**Date:** August 17, 2022

**To:** Civil Service Commission

**From:** Levi Sinkler, Personnel Analyst

**Subject:** REQUEST FOR PROVISIONAL APPOINTMENT OF HOUSING SPECIALIST I-III: MAYRA GALEAS ALVAREZ

On July 25, 2022, the Civil Service Department received correspondence from Sandra Kennedy, Administrative Officer— Department of Health and Human Services (DHHS), requesting Civil Service Commission approval of their provisional appointee, Mayra Galeas Alvarez, to the classification of Housing Specialist I-III. Staff has reviewed the request and recommends approval in accordance with Article V, Section 43 of the Civil Service Rules and Regulations and Civil Service Policy 1.02.

Article V, Section 43 of the Civil Service Rules and Regulations allows an appointing authority to request a provisional appointment of an employee “When no priority or eligible list exists for a classification, which has been requisitioned and should no priority or eligible lists exist for comparable or allied classifications suitable for alternate list certification, the Commission may, after review, certify the names of individuals it considers to be qualified for provisional appointment to the classification.”

### Facts for Consideration:

- In February 2022, Civil Service Department Executive Director, Christina Pizarro Winting approved a Request from DHHS to conduct a Provisional Appointment recruitment for four vacancies in the Housing Specialist I-III classification. Panel interviews were conducted, and Ms. Alvarez was selected to fill one of the department’s vacancies.
- On June 8, 2022, the Civil Service Commission approved names to fill three of the seven existing vacancies in the Housing Specialist I-III classification.
- The Housing Specialist I-III classification is an essential programmatic classification within the Health Department’s Housing Authority Bureau and is needed to provide services to vulnerable members of the public in accordance with grant directives from the U.S. Department of Housing and Urban Development.

- Ms. Alvarez's application has been screened by Civil Service staff and it is determined that she does meet the minimum qualifications for the classification.
- Ms. Alvarez has signed the Provisional Appointment of Conditions, which outlines the conditions of a Provisional Appointment including that the provisional appointment is temporary, and that she has no guarantee of a permanent appointment. She is aware that she must apply and compete in the Civil Service examination process and be placed in a selectable position on the eligible list to be considered for permanent appointment as a Housing Specialist I-III.
- The Department has approved requisition HE22-091 on file to fill a provisional Housing Specialist I – III vacancy. In addition, requisition HE21-225 is on file to fill the permanent position once a new eligible list is available to select a permanent candidate.
- Recruitment planning is underway for the Housing Specialist I-III classification in partnership with DHSS, Civil Service, and Human Resources. A list is tentatively expected to come before the Commission in October of 2022.

Ms. Alvarez has been notified that this request is on today's Agenda. Additionally, the Department of Health and Human Services has been informed that this request is on today's agenda and a department representative is present to respond to any questions from the Civil Service Commission.

**Memorandum**

Date: July 28, 2022

To: Civil Service Commission

From: Sandra Kennedy, Administrative Officer 

Subject: **Request for Provisional Appointments – Mayra Galeas Alvarez**

---

The Health and Human Services Department is requesting Civil Service Commission approval to provisionally appoint Mayra Galeas Alvarez to the position of Housing Specialist I in accordance with Article V, Section 43 of the Civil Service Rules and Regulations and Section 1.02 of the Civil Service Policies and Procedures.

In February 2022, the Civil Service Department granted approval to conduct a provisional recruitment for this classification. The Department held an open recruitment from February 9, 2022 through February 23, 2022 and conducted interviews by panel. A first round of candidates was selected, and their provisional appointments were authorized by the Commission on June 8, 2022. Hiring supervisors revisited the list of candidates and Ms. Galeas Alvarez was selected. The Department has approved requisition HE22-091 on file to fill this vacancy on a provisional basis until the establishment of a new eligible list. This requisition corresponds with requisition HE21-225.

The Housing Specialist classification is an essential programmatic classification within the Health Department's Housing Authority Bureau and is needed to provide services to vulnerable members of the public in accordance with grant directives from the U.S. Department of Housing and Urban Development. Should these positions remain vacant, the Department will be at risk of failure to adequately meet grant deliverables, including draw-down of available funding, likely resulting in grant audit findings and reductions to future funding allocations. Provisional appointments to fill these vacancies will alleviate current workload pressures on current staff and provide critical support for grant compliance until a new eligible list is established.

The candidate identified for appointment understands that provisional appointments are temporary and have no guarantee of permanent employment. They meet the minimum qualifications for this position and are aware that they must apply through the Civil Service examination process to be considered for permanent employment as Housing Specialists.
