Dear Mr. Kinsey and Planning Commission:

I am writing on behalf of the Supporters Alliance for Environmental Responsibility (SAFER), who submitted a comment letter on the Mosaic Project. I am pleased to report that SAFER has been in communication with the developer of the project and we are very close to reaching an agreement that will address our environmental concerns. While the agreement is not finalized, we believe that the discussions are likely to resolve favorably in the near future. Thank you.

Richard Drury
