

RESOLUTION NO. RES-22-0148

A RESOLUTION OF THE CITY COUNCIL OF THE  
CITY OF LONG BEACH ESTABLISHING SOLID WASTE  
SERVICE RATES

WHEREAS, the City of Long Beach's ("City's") Department of Public Works engaged HF&H Consultants, LLC (HF&H) to conduct a comprehensive Cost of Service and Rate Structure Study (the "Study") for solid waste collection services; and

WHEREAS, the City requested HF&H to prepare an analysis of the current solid waste rates, rate structure, and operating costs, and evaluate if, and to what extent, a rate increase may be necessary to cover the City's operational costs of its solid waste enterprise; and

WHEREAS, the Study concluded that rate increases for solid waste services (collectively herein, the "Charges") are necessary for several reasons: 1) in recent years, the City's rates have not generated revenues sufficient to cover costs, resulting in drawing down reserves, 2) the cost of collection of solid waste has increased, and 3) additional costs to comply with new State-mandated diversion programs such as regulations implementing Senate Bill 1383 (Chapter 395, Statutes of 2016) requiring the collection of organic materials; and

WHEREAS, the Study proposed a two-step rate increase, with the first increase taking effect on September 1, 2022, and the second increase taking effect on January 1, 2023; and

WHEREAS, pursuant to Article XIII D, section 6 of the California Constitution, the City provided written notice by mail of the new or increased Charges to the record owner of each parcel upon which the Charges are proposed for imposition not less than 45 days prior to the public hearing on the proposed rate increases; and

WHEREAS, the City Council of the City of Long Beach held a public hearing

1 on August 23, 2022 to consider all protests against the proposed rate increases; and

2 WHEREAS, at the public hearing the City Council heard all oral testimony,  
3 and considered all written materials and written protests concerning the establishment and  
4 imposition of the proposed rate increases to the Charges; and

5 WHEREAS, the total number of written protests presented by the close of the  
6 public hearing was less than a majority of the total number of property owners or property  
7 upon which the Charges are proposed for imposition or any tenants directly liable for the  
8 payment of the Charges; and

9 WHEREAS, the City Council now desires to establish and impose the  
10 Charges proposed to take effect on September 1, 2022.

11 NOW, THEREFORE, the City Council of the City of Long Beach resolves as  
12 follows:

13 Section 1. The above recitals are all true and correct and are  
14 incorporated herein.

15 Section 2. The City Council hereby adopts the Charges for solid waste  
16 collection services at the maximum rates, with an effective date of September 1, 2022, as  
17 set forth in Exhibit A attached hereto and incorporated herein by this reference.

18 Section 3. To the extent any Charges established by this Resolution are  
19 inconsistent with any Charges previously adopted by the City Council, it is the explicit  
20 intention of the City Council that the Charges adopted pursuant to this Resolution shall  
21 prevail.

22 Section 4. The City Council declines to adopt the second Solid Waste  
23 Service Rate increase proposed to take place on January 1, 2023, and requests City staff  
24 to reanalyze and return to the City Council with a recommendation to phase-in another  
25 Solid Service Rate increase.

26 Section 5. This resolution shall take effect immediately upon its adoption  
27 by the City Council, and the City Clerk shall certify the vote adopting this resolution.

28 I hereby certify that the foregoing resolution was adopted by the City Council
