January 17, 2012

HONORABLE MAYOR AND CITY COUNCIL

City of Long Beach

California

RECOMMENDATION:

Adopt the attached Resolution authorizing the City Manager to execute a contract with LDV, Inc., of Burlington, WI (not a MBE, WBE, SBE or Local), for the purchase of one Mobile Maritime Emergency Operation Center (MMEOC), on same terms and conditions afforded to the Los Angeles County Sheriff's Department under Bid No. RFB-IS-10200542-1, in a total amount not to exceed \$706,027, inclusive of tax and fees. (Citywide)

DISCUSSION

City Council approval is being requested to authorize the City Manager to execute a contract with LDV, Inc., for the purchase of one Mobile Maritime Emergency Operation Center (MMEOC) (Attachment A). This vehicle will utilize existing Los Angeles Regional Common Operating Picture Platform assets, video streaming, and Global Positioning System (GPS) capabilities, Long Beach Common Operating Picture monitoring, air support downlink video and Port of Long Beach (POLB) and Port of Los Angeles (POLA) video monitoring technologies. With this purchase and the technology it will bring to Long Beach, the Long Beach Police Department (LBPD) will gain heightened port and maritime awareness, added support to threat assessments and intelligence gathering capabilities, and provide disaster management assistance within the Incident Command System structure.

An Area Maritime Security Committee analysis conducted in 2008 indicated that enhanced tactical operations and emergency response capabilities are needed in order to mitigate the protection and response related to threats from a variety of levels within the Ports of Long Beach and Los Angeles. The requested purchase of a MMEOC will help meet this demand. In addition, the MMEOC will have interoperability with POLB and POLA through the POLB Joint Command and Control Center and Los Angeles Port Police operation centers.

The Department of Public Works, Fleet Services Bureau, investigated procurement options and learned that the Los Angeles County Sheriff's Department completed a competitive bid process in January 2010 for a similar Emergency Operation Center and has awarded the contract to LDV, Inc., of Burlington, WI. It was determined by staff that the terms and conditions of this bid would meet the needs of the Department of Public Works, Fleet Services Bureau, and the LBPB.

The City Charter provides an alternative procurement method by permitting the City to purchase or otherwise obtain services, supplies, materials, equipment and labor with other governmental agencies by purchasing under their contracts on a voluntary and selective basis when authorized by a Resolution of the City Council.

LDV, Inc., has agreed to sell the City one MMEOC, per quote dated August 15, 2011, on the same terms and conditions afforded to the Los Angeles County Sheriff's Department under Bid No. RFB-IS-10200542-1.

This matter was reviewed by Deputy City Attorney Amy R. Webber on December 7, 2011 and Acting Budget and Performance Management Bureau Manager Shari Metcalfe on December 9, 2011.

TIMING CONSIDERATIONS

City Council action to approve this purchase is requested on January 17, 2012, to ensure that the equipment is purchased in a timely manner. It is important to note that the grant funding from the California Emergency Management Agency's (CalEMA) California Port and Maritime Security Grant Programs (CPMSGP), authorized by Proposition 1B grant equivalent to 25 percent of the total cost, will be lost if the purchase transaction is not completed on or before the expiration date of April 1, 2012. The balance of 75 percent will be funded by the Port Security Grant Program 2008 (PSGP 08).

FISCAL IMPACT

The cost of this contract, in an amount not to exceed \$706,027, is currently budgeted in the General Grants Fund (SR 120) in the Long Beach Police Department (PD). The Port Security Grant Program 2008 requires a 25 percent match from the City of Long Beach, which is being provided by the Port of Long Beach. The Port has received approval from CalEMA for this 25 percent match to be a project under the Port's CPMSGP Proposition 1B grant. Costs for training on the MMEOC have been built into the cost of the equipment and will be provided by the vendor. Maintenance costs, which are anticipated to be minimal, will be covered by manufacturer's warranty and grant funds through May 2016. The City will seek to acquire additional grant funds for maintenance beyond 2016. Future replacement of the equipment may become necessary and if, at that time, it is determined prudent to replace the equipment, the City will seek grant funds for that purpose. There will be no impact to the General Fund. There is no local job impact associated with the recommended action.

HONORABLE MAYOR AND CITY COUNCIL

RESOLUTION NO.

A RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF LONG BEACH AUTHORIZING THE CITY
MANAGER TO PURCHASE ONE MOBILE MARITIME
EMERGENCY OPERATION CENTER THROUGH THE
PURCHASE ORDER BETWEEN THE LOS ANGELES
COUNTY SHERIFF'S DEPARTMENT AND LDV, INC.
WHICH WILL DO BUSINESS IN CALIFORNIA AS
WISCONSIN LDV, INC.

WHEREAS, the Charter of the City of Long Beach (the "City"), Section
1802, permits the City to purchase services, supplies, materials, equipment and labor
with other government agencies by purchasing under their contracts on a voluntary and
selective basis when authorized by resolution; and

WHEREAS, the City desires to purchase one (1) Mobile Maritime
Emergency Operation Center ("MMEOC"); and

WHEREAS, the Los Angeles County Sheriff's Department has a Purchase
Order for the purchase of a MMEOC, Purchase Order No. PO-SH-10322168-1 ("LAC
PO"); and

WHEREAS, the City's participation in the LAC PO will facilitate acquisition
of the MMEOC as well as provide considerable cost benefits to the City; and

WHEREAS, if the City had to go to formal bid rather than participate in the
LAC PO considerably more funds would be required;

NOW, THEREFORE, the City Council of the City of Long Beach resolves as
follows:

1. The above recitals are true and correct and are incorporated herein
by this reference.

2. The City Manager of the City is hereby authorized to enter an agreement with LDV, Inc. Which Will Do Business in California as Wisconsin LDV, Inc., to purchase one (1) Mobile Maritime Emergency Operation Center of substantially the same type and kind purchased by the Los Angeles County Sheriff's Department pursuant to the LAC PO except as modified by mutual agreement of the City and LDV, Inc. Which Will Do Business in California as Wisconsin LDV, Inc., and the purchase by the City shall be on the same terms and conditions afforded to the Los Angeles County Sheriff's Department in an amount not to exceed \$706,027, including tax and shipping, for a period extending until the warranty on the MMEOC expires.

3. This resolution shall take effect immediately upon its adoption by the City Council, and the City Clerk shall certify the vote adopting this resolution.

I hereby certify that the foregoing resolution was adopted by the City Council of the City of Long Beach at its meeting of _____, 20__ by the following vote:

Ayes: Councilmembers: _____

Noes: Councilmembers: _____

Absent: Councilmembers: _____

City Clerk
