

## REGULATING MEDICAL MARIJUANA COLLECTIVES IN LONG BEACH

Long Beach Collective Association

Proposal for Safe Access  
2014

# **Dedicated to the Memory of Emjameo “Remo” Williams**

A young Long Beach resident who lost  
his valiant fight this week against  
Non-Hodgkins Lymphoma...

# **Dedicated to the Memory of Emjameo “Remo” Williams**

A young Long Beach resident who lost  
his valiant fight this week against  
Non-Hodgkins Lymphoma...  
...and had no legal access to medicinal cannabis to ease his suffering  
since August, 2012.

# Introduction

- **Balance:** The Long Beach Collective Association (LBCA) is an advocacy group comprised of local medical cannabis advocates who strive for balancing reasonable patient access to crucially needed medicine under state law w/ the City's legitimate public policy concerns.

# Introduction

- **Balance:** The Long Beach Collective Association (LBCA) is an advocacy group comprised of local medical cannabis advocates who strive for balancing reasonable patient access to crucially needed medicine under state law w/ the City's legitimate public policy concerns.
- **Regulation & Taxation As a Path to Legitimacy:** The LBCA has taken the lead in advocating for, and supporting, a regulatory and taxation scheme that will replace the current ban (and resultant underground market) with a legitimate business-oriented model for cultivating and distributing medicinal cannabis in the City of Long Beach.

# Regulation Summary Overview

## 1. Council's Directive for New Ordinance
