permit-Wokcano

Dear Mr. Sund,

As expressed in our communications in 2009 and again to the LBPD in 2011, I oppose the issuance of Entertainment with Dancing renewal permit for Wokcano Restaurant. My condo unit at the 133 The Promenade Walk, along with 5-6 other units, are located directly above the business and impacted most by the noise (heavy bass sound from dancing music). I request the City to not allow a business to operate a nightclub when it is physically located within a residential building and directly shares wall/floor/ceiling with homeowners.

Thank you very much for your consideration and helping to improve the quality of life for the downtown residents.

Sincerely,

K. Carrigan
