RE: Issuance of a Permit for Entertainment without Dancing by Patrons at Paradise LB at 4911

Long Beach Blvd.

Dear Mr. Dennis Strachota: in reference to the permit the bar said in their drawing that had 40 parking spaces not quiet

They are 52 parking spaces 14 businesses in that shopping center at any given time the parking lot is full the spaces are

The liquor store at one end has the most of the parking, the nail salon has the most employee parking.

How are you going to get more people in that small space approx 15x 10 ft space

The patrons spend more time outside the bar playing loud music blowing their horns

fighting drinking liquor that they

Buy from the liquor store and drink it outside the bar

It you are enforcing the code for parking recheck how many spaces that he does have 10 at the most

Thank you for your consideration
