

CONTRACT

**32014**

THIS CONTRACT is made and entered, in duplicate, as of January 19, 2011 for reference purposes only, pursuant to a minute order adopted by the City Council of the City of Long Beach at its meeting held on January 18, 2011, by and between G. B. COOKE, INC., a California corporation ("Contractor"), whose address is 580 E. Foothill Blvd., Azusa, California 91702, and the CITY OF LONG BEACH, a municipal corporation ("City").

WHEREAS, pursuant to a "Notice Inviting Bids for Improvement of Naples Island Soil Anchors, Phase VII in the City of Long Beach, California," dated December 16, 2010, and published by City, bids were received, publicly opened and declared on the date specified in said Notice; and

WHEREAS, the City Manager accepted the bid of Contractor; and

WHEREAS, the City Council authorized the City Manager to enter a contract with Contractor for the work described in Project Plans No. B-4520 and Project Specifications No. R-6869;

NOW, THEREFORE, in consideration of the mutual terms and conditions herein, the parties agree as follows:

1. SCOPE OF WORK. Contractor shall furnish all necessary labor, supervision, tools, materials, supplies, appliances, equipment and transportation for the work described in "Project Plans No. B-4520 and Project Specifications No. R-6869 for Improvement of Naples Island Soil Anchors, Phase VII in the City of Long Beach, California," said work to be performed according to the Contract Documents identified below. However, this Contract is intended to provide to City complete and finished work and, to that end, Contractor shall do everything necessary to complete the work, whether or not specifically described in the Contract Documents.

2. PRICE AND PAYMENT.

A. City shall pay to Contractor the amount(s) for materials and

1 work identified in Contractor's "Bid for Improvement of Naples Island Soil Anchors,  
2 Phase VII in the City of Long Beach, California," attached hereto as Exhibit "A".

3 B. Contractor shall submit requests for progress payments and  
4 City will make payments in due course of payments in accordance with Section 9  
5 of the Standard Specifications for Public Works Construction (latest edition).

6 3. CONTRACT DOCUMENTS.

7 A. The Contract Documents include: The Notice Inviting Bids,  
8 Project Specifications No. R-6869 (which may include by reference the Standard  
9 Specifications for Public Works Construction, latest edition, and any supplements  
10 thereto, collectively the "Standard Specifications"); the City of Long Beach  
11 Standard Plans; Project Plans No. B-4520 for this work; the California Code of  
12 Regulations; the various Uniform Codes applicable to trades; the prevailing wage  
13 rates; Instructions to Bidders; the Bid; the bid security; the City of Long Beach  
14 Disadvantaged, Minority and Women-Owned Business Enterprise Program; this  
15 Contract and all documents attached hereto or referenced herein including but not  
16 limited to insurance; Bond for Faithful Performance; Payment Bond; Notice to  
17 Proceed; Notice of Completion; any addenda or change orders issued in  
18 accordance with the Standard Specifications; any permits required and issued for  
19 the work; approved final design drawings and documents; and the Information  
20 Sheet. These Contract Documents are incorporated herein by the above  
21 reference and form a part of this Contract.

22 B. Notwithstanding Section 2-5.2 of the Standard Specifications,  
23 if any conflict or inconsistency exists or develops among or between Contract  
24 Documents, the following priority shall govern: 1) Permit(s) from other public  
25 agencies; 2) Change Orders; 3) this Contract (including any and all amendments  
26 hereto); 4) Addenda (which shall include written clarifications, corrections and  
27 changes to the bid documents and other types of written notices issued prior to bid  
28 opening; 5) Project Specifications; 6) Project Plans (including drawings); 7) the

1 City of Long Beach Standard Plans; 8) Standard Specifications (as identified in  
2 Section 3.A. hereof, the "Greenbook"); 9) other reference specifications; 10)  
3 other reference plans; 11) the bid; and 12) the Notice Inviting Bids.

4 4. TIME FOR CONTRACT. Contractor shall commence work on a date  
5 to be specified in a written "Notice to Proceed" from City and shall complete all work  
6 within sixty (60) working days thereafter, subject to strikes, lockouts and events beyond  
7 the control of Contractor. Time is of the essence hereunder. City will suffer damage if  
8 the work is not completed within the time stated, but those damages would be difficult or  
9 impractical to determine. So, Contractor shall pay to City, as liquidated damages, the  
10 amount stated in the Contract Documents.

11 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The  
12 acceptance of any work or the payment of any money by City shall not operate as a  
13 waiver of any provision of any Contract Document, of any power reserved to City, or of  
14 any right to damages or indemnity hereunder. The waiver of any breach or any default  
15 hereunder shall not be deemed a waiver of any other or subsequent breach or default.

16 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently  
17 herewith, Contractor shall submit certification of Workers' Compensation coverage in  
18 accordance with California Labor Code Sections 1860 and 3700, a copy of which is  
19 attached hereto as Exhibit "B".

20 7. CLAIMS FOR EXTRA WORK. No claim shall be made at any time  
21 upon City by Contractor for and on account of any extra or additional work performed or  
22 materials furnished, unless such extra or additional work or materials shall have been  
23 expressly required by the City Manager and the quantities and price thereof shall have  
24 been first agreed upon, in writing, by the parties hereto.

25 8. CLAIMS. Contractor shall, upon completion of the work, deliver  
26 possession thereof to City ready for use and free and discharged from all claims for labor  
27 and materials in doing the work and shall assume and be responsible for, and shall  
28 protect, defend, indemnify and hold harmless City from and against any and all claims,

1 demands, causes of action, liability, loss, costs or expenses for injuries to or death of  
2 persons, or damages to property, including property of City, which arises from or is  
3 connected with the performance of the work.

4 9. INSURANCE. Prior to commencement of work, and as a condition  
5 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence  
6 of all insurance required in the Contract Documents.

7 In addition, Contractor shall complete and deliver to City the form  
8 ("Information Sheet") attached as Exhibit "C" and incorporated by reference, to comply  
9 with Labor Code Section 2810.

10 10. WORK DAY. Contractor shall comply with Sections 1810 through  
11 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a  
12 penalty to City, the sum of Twenty-five Dollars (\$25) for each worker employed by  
13 Contractor or any subcontractor for each calendar day such worker is required or  
14 permitted to work more than eight (8) hours unless that worker receives compensation in  
15 accordance with Section 1815.

16 11. PREVAILING WAGE RATES. Contractor is directed to the  
17 prevailing wage rates. Contractor shall forfeit, as a penalty to the City, Fifty Dollars (\$50)  
18 for each laborer, worker or mechanic employed for each calendar day, or portion thereof,  
19 that such laborer, worker or mechanic is paid less than the prevailing wage rates for any  
20 work done by Contractor, or any subcontractor, under this Contract.

21 12. COORDINATION WITH GOVERNMENTAL REGULATIONS.

22 A. If the work is terminated pursuant to an order of any Federal  
23 or State authority, Contractor shall accept as full and complete compensation  
24 under this Contract such amount of money as will equal the product of multiplying  
25 the Contract price stated herein by the percentage of work completed by  
26 Contractor as of the date of such termination, and for which Contractor has not  
27 been paid. If the work is so terminated, the City Engineer, after consultation with  
28 Contractor, shall determine the percentage of work completed and the

determination of the City Engineer shall be final.

B. If Contractor is prevented, in any manner, from strict compliance with the Plans and Specifications due to any Federal or State law, rule or regulation, in addition to all other rights and remedies reserved to the parties City may by resolution of the City Council suspend performance hereunder until the cause of disability is removed, extend the time for performance, make changes in the character of the work or materials, or terminate this Contract without liability to either party.

13. NOTICES.

A. Any notice required hereunder shall be in writing and personally delivered or deposited in the U.S. Postal Service, first class, postage prepaid, to Contractor at the address first stated herein, and to the City at 333 West Ocean Boulevard, Long Beach, California 90802, Attn: City Manager. Notice of change of address shall be given in the same manner as stated herein for other notices. Notice shall be deemed given on the date deposited in the mail or on the date personal delivery is made, whichever first occurs.

B. Except for stop notices and claims made under the Labor Code, City will notify Contractor when City receives any third party claims relating to this Contract in accordance with Section 9201 of the Public Contract Code.

14. BONDS. Contractor shall, simultaneously with the execution of this Contract, execute and deliver to City a good and sufficient corporate surety bond, in the form attached hereto and in the amount specified therein, conditioned upon the faithful performance of this Contract by Contractor, and a good and sufficient corporate surety bond, in the form attached hereto and in the amount specified therein, conditioned upon the payment of all labor and material claims incurred in connection with this Contract.

15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor any of the moneys that may become due Contractor hereunder may be assigned by Contractor without the written consent of City first had and obtained, nor will City

1 recognize any subcontractor as such, and all persons engaged in the work of  
2 construction will be considered as independent contractors or agents of Contractor and  
3 will be held directly responsible to Contractor.

4 16. CERTIFIED PAYROLL RECORDS.

5 A. Contractor shall keep and shall cause each subcontractor  
6 performing any portion of the work under this Contract to keep an accurate payroll  
7 record, showing the name, address, social security number, work classification,  
8 straight time and overtime hours worked each day and week, and the actual per  
9 diem wages paid to each journeyman, apprentice, worker, or other employee  
10 employed by Contractor or subcontractor in connection with the work, all in  
11 accordance with Division 2, Part 7, Article 2 of the California Labor Code. Such  
12 payroll records for Contractor and all subcontractors shall be certified and shall be  
13 available for inspection at all reasonable hours at the principal office of Contractor  
14 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure  
15 to furnish such records to City in the manner provided herein for notices shall  
16 entitle City to withhold the penalty prescribed by law from progress payments due  
17 to Contractor.

18 B. Upon completion of the work, Contractor shall submit to the  
19 City certified payroll records for Contractor and all subcontractors performing any  
20 portion of the work under this Contract. Certified payroll records for Contractor  
21 and all subcontractors shall be maintained during the course of the work and shall  
22 be kept by Contractor for up to three (3) years after completion of the work.

23 C. The foregoing is in addition to, and not in lieu of, any other  
24 requirements or obligations established and imposed by any department of the  
25 City with regard to submission and retention of certified payroll records for  
26 Contractor and subcontractors.

27 17. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to  
28 the contrary in the Standard Specifications, Contractor shall have the responsibility, care

1 and custody of the work. If any loss or damage occurs to the work that is not covered by  
2 collectible commercial insurance, excluding loss or damage caused by earthquake or  
3 flood or the negligence or willful misconduct of City, then Contractor shall immediately  
4 make the City whole for any such loss or pay for any damage. If Contractor fails or  
5 refuses to make the City whole or pay, then City may do so and the cost and expense of  
6 doing so shall be deducted from the amount due Contractor from City hereunder.

7 18. CONTINUATION. Termination or expiration of this Contract shall not  
8 terminate the rights or liabilities of either party which rights or liabilities accrued or existed  
9 prior to termination or expiration of this Contract.

10 19. TAXES AND TAX REPORTING.

11 A. As required by federal and state law, City is obligated to and  
12 will report the payment of compensation to Contractor on Form 1099-Misc.  
13 Contractor shall be solely responsible for payment of all federal and state taxes  
14 resulting from payments under this Contract. Contractor shall submit Contractor's  
15 Employer Identification Number (EIN), or Contractor's Social Security Number if  
16 Contractor does not have an EIN, in writing to City's Accounts Payable,  
17 Department of Financial Management. Contractor acknowledges and agrees that  
18 City has no obligation to pay Contractor until Contractor provides one of these  
19 numbers.

20 B. Contractor shall cooperate with City in all matters relating to  
21 taxation and the collection of taxes, particularly with respect to the self-accrual of  
22 use tax. Contractor shall cooperate as follows: (i) for all leases and purchases of  
23 materials, equipment, supplies, or other tangible personal property totaling over  
24 \$100,000 shipped from outside California, a qualified Contractor shall complete  
25 and submit to the appropriate governmental entity the form in Appendix "A"  
26 attached hereto; and (ii) for construction contracts and subcontracts totaling  
27 \$5,000,000 or more, Contractor shall obtain a sub-permit from the California Board  
28 of Equalization for the Work site. "Qualified" means that the Contractor purchased

1 at least \$500,000 in tangible personal property that was subject to sales or use tax  
2 in the previous calendar year.

3 C. Contractor shall create and operate a buying company, as  
4 defined in State of California Board of Equalization Regulation 1699, subpart (h),  
5 in City if Contractor will purchase over \$10,000 in tangible personal property  
6 subject to California sales and use tax.

7 D. In completing the form and obtaining the permit(s), Contractor  
8 shall use the address of the Work site as its business address and may use any  
9 address for its mailing address. Copies of the form and permit(s) shall also be  
10 delivered to the City Engineer. The form must be submitted and the permit(s)  
11 obtained as soon as Contractor receives a Notice to Proceed. Contractor shall not  
12 order any materials or equipment over \$100,000 from vendors outside California  
13 until the form is submitted and the permit(s) obtained and, if Contractor does so, it  
14 shall be a material breach of this Contract. In addition, Contractor shall make all  
15 purchases from the Long Beach sales office of its vendors if those vendors have a  
16 Long Beach office and all purchases made by Contractor under this Contract  
17 which are subject to use tax of \$500,000 or more shall be allocated to the City of  
18 Long Beach. Contractor shall require the same cooperation with City, with regards  
19 to subsections B, C and D under this section (including forms and permits), from  
20 its subcontractors and any other subcontractors who work directly or indirectly  
21 under the overall authority of this Contract.

22 E. Contractor shall not be entitled to and by signing this Contract  
23 waives any claim or damages for delay against City if Contractor does not timely  
24 submit these forms to the appropriate governmental entity. Contractor may  
25 contact the City Controller at (562) 570-6450 for assistance with the form.

26 20. ADVERTISING. Contractor shall not use the name of City, its  
27 officials or employees in any advertising or solicitation for business, nor as a reference,  
28 without the prior approval of the City Manager, City Engineer or designee.

1           21.    AUDIT. If payment of any part of the consideration for this Contract  
2 is made with federal, state or county funds and a condition to the use of those funds by  
3 City is a requirement that City render an accounting or otherwise account for said funds,  
4 then City shall have the right at all reasonable times to examine, audit, inspect, review,  
5 extract information from, and copy all books, records, accounts and other information  
6 relating to this Contract.

7           22.    NO PECULIAR RISK. Contractor acknowledges and agrees that the  
8 work to be performed hereunder does not constitute a peculiar risk of bodily harm and  
9 that no special precautions are required to perform said work.

10          23.    THIRD PARTY BENEFICIARY. This Contract is intended by the  
11 parties to benefit themselves only and is not in any way intended or designed to or  
12 entered for the purpose of creating any benefit or right of any kind for any person or entity  
13 that is not a party to this Contract.

14          24.    SUBCONTRACTORS. Contractor agrees to and shall bind every  
15 subcontractor to the terms of this Contract; provided, however, that nothing herein shall  
16 create any obligation on the part of City to pay any subcontractor except in accordance  
17 with a court order in an action to foreclose a stop notice. Failure of Contractor to comply  
18 with this Section shall be deemed a material breach of this Contract. A list of  
19 subcontractor(s) submitted by Contractor in compliance with Public Contract Code  
20 Sections 4100 et seq. is attached hereto as Exhibit "D" and incorporated herein by this  
21 reference.

22          25.    NO DUTY TO INSPECT. No language in this Contract shall create  
23 and City shall not have any duty to inspect, correct, warn of or investigate any condition  
24 arising from Contractor's work hereunder, or to insure compliance with laws, rules or  
25 regulations relating to said work. If City does inspect or investigate, the results thereof  
26 shall not be deemed compliance with or a waiver of any requirements of the Contract  
27 Documents.

28          26.    GOVERNING LAW. This Contract shall be governed by and

1 construed pursuant to the laws of the State of California (except those provisions of  
2 California law pertaining to conflicts of laws).

3 27. INTEGRATION. This Contract, including the Contract Documents  
4 identified in Section 3 hereof, constitutes the entire understanding between the parties  
5 and supersedes all other agreements, oral or written, with respect to the subject matter  
6 herein.

7 28. COSTS. If there is any legal proceeding between the parties to  
8 enforce or interpret this Contract or to protect or establish any rights or remedies  
9 hereunder, the prevailing party shall be entitled to its costs, including reasonable  
10 attorney's fees.

11 29. NONDISCRIMINATION. In connection with performance of this  
12 Contract and subject to federal laws, rules and regulations, Contractor shall not  
13 discriminate in employment or in the performance of this Contract on the basis of race,  
14 religion, national origin, color, age, sex, sexual orientation, gender identity, AIDS, HIV  
15 status, handicap or disability. It is the policy of the City to encourage the participation of  
16 Disadvantaged, Minority and Women-Owned Business Enterprises, and the City  
17 encourages Contractor to use its best efforts to carry out this policy in the award of all  
18 subcontracts.

19 30. EQUAL BENEFITS ORDINANCE. Unless otherwise exempted in  
20 accordance with the provisions of the Ordinance, this Contract is subject to the applicable  
21 provisions of the Equal Benefits Ordinance ("EBO"), section 2.73 et seq. of the Long  
22 Beach Municipal Code, as amended from time to time.

23 A. During the performance of this Contract, the Contractor  
24 certifies and represents that the Contractor will comply with the EBO. The  
25 Contractor agrees to post the following statement in conspicuous places at its  
26 place of business available to employees and applicants for employment:

27 "During the performance of a Contract with the City of Long Beach,  
28 the Contractor will provide equal benefits to employees with spouses and its

1 employees with domestic partners. Additional information about the City of  
2 Long Beach's Equal Benefits Ordinance may be obtained from the City of  
3 Long Beach Business Services Division at 562-570-6200."

4 B. The failure of the Contractor to comply with the EBO will be  
5 deemed to be a material breach of the Contract by the City.

6 C. If the Contractor fails to comply with the EBO, the City may  
7 cancel, terminate or suspend the Contract, in whole or in part, and monies due or  
8 to become due under the Contract may be retained by the City. The City may also  
9 pursue any and all other remedies at law or in equity for any breach.

10 D. Failure to comply with the EBO may be used as evidence  
11 against the Contractor in actions taken pursuant to the provisions of Long Beach  
12 Municipal Code 2.93 et seq., Contractor Responsibility.

13 E. If the City determines that the Contractor has set up or used  
14 its contracting entity for the purpose of evading the intent of the EBO, the City may  
15 terminate the Contract on behalf of the City. Violation of this provision may be  
16 used as evidence against the Contractor in actions taken pursuant to the  
17 provisions of Long Beach Municipal Code section 2.93 et seq., Contractor  
18 Responsibility.

19 31. DEFAULT. Default shall include but not be limited to Contractor's  
20 failure to perform in accordance with the Plans and Specifications, failure to comply with  
21 any Contract Document, failure to pay any penalties, fines or charges assessed against  
22 Contractor by any public agency, failure to pay any charges or fees for services  
23 performed by the City, and if Contractor has substituted any security in lieu of retention,  
24 then default shall also include City's receipt of a stop notice. If default occurs and  
25 Contractor has substituted any security in lieu of retention, then in addition to City's other  
26 legal remedies, City shall have the right to draw on the security in accordance with Public  
27 Contract Code Section 22300 and without further notice to Contractor. If default occurs  
28 and Contractor has not substituted any security in lieu of retention, then City shall have

1 all legal remedies available to it.

2 IN WITNESS WHEREOF, the parties have caused this document to be duly  
3 executed with all formalities required by law as of the date first stated above.
