Fall Class Registration Going on Now

Registration for fall recreation classes offered by Long Beach Parks, Recreation and Marine (PRM) is going on now. More than 700 activities in art, music, fitness, special interest subjects, sports and aquatics will begin in September and run through November. Residents can browse the fall classes in the fall "Recreation Connection," at LBParks.org or at Long Beach park community centers and Long Beach Libraries.

The "Recreation Connection" also lists free activities including youth sports leagues, teen centers and senior centers, supervised after school recreation programs, and much more.

Preschool classes enable children as young as six months old to learn new skills in a nurturing social setting. Among the offerings this fall are Preschool Cake Design, Little Music Makers (music introduction), Parent & Me Pre-K Readiness, and Tot Soccer.

Classes for youth include All About Dough and Cake Design that build culinary skills. Mexican Folklórico Dance classes celebrate Mexican culture, Reading and Math Development classes support learning, and Music Exploration, Keyboard and Guitar classes guide kids through beginning music techniques. Basketball, Soccer and Martial Arts classes keep kids active and fit.

From Driver's Education, Gymnastics, Ceramics, Fitness, Dance and Sports, teens can explore, create and have fun. Offerings include B.L.A.S.T. Total Body Fitness, Drawing Fundamentals, Oil Painting, Yoga and Jujitsu.

Kids don't have all the fun. Adults of all ages can meet new people, explore interests, and develop skills. From Fast Quilting to Argentine Tango and Line Dancing, and Jujitsu, Chair Based Yoga, and ZUMBA® Gold, there a plenty of options to recreate and have fun.

within the scenic settings of parks throughout the city. The array of Community Band concerts and several other special concerts at the El Dorado Nature Center offered residents additional evenings blending culture and nature. Our Movies in the Parks and Be S.A.F.E. movie presentations attracted hundreds of area families out into our parks to enjoy fun, family-oriented blockbuster flicks.

As area youth begin their return to the classrooms, so too do scores of our amazing summer, seasonal staff members. At the height of summer hiring, our Parks, Recreation, Marine, and Animal Care Services Team grew to nearly 700 dedicated employees. Our after-school programming will begin this month as another August highlight for the Community Recreation Services Team.

**Parks
Make
Life
Better!**

The month of August offers many opportunities for the community to learn about and weigh in on the various elements of the City of Long Beach fiscal year 2023 Budget. The proposed budget for PRM eclipses \$74 million if approved by City Council. Virtual Community Meetings are scheduled for August 11, 17, and 22. The City budget is required to be adopted at either the September 6 or September 13 Council meeting, prior to the new fiscal year that begins on October 1, 2022.

I would also like to introduce you to and welcome our three new Parks and Recreation Commissioners who will begin their new terms of appointed service this month. Welcome, Commissioners Chris Chavez, Silissa Smith, and Sylvester Givens!

I hope you will be able to take advantage of our end of summer special events, programs, and community engagement opportunities throughout the month. Parks Make Life Better and Parks Make Long Beach a great place to live, work, and play!

As the month of August basks in the afterglow of a joyful July, our Department enjoyed joining the nation in celebrating Parks Make Life Better month. The weeks leading up to Labor Day are filled with unlimited opportunities for fun, fitness, and friendships.

The Alamitos Beach floating water playground has welcomed thousands of swimmers to engage in the challenges of the obstacle course elements. This beach along with Granada and Mother's Beach saw the water's edge become more welcoming with the installation of the 3 new ADA access mats.

Long Beach Animal Care Services is joining the NBC/Telemundo national "Clear the Shelters" campaign to make it much easier to adopt a dog or cat throughout the month of August. We are pleased to offer reduced adoption fees. Hills Science Diet is providing goodie bags to adopters. Join us in helping advance our Compassion Saves mission.

The Municipal Band's summer concert season concluded its six-week run with amazing musical performances

New Access Mats Increase Accessibility on City Beaches

New beach access mats are making it possible for people of all abilities to more easily access Alamitos, Mother's and Granada beaches this summer. A public celebration for the three mats was held on July 15 at Granada Beach.

The durable, anchored ground coverings are made of 100% recycled material. The non-slip synthetic rubber is designed to support wheeled pedestrian assistance vehicles such as wheelchairs, beach access chairs, walkers and strollers, and it also can withstand the weight of utility vehicle traffic. The mats are ADA-compliant.

The installation of the beach access mats was brought to the Long Beach City Council last summer by Third District Councilwoman Suzie Price and was cosponsored by Councilwoman Zendejas and Councilwoman Allen and approved by City Council.

The beach access mats are colored blue to help guide the visually impaired and be easily identifiable as ADA-accessible and are available for public use year-round.

Model Boat Shop Program at Colorado Lagoon

The Model Boat program is a decades long program where Recreation staff assist participants with the construction of model sailboats for seven weeks each summer. A successful session concluded on August 5. The participants ages 7

and up were responsible for building their own boats - the shape, the smoothness, the sail and the paint. Recreation staff helped with assembly and are hands on when kids have questions or need help. The participants learned woodworking skills, self-reliance, independence and pride.

The program is housed at the Model Boat Shop located at the Colorado Lagoon. It was started in the 1960's by Clyde Ellerman. The end of the year Regatta is named in his honor. His daughter JoAnne Pike assisted with the program and eventually took it over and ran it for 36 years before retiring in 2018. Unfortunately, due to supply and material challenges and a global pandemic, the program was not able to continue.

day camps. Under the supervision of Aquatic Supervisor II Caitlynn Cruz, the program launched this past summer to tremendous success!

Over 57 different youth of all ages built over 70 boats this summer. They successfully raced their boats in the Clyde W. Ellerman Regatta on August 5, 2022 at Colorado Lagoon.

Find a New Furry Family Member

That's when the PRM Department received a call from a Wilson High School senior named Peter Beck. Peter grew up spending his summers building boats in the program. Peter has also been a professional model boat/ship builder for a couple years, building custom ships for customers. Peter was interested in

bringing the program back to life and inquired about the possibility of helping to make this happen. Peter joined the Parks, Recreation and Marine team and quickly went to work developing methods to build boats with safe materials, doing inventory and creating a list of needed supplies. He was joined by Recreation Leader VII Isabella Morgan, who has several years' experience working in our summer aquatic

Do you know that a group of kittens is called a kindle? Cats have been a part of families and society for centuries. Studies suggest that cats have been domesticated since around 3600 B.C.! In celebration of International Cat Day in August, Long Beach Animal Care Services suggests visiting their shelter Wednesday through Sunday from 11 a.m. to 3 p.m. to find a new furry family member!

LA Dodgers Foundation Program Serves Hundreds of Youth

Parks, Recreation and Marine (PRM) in partnership with the Los Angeles Dodgers Foundation's (LADF) Dodger Dreamteam program helped youth reach goals in school, at home, and in their communities through sports-based youth development.

Through a \$53,790 grant from LADF, PRM's Youth Sports Program offered T-Ball, coach pitch, baseball and softball for youth ages 4 through 17 this summer from June through August. A total of 932 players participated on 65 teams. PRM has been awarded this grant from LADF since 2017. To date, the grant funding has assisted PRM in providing baseball and soft-

ball programs to over 2,500 Long Beach youth ages of 5 - 18. Although the 2020 season was cancelled due to the COVID-19 pandemic, the program returned in 2021 to support 828 youth softball and baseball players at 23 City locations. In 2022 LADF added funding for a Dodgers Dreamteam Coordinator position to the grant agreement.

Dodgers Dreamteam players received uniforms, nsports equipment, personal protective equipment, and resources that addressed basic needs, educa-

tion and healthcare. Participants also had free access to LADF programs like Dodger Days, Fitness & Nutrition Clinics, Coaches Trainings, Player Development Trainings and College & Career Accelerator Workshops. Participants of the T-Ball and Coach Pitch divisions all received a team photo and medals.

Enjoy the Dog Days of Summer at Rosie's Dog Beach

Rosie's Dog Beach is the only dog beach in Los Angeles County and was named the "Best Dog Park in Los Angeles" in 2016 by L.A.Curbed.com, a popular real estate blog, and said to be the best dog beach in the country by People.com in 2017. The four-acre dog zone is located on the beach on Ocean Blvd., between Granada and Roycroft Avenues. "Rosie's Dog Beach" was named to honor the life of founder Justin Rudd's beloved bulldog Rosie. The park is open daily from 6 a.m. to 8 p.m.

Congratulations June Employee of the Month Walter Castilla

Congratulations to Maintenance Assistant II Walter Castilla on being named the Employee of the Month for June 2022. Walter can be seen throughout the Department making sure that our facilities are in top shape for our patrons and staff. He recently answered a few questions so that we can get to know him better.

What's the last TV show you binge-watched? Peluche Family.

What's the best thing you've learned in your current position? Have an open communication with staff.

What's your own advice that you always follow? Be safe and have a productive day.

What's one small thing that makes your day better? A simple thanks for your help Walter.

Who inspires you? My youngest daughter.

What is or would be a good nickname for you at work? Walter Castilla I'll call you back.

What song always gets you onto the dancefloor? "Quire Beber" by Walter Castilla.

If you could have a superpower, what would it be? The ability to fly.

Who would play you in a movie of your life? Eugenio Derbez.

Using one word, how would you describe your family? Successful.

A genie gives you one wish. What is it? Life blessings.

Would you rather have a completely automated home or a self-driving car? Automated home.

How long have you worked with Parks & Rec? How long with the City? 18 years all at PRM Parks Maintenance.

Centerpiece Showcases Queensway Bay

Every year after the Grand Prix flowers have run their course, Marigolds are planted in annual beds for the busy summer season downtown. Our Dolphin Fountain remains the center piece where we can show off a bit for the large crowds coming to spend the day by the sea.

These pictures feature our "Sunburst" design and huge thank you goes to Albert Estrella and his Parkwood landscape team. The outer ring is made up of Dwarf Mondo grass, then annuals with a white teacup rose center ring. The upper beds have a ring of annuals backdropped by our purple flowering Liriope Muscari. Kudos gentlemen!
