Dear Council:

I am writing to urge you to support the request from the Gaslamp LLC for a permit to allow dancing and vote to approve it.

I have personally attended the Gaslamp for community fundraisers and family dinners for special occasions. The food is excellent and the owners and staff are incredibly professional and welcoming.

As you know the Gaslamp has a huge stage which is used for many community ceremonies, music recitals and special events. I was lucky to attend the fundraiser and ceremony that the Gaslamp hosted for Interval House last December. That event provided a beautiful setting and joyous activities and gifts for the residents with children. The owners of the Gaslamp continuously invite many non-profit, community based organizations to enjoy the spacious restaurant and its amenities.

If you would vote to allow the Gaslamp to have a permit to allow dancing, it would open up more possibilities for community events, dance lessons, retirement galas and such for the residents of Long Beach and surrounding area.

Respectfully requested,

Willa Heart
MAOM
