Recommendation

Authorize the General Manager to execute an Agreement with Dudek, to provide construction management services for the Spinnaker Bay Drive Water Main Replacement Project – Phase 2 (MC-5200), in the amount not to exceed \$279,350.

Executive Summary

This project is for the installation of over 2,400 linear feet of polyvinyl chloride pipe, including installation of valves and fittings, water service connections, fire hydrants, connections to existing water mains, surface restoration, and traffic control.

On April 12, 2023, staff solicited proposals to provide construction management services for the Spinnaker Bay Drive Water Main Replacement Project – Phase 2 (MC-5200). Four proposals were received, evaluated, and analyzed. Staff recommends Dudek based on their experience on similar projects, project understanding, and reasonableness of their fees. The not-to-exceed amount for their services is \$279,350 and the duration of the agreement is through project completion.

Fiscal Impact

The cost to the Water Fund will be incurred during FY 23 and FY 24 with the annual amounts unknown at this time, but the total amount will not exceed the contract total of \$279,350. These costs are included in the Water Fund FY 23 CIP budget and financial projections for FY 24.

Robert J. Verceles
Director of Engineering/Chief Engineer

Christopher J. Garner
General Manager
