Subject: **Medical Cannabis Task Force Immediate Agenda Item suggestion**

This item was brought to my attention by a concerned citizen.

I agree there should be some discussion on this topic as we only have a limited number of meetings scheduled. Our agenda is detail oriented and all members should be present to discuss the issues before us.

Ground rules for Task Members (Immediate Agenda Item)

Missed meetings and Voting

Does Roberts Rules of Order cover this?

How many meetings can a member miss before removal from the task force?

Must a member recuse themselves from any potential vote if they were not present for discussion?
