activities with the City of Long Beach. The purpose of the Lobbyist Registration and Reporting Ordinance is two-fold: 1) To ensure the public has full knowledge of who is attempting to influence the decisions that affect City policy; and 2) To ensure that elected City officials are informed of what interests each lobbyist represents.
