HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Receive the supporting documentation into the record, conclude the hearing and grant an Entertainment Permit with conditions on the application of Enaid's Way, Inc., DBA Miko's Sports Lounge, 710 West Willow Street, for entertainment with dancing by patrons and performers. (District 7)

DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before an entertainment permit is granted or denied.

The LBMC also requires that the City Council shall approve the issuance of the entertainment permit if they find that: the issuance of the permit at the proposed location is consistent with federal, state and local laws, rules, and regulations; it will not constitute an undue burden on the neighborhood; the applicant(s) or responsible persons have not been convicted of any misdemeanor involving moral turpitude or felony offense within the past five years; and, neither the applicant(s) or any responsible persons have a history of committing significant violations of the City code and have not provided false or misleading information on their application.

The City Council has the authority to approve the following options: 1) grant the Permit, with or without conditions; or 2) deny the Permit on the application. Once the Permit is granted, pursuant to LBMC 5.72.120.5, the Permit will be subject to an administrative review by the Department of Financial Management every two years. This review process will consist of a multi-department analysis to determine compliance and identify if issues exist. This provision does not affect the City's ability to modify, revoke or suspend a permit at any time.

City departments have conducted their investigations in accordance with the LBMC. Attached for your review are the departmental investigative reports, history, entertainment permit application and floor plan. To review all supportive documents, as well as the documents included in this report, you may visit www.longbeach.gov/finance/business_relations/entertainment.asp.

The following summarizes departmental findings:

- The Police Department recommends that the permit for entertainment with dancing by patrons and performers be approved subject to the conditions.
- The Fire Department finds that the building/location meets department requirements for the proposed use.
- The Health and Human Services Department finds that the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- The Development Services Department finds that the building/location meets department requirements for the proposed use.

The Department of Financial Management, Business Services Bureau, has reviewed all submitted department documents and correspondence and, after a thorough investigative process, recommends that the permit for entertainment with dancing by patrons and performers be approved subject to conditions (attached).

In the event that any of the recommended conditions are in conflict with other permits or licenses, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as a bar/tavern/lounge business category since March 2007.

This matter was reviewed by Deputy City Attorney Amy R. Webber on February 19, 2015.

TIMING CONSIDERATIONS

The hearing date of March 10, 2015, has been posted on the business location, with the applicant and property owners within 300 feet notified by mail.

FISCAL IMPACT

The following fees were collected with the application: Building Review \$22 and Zoning Review \$16 (Development Services), Police Investigation \$1,240 (Police Department), and Mailing List \$90 (Financial Management Department).

The following fees will be collected if the application is approved: Business License \$340.95 and Regulatory \$1,035 (Financial Management Department).

I. STANDARD CONDITIONS OF OPERATION

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Patrons awaiting entry in a defined queue shall be counted toward the calculation of required security staffing levels.

The attire of each security guard shall clearly indicate the guard's affiliation with the establishment by means of a pin, shirt, or other visible form of identification. Should the permittee's operations give rise to a substantial increase in complaint/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.

- 8) The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times while open for business. This should be done by use of security guards and signage indicating words to the effect of, "Please respect our neighbors" or something similar.
- 9) At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles, and not loiter in the front of the establishment, the parking lot or the immediate area.
- 10) The permittee agrees to reimburse the City for all costs associated with excessive police services, as determined by the Chief of Police, required as the result of any incident or nuisance arising out of or in connection with the permittee's operations.
- 11) Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time and provide that information to public safety personnel upon request. (LBMC section 18.48.320).
- 12) Any graffiti painted or marked upon the premises, or on any adjacent area under the control of the licensee, shall be removed or painted over within 24 hours of being applied.

- 14) The permittee must provide all promoters, independent contractors, and dancers, hired to conduct entertainment activities with a copy of the approved permit, which shall include a copy of the approved conditions of operation. The permittee shall not hire promoters with the intent to advertise/promote or hold any entertainment activities consistent with nightclub entertainment.

- 15) The business, or agents, shall not distribute any advertising matter such as signs, posters, or promotional cards, in or upon any public property, or in or on any vehicle in any such place in the City. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter.
- 16) If the permittee utilizes an independent third party event promoter to provide entertainment related services resulting in any public safety call for service, the City reserves the right to remove and/or restrict the use of independent third party promoters.
- 17) The permittee shall maintain full compliance with all applicable laws, ordinances, and stated conditions. In the event of a conflict between the requirements for this permit, and your Alcoholic Beverage Control (ABC) license, the more stringent regulation shall apply.
- 18) The permittee shall ensure that all employees attend an alcohol awareness class such as TIPS or LEAD, within the first ninety (90) days of employment. The permittee shall keep employee's proof of completion on file and available for inspection at any time.
- 19) The permittee shall install and maintain a video surveillance system that monitors no less than the front and rear of the business with full view of the public right-of-ways and any parking lot under the control of the permittee. The video system must be capable of delineating on playback the activity and physical features of persona and areas within the premises. Recordings shall be retained for a minimum of 30 days and be accessible via the Internet by the Long Beach Police Department. A Public Internet Protocol (IP) address and user name/password is also required to allow the Long Beach Police Department to view live and recorded video from these cameras over the internet. All video security cameras shall be installed to the satisfaction of the Chief of Police, Director of Technology Services, and Director of Development Services. At the discretion of the Chief of Police, the permittee may be required to add additional video cameras.

- 1) Entertainment activities indicated on page 7 of your entertainment application **shall be restricted to no later than 10:00 P.M. seven (7) days a week.**
- 2) Patrons awaiting entry in a defined "queue" shall be restricted to Willow Street **and the line must extend west of the business.** There shall be no "queue" allowed after 9:00 PM seven days a week. All persons gathering outside after the allowed hours shall be considered to be loitering. The public right of way (sidewalk) shall not be blocked at any time.
- 3) No owner, operator, or manager shall permit any person under the age of twenty-one (21) years within the premises, at any time, during the hours of operation.

- 4) The permittee shall not advertise, procure, nor allow any person, performance, show, wet t-shirt contest, or any other event or entertainment that exposes or promotes, encourages, or allows the exposure of the male or female genitals, cleft of the buttocks, the areola or any portion of the female breast below the areola, while at or inside the business.
- 5) In addition to the above security requirements, the permittee shall staff one (1) security guard in the parking lot between the hours of 7:00 PM and ½ hour after closing. The security guard shall ensure that patrons do not loiter in the parking lot or the immediate area.

The permittee shall also ensure that the patrons enter and leave the parking lot in a peaceful manner so as not to disturb any neighboring residents who live nearby. The Chief of Police may modify this condition, based on calls-for-service related to problems in the parking lot.

- 6) The permittee shall be responsible for any and all activities conducted on the property. The permittee shall understand that excessive police services may result in the revocation of the business licenses and/or permits.

Miko's Sports Lounge is located in a commercial store front on the south side of Willow Street in between Oregon Avenue and Maine Avenue. This establishment was vacant for approximately one year before Miko's Sports Lounge took over ownership in December 2013. The corporation, Enaid's Way, currently holds a valid Type 48 (On-Sale General Public Premise) Alcoholic Beverage Control license. On September 23, 2014, the Police Department received an Entertainment with Dancing Permit application for Miko's Sports Lounge requesting dancing by patrons and performers, live music by more than two performers, live and recorded amplified music, a disc jockey, and karaoke. They requested to provide entertainment until 12:00 AM (midnight) Sunday through Thursday, and until 1:30 AM on Friday and Saturday.

Based upon the crime analysis, Vice Section's investigation, resident contacts, and the West Division Patrol Commander's recommendation, the Long Beach Police Department has determined the public's peace, safety, and welfare would not be adversely impacted by the issuance of this permit provided the appropriate conditions are imposed and observed by the applicant. The Police Department recommends approval of an Entertainment with Dancing Permit.

CONDITIONS OF OPERATION

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.
