## RECOMMENDATION:

Approve a Resolution amending and restating the rules and procedures for the Planning Commission. (Citywide)

## DISCUSSION

On April 3, 2014 and May 1, 2014, the Planning Commission held two separate study sessions to review the existing rules and procedures related to the duties of the Planning Commission. Based on the ensuing discussions and comments provided by the members of the Planning Commission, staff worked with the Office of the City Attorney to update and revise the rules and procedures governing the conduct of all business before the Planning Commission. The revised rules and procedures are attached (Exhibit A - Rules and Procedures for the Planning Commission).

## ENVIRONMENTAL REVIEW

The proposed action is not considered a "project" under the California Environmental Quality Act, (CEQA); therefore, no CEQA review is required.

Respectfully submitted,
