LBT's CAFR was judged by an impartial panel to meet the high standards of the program including demonstrating a constructive "spirit of full disclosure" in clearly communicating its financial story and motivating potential users and user groups to read the CAFR.

LBT is honored and proud to be acknowledged this year by GFOA for excellent financial reporting. This represents the 26th year LBT has received this noteworthy award.

The following staff members made significant contributions to this year's CAFR:

This award is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment.
