**Date:** April 24, 2007  
**To:** Pamela Wilson-Horgan, Manager, Commercial Services Bureau  
**From:** Anthony W. Batts, Chief of Police  
**Subject:** **APPLICATION FOR ENTERTAINMENT WITH DANCING AT THE GASLAMP RESTAURANT AND BAR - 6251 EAST PACIFIC COAST HIGHWAY**

---

In response to your request for a recommendation regarding the above named permit application for Entertainment With Dancing, the Police Department recommends **approval** of a **One-Year Short-Term** permit, subject to the following sixteen (16) conditions of operation:

Because of strong public concern from residents within 100 feet, the Vice Investigations Section feels that a one-year short-term permit, with specific conditions to address documented problems, would better serve the community. After a year of operation with the below conditions, a new application may be submitted for evaluation.

The Gaslamp currently holds an Entertainment Permit without Dancing. Under their existing permit they are allowed to have Entertainment until 1:00 a.m. each night of the week. Vice Detectives believe that with the approval of this application and recommended conditions, existing community concerns will be mitigated.

**CONDITIONS OF OPERATION**

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval. In the event that the restaurant ceases operations, the entertainment permit becomes null and void.
- 2) Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 5.72.115(B) LBMC shall be conducted on the permitted premises.
- 3) Entertainment activities indicated on page #7 of your **entertainment application shall be restricted to no later than 10 p.m. Sunday through Wednesday nights, and 12:30 a.m., Thursday through Saturday nights.**

- 4) Due to the proximity of residences, all door(s) and windows shall be kept closed at all times during any musical entertainment, except in cases of emergency and to permit deliveries. Said door(s) is not to consist solely of a screen or ventilated security door. **Sound shall not be audible within fifty feet (50') from the exterior of the premises in any direction.**
- 5) Patrons under twenty-one (21) years of age shall not be permitted to enter nor to remain on the premises after the restaurant (food services) portion of the establishment has closed. Private functions not open to the public are exempt from this condition.
- 6) The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of 10 p.m. and 7 a.m.
- 7) There shall be no "queue" allowed after 9 p.m. Sunday through Wednesday nights, and 11 p.m. Thursday through Saturday nights. Queue is defined as persons awaiting entry after the business is at capacity.
- 8) The permittee shall provide a minimum of one (1) uniformed security guard during all times that the entertainment activities are being conducted for crowds up to fifty people. For crowds over fifty people the permittee shall provide a minimum of one (1) additional uniformed security guard per fifty (50) people. Patrons awaiting entry in a defined queue shall be counted toward the calculation of required security staffing levels.

Security guards must be identifiable as "Gaslamp employees." Should the permittee's operations give rise to a substantial increase in complaint/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.

- 9) In addition to the above security requirements, the permittee shall staff three (3) "parking lot attendants" between the hours of 10 p.m. and ½ hour after closing. Parking lot attendants shall ensure that patrons do not loiter in the parking lot or the immediate area. They shall also ensure the patrons enter and leave the parking lot in a peaceful manner as not to disturb any nearby residents. Parking lot attendants must be identifiable as "Gaslamp employees." The Chief of Police may increase or relax this condition, based on calls for service related to problems in the parking lot.
- 10) The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times while open for business. This should be done by use of security guards and signage indicating, words to the effect of, "Please respect our neighbors."

- 11) Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time and provide that information to public safety personnel upon request. (LBMC section 18.48.320)
- 12) The permittee agrees to reimburse the City whenever excessive police services, as determined by the Chief of Police, are required as the result of any incident or nuisance arising out of or in connection with the permittee's operations.
- 13) The quarterly gross sales of alcoholic beverages shall not exceed the gross sales of food during the same period. The permittee shall keep separate records that reflect the sales of food, and alcohol. These records shall be kept for a minimum of 2 years and shall be made available to the City upon demand.
- 14) The Gaslamp, its promoters, or agents, shall not distribute any advertising matter, such as signs, posters, or promotional cards, in or upon any public property, or in or on any vehicle in any such place in the City. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter. The permittee shall keep all promoter contracts, including names, addresses and phone numbers, on file at all times, and must be available for inspection at anytime.
- 15) The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances and stated conditions. In the event of a conflict between the requirements of this permit, your conditional use permit, or your Alcoholic Beverage Control license, the more stringent regulation shall apply.
- 16) The permittee, shall, within ninety (90) days of an approved entertainment permit, submit proof of attending the LEAD program offered by the Department of Alcoholic Beverage Control. In the event that the LEAD program class is not offered within this ninety day period, the permittee shall attend the next available class. Proof of completion shall be submitted to the Long Beach Police Department Vice Investigations Section.
