Subject: The proposed subdivision of parcel map no.62368 into two lots for

Residential Development

Location: 3829 Maine avenue

Applicant: Ruben and Sylvia Padilla

Dear neighbor:

I am writing on behalf of my self and family to ask for your support we are trying to achieve a goal the construction of our own home.

Our land is big enough to be divided in two lots and we have 13700square feet of land aveilable We would like the opportunity to build our future home in the back with the entrance facing baker st, also by me building I will put in a new curb and sidewalk for our neighbors to walk on and for the safety of children.

We need a sidewalk were theirs not one in the back. Another thing that a home in the back will provide more awareness for the neighborhood watch program as the people in our street know we had some griffity problems and some illegal dummping of trash in the back were there is no one looking.

A nice designed single family home and a small community park across for our neighborhood children will help Wrigley Hights Community improve

Please Support Our Family by agreeing to the above plan and by given us your signature

YOUR HELP IS DEEPLY APPRECIATED THANK YOU VERY MUCH FOR YOU SUPPORT
