Subject: One-Year Short-Term Permit for Entertainment without Dancing by Patrons

The Alamitos Beach Neighborhood Association strongly supports the granting of a One Year, Short Term permit, with conditions, on the application of The Molly Brown, LLC, known as The Paradise Bar and Restaurant for entertainment without dancing by patrons.

The Paradise is a community supporter and a fine neighborhood establishment. Its services are enjoyed by many of our members. The Paradise provides this neighborhood with a great place to meet and enjoy an outstanding dining experience. The owner, Michael Barber, and his attentive staff ensure that its patrons enjoy a safe and friendly atmosphere. Any problems encountered with their patrons are swiftly rectified. This Association has never received any negative comments concerning its operation. Michael and his staff gladly participate in many events held in our neighborhood and city.

Should additional information be necessary, please contact me at 562 432-5822.

Sincerely,

Lois Ledger
