ADMINISTRATIVE CITATION INFORMATION SHEET

Long Beach Municipal Code Chapter 9.65 provides for the issuance of administrative citations for Long Beach Municipal Code violations. The administrative citation program and the establishment of appropriate fines are intended to act as a reasonable deterrent in preventing Municipal Code violations.

Fine Schedule

Each day a violation exists constitutes a separate and distinct offense. Fines are imposed as follows. A \$100 fine will be imposed for the initial violation. A \$200 fine will be imposed for each instance of a second violation of the same code section committed within one year from the date of the initial violation. A \$500 fine will be imposed for any subsequent violation of the same code section committed within one year from the date of the initial violation. A \$500 fine will be imposed for each violation of Municipal Code Section 21.51.227 relating to illegal automotive repair work. A \$1000 fine will be imposed for each violation of LBMC Sections: 21.41.170 relating to illegal garage conversion for residential use, 18.02.020 relating to dangerous buildings, 18.08.010 relating to illegal change in occupancy, 18.09.010 for failure to comply with Title 18, Section 21.31.245(C) relating to unlawful dwelling units and LBMC Sections 18.04.010A, 18.04.010C, 18.04.010E and 18.04.010D all relating to unpermitted construction.

Consequence of Failure to Pay the Fine

Failure to pay fine(s) within the specified time period may result in a 25% late charge, imposition of a special assessment and/or lien against the real property on which the violation occurred, filing of a claim with the small claims court for recovery of the fine and all costs associated with such filing, suspension and/or revocation of any City permits, business licenses, or land use approvals, or any legal remedy available to the City to collect such money.

Consequence of Failure to Correct Violations

Failure to correct violations within the specified time period may result in civil penalties, abatement, criminal prosecution, civil litigation, recording the violation with the County Recorder, and forfeiture of certain State tax benefits for substandard residential rental property. In the event violations for LBMC Section 9.65.030 Weed/Debris Abatement and LBMC Section 9.65.040 Inoperative Vehicle Abatement are not corrected by the specified date, in addition to the above consequences, **the City may undertake abatement efforts**, and thereafter impose a lot-cleaning/inoperative vehicle abatement levy for costs incurred by the City. Notice of Imposed Levy will be served on the Cited Party and must be paid no later than thirty (30) calendar days from the date of issuance of the Notice. Levy computation may include but is not limited to the following costs: administration and processing costs, cost of cleaning or removal of weed/debris/vehicle, photographs, dump fees, labor hours, equipment, staff (inspector, clerical, supervisor) time @ \$110.00 per hour, law enforcement assistance (if needed), and court costs. Failure to pay imposed levies as specified is subject to the same consequences established for failure to pay fines and/or correct violations as previously stated.

Rights of Appeal

A Cited Party may appeal administrative citations and imposed levies. For cited code violations, the appeal must be requested within thirty (30) calendar days from the date of service of the Citation. Appeals for imposed Weed/Debris and/or Inoperative Vehicle Abatement Levies must be requested within fifteen (15) calendar days from the date the levy notice was served. In emergency situations, such as violations of the City Health and Human Services Department's Safer At Home Order for Control of COVID-19, the appeal must be requested within twenty-four (24) hours from the time of service of the Citation. In order to appeal, a completed Request for Hearing form (available from the Code Enforcement Bureau or online at <https://www.longbeach.gov/globalassets/lbds/media-library/documents/formsapplications/code-enforcement-forms/notice-of-appeal-and-request-for-hearing>) together with a deposit in the **total amount of the administrative fine plus** any late charges and appeal fees. Board of Examiners, Appeals, and Condemnation appeal fees **are \$950.00 per appeal or 50% of the fine amount, whichever is less**. Late charges, and/or levies must be submitted to the Department of Development Services located at 411 W. Ocean Blvd, 4th Floor, Long Beach CA 90802. Requesting an appeal does not relieve the Cited Party from the requirement to correct all code violations as specified. Appeal fees are non-refundable.

Generally, the only relevant evidence considered on appeal is whether the violation(s) existed on the date and time the Administrative Citation was issued, whether the Cited Party is the Responsible Person who caused or maintained the violation(s), and whether imposed levies resulting from failure of a Responsible Person to correct weed/debris and/or inoperative vehicle violations, were reasonably calculated based upon abatement costs incurred by the City.

If an appeal is denied, the entire deposit shall be retained by the City as payment in full of outstanding fines, late fees, and/or levies. If an appeal is upheld, the entire deposit, or in the case of weed/debris and inoperative vehicle levies any portion of the levy held to be unreasonable, shall be refunded to the Cited Party within thirty (30) business days from the date of the written appeal decision. Failure to properly file a written appeal within the appropriate time frame shall constitute a waiver of the Cited Party's right to appeal and seek judicial review.

Please mail in your payment, including the attached payment remittance slip, in the envelope provided. Payment may be made by personal check, cashier's check, or money order payable to the City of Long Beach.
