I was last in person on November 9th 2021, and I'm back with the latest news. I've been awarded an interview with DFEH in December for the very reason I've been crying, and begging for assistance knowing I and my family were wronged in giving us our 2018 3bedroom housing voucher. I haven't heard from the Long Beach Housing since the last meeting in front of your panel. As I've said before, this is retaliation, abuse, discrimination, and racism. Yes, I said, "Racism, by my own black people." Kelly Colopy has allowed this ever since I emailed her back in 2017. I've had it with this city doing what they want to do and still get paid for it. I am a tax paying citizen with a disabled family, still living in this one bedroom. I will be on Zoom tomorrow. Once Again. I'm Suing the City of Long Beach!!! Sincerely, Squittia Brown and Family</p>	8/8/2022
