Subject: Parklets

-EXTERNAL-

Hello my name is Marie Padilla, My family and friends have been a customer at Taco shore for many many years. I understand you are considering moving the parklets on second Street which gave Taco shore more room for safety distancing. It was bad enough that we couldn't go much to the restaurant due to Covid but when we were able to have more room and be more distant we felt safer to return and help support one of your finest Restaurants . Because Covid it is not completely over as a matter of fact it is returning and having that extra space really does provide safety for me and my family. We ask you please not remove them anytime soon. Thank you and God bless !
