HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Receive the supporting documentation into the record, conclude the hearing and grant the Permit, with or without conditions, or deny the Permit on the application of The Gaslamp LLC, DBA Gaslamp Restaurant & Bar, 6251 E. Pacific Coast Highway, for a Permit for Entertainment With Dancing by patrons at an existing restaurant. (District 3)

DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before a license or permit is granted or denied.

The LBMC also requires that the City Council make a determination that the application is complete and truthful; the applicant, the person interested in the ownership and operation of the entity, and the officers and trustees of the entity are law-abiding persons who will operate and conduct the business activity in a lawful manner; and, that the public peace, welfare, and safety will not be impaired. If this is so, the application shall be approved; if not, it shall be denied.

Attached for your review is the application from The Gaslamp LLC, DBA The Gaslamp Restaurant & Bar. Also attached are reports from various departments and a summary of those reports, as well as the license history of the establishment.

City departments have conducted their investigation in accordance with the LBMC. The following summarizes their findings:

- The Police Department recommends that the permit for entertainment with dancing by patrons be approved as a one-year short-term permit with conditions.
- The Fire Department recommends that the permit for entertainment with dancing by patrons be approved with conditions.

- The Health and Human Services Department finds that the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- The Planning and Building Department recommends that the permit for entertainment with dancing by patrons be approved.

In the event that any of the recommended conditions attached to any permit or licenses are in conflict, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as a restaurant since August 2004.

TIMING CONSIDERATIONS

The hearing date of June 12, 2007, has been posted on the business location, with the applicant and property owners within 300 feet notified by mail. The Gaslamp LLC, DBA The Gaslamp Restaurant & Bar is operating on a temporary permit that expires on July 6, 2007.

This matter was reviewed by Deputy City Attorney Cristyl Meyers on May 31, 2007.

FISCAL IMPACT

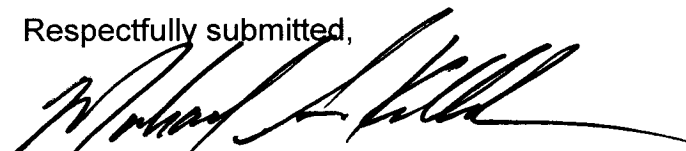

The following fees were collected with the application: Building Inspection \$290 and Zoning Review \$14 (Planning and Building Department), Police Investigation \$1,000 (Police Department), Temporary Permit \$300, Labels \$90 (Financial Management Department), and Health/Noise Control \$94 (Health and Human Services Department).

The following fees will be collected if the application is approved: Business License \$287.63 and Regulatory \$825 (Financial Management Department).

SUGGESTED ACTION:

Approve with or without conditions, or deny.

Respectfully submitted,

MICHAEL A. KILLEBREW
DIRECTOR OF FINANCIAL MANAGEMENT

Subject: **APPLICATION FOR ENTERTAINMENT WITH DANCING AT THE GASLAMP RESTAURANT AND BAR - 6251 EAST PACIFIC COAST HIGHWAY**

In response to your request for a recommendation regarding the above named permit application for Entertainment With Dancing, the Police Department recommends **approval** of a **One-Year Short-Term** permit, subject to the following sixteen (16) conditions of operation:

Because of strong public concern from residents within 100 feet, the Vice Investigations Section feels that a one-year short-term permit, with specific conditions to address documented problems, would better serve the community. After a year of operation with the below conditions, a new application may be submitted for evaluation.

The Gaslamp currently holds an Entertainment Permit without Dancing. Under their existing permit they are allowed to have Entertainment until 1:00 a.m. each night of the week. Vice Detectives believe that with the approval of this application and recommended conditions, existing community concerns will be mitigated.

CONDITIONS OF OPERATION

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval. In the event that the restaurant ceases operations, the entertainment permit becomes null and void.
- 2) Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 5.72.115(B) LBMC shall be conducted on the permitted premises.
- 3) Entertainment activities indicated on page #7 of your **entertainment** application **shall be restricted to no later than 10 p.m. Sunday through Wednesday nights, and 12:30 a.m., Thursday through Saturday nights.**

- 4) Due to the proximity of residences, all door(s) and windows shall be kept closed at all times during any musical entertainment, except in cases of emergency and to permit deliveries. Said door(s) is not to consist solely of a screen or ventilated security door. **Sound shall not be audible within fifty feet (50') from the exterior of the premises in any direction.**
- 5) Patrons under twenty-one (21) years of age shall not be permitted to enter nor to remain on the premises after the restaurant (food services) portion of the establishment has closed. Private functions not open to the public are exempt from this condition.
- 6) The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of 10 p.m. and 7 a.m.
- 7) There shall be no "queue" allowed after 9 p.m. Sunday through Wednesday nights, and 11 p.m. Thursday through Saturday nights. Queue is defined as persons awaiting entry after the business is at capacity.
- 8) The permittee shall provide a minimum of one (1) uniformed security guard during all times that the entertainment activities are being conducted for crowds up to fifty people. For crowds over fifty people the permittee shall provide a minimum of one (1) additional uniformed security guard per fifty (50) people. Patrons awaiting entry in a defined queue shall be counted toward the calculation of required security staffing levels.

Security guards must be identifiable as "Gaslamp employees." Should the permittee's operations give rise to a substantial increase in complaint/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.

- 9) In addition to the above security requirements, the permittee shall staff three (3) "parking lot attendants" between the hours of 10 p.m. and ½ hour after closing. Parking lot attendants shall ensure that patrons do not loiter in the parking lot or the immediate area. They shall also ensure the patrons enter and leave the parking lot in a peaceful manner as not to disturb any nearby residents. Parking lot attendants must be identifiable as "Gaslamp employees." The Chief of Police may increase or relax this condition, based on calls for service related to problems in the parking lot.
- 10) The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times while open for business. This should be done by use of security guards and signage indicating, words to the effect of, "Please respect our neighbors."

- 11) Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time and provide that information to public safety personnel upon request. (LBMC section 18.48.320)
- 12) The permittee agrees to reimburse the City whenever excessive police services, as determined by the Chief of Police, are required as the result of any incident or nuisance arising out of or in connection with the permittee's operations.
- 13) The quarterly gross sales of alcoholic beverages shall not exceed the gross sales of food during the same period. The permittee shall keep separate records that reflect the sales of food, and alcohol. These records shall be kept for a minimum of 2 years and shall be made available to the City upon demand.
- 14) The Gaslamp, its promoters, or agents, shall not distribute any advertising matter, such as signs, posters, or promotional cards, in or upon any public property, or in or on any vehicle in any such place in the City. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter. The permittee shall keep all promoter contracts, including names, addresses and phone numbers, on file at all times, and must be available for inspection at anytime.
- 15) The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances and stated conditions. In the event of a conflict between the requirements of this permit, your conditional use permit, or your Alcoholic Beverage Control license, the more stringent regulation shall apply.
- 16) The permittee, shall, within ninety (90) days of an approved entertainment permit, submit proof of attending the LEAD program offered by the Department of Alcoholic Beverage Control. In the event that the LEAD program class is not offered within this ninety day period, the permittee shall attend the next available class. Proof of completion shall be submitted to the Long Beach Police Department Vice Investigations Section.

Subject: **APPLICATION FOR ENTERTAINMENT WITH DANCING AT THE GASLAMP RESTAURANT AND BAR – 6251 EAST PACIFIC COAST HIGHWAY**

In response to your request for a recommendation regarding the above named permit application for Entertainment With Dancing, the Fire Department recommends an "Entertainment with Dancing" permit may be issued to the Gaslamp LLC with the following conditions:

Plans shall be submitted to the Fire and Planning and Building Departments. These plans shall include, but not limited to:

- Proposed dance floor area, exits, furniture plan (fixed and moveable) and stage or platform for DJ, band, or electronic equipment (CFC 1001.3)
- Manual fire alarm system as required for an A-2.1 Occupancy (CFC 1006.2.2.1)

Gaslamp LLC must have a set of approved plans from both Departments within 60 days of this notice.

After receiving approved plans from both Planning and Building and the Fire Departments, Gaslamp LLC must make all necessary improvements as required within 60 days.

Gaslamp management will be subjected to random spot and after hours inspections and is responsible for maintaining posted occupant loads at or under the posted limit (297) using acceptable industry methods (hand counters). LBMC 18.48.320:

Occupant Count. The supervisor of each place of assembly shall have an effective system to keep count of the number of occupants present in the assembly area. If at any time, the Chief determines that an accurate count of occupants is not being maintained, the occupancy shall be cleared until an accurate count can be made.

This shall continue until all tenant improvements are completed as required by all approved plans or revocation of the "Entertainment with Dancing" permit.

WHALERS COVE

Home Owner's Association Board of Directors

To Councilmember Gary Delong,

On behalf of the homeowners and residents of Whaler's Cove, The Home Owner's Association Board of Directors expresses a deep concern about the current and future activities at the Gaslamp and it's impact on our community.

With the departure of Live Bait and the negative impact it had on the surrounding neighborhood, It was of great hope and expectation that the next establishment would consider the past issues of the previous business owners before moving into our Community. When the Gaslamp first opened their doors, it was promoted as a restaurant, and we all hoped and believed that it would become a positive dining addition to our neighborhood. Instead, it has become a very popular bar spot again for a much younger crowd on Friday and Saturday nights. So popular that the parking lot cannot contain the amount of patrons during those two night between the times of 8pm to 1:30am. The patrons are now parking along Loynes Dr., a street that has never been used for parking before the Gaslamp opened its doors. There have even been a few incidents where Gaslamp patrons have parked their cars within our gated community. In one particular instance, two young men followed one of the homeowners into our gated community so they could get to their car and leave. This type of action does not help nor create a sense of safety for the residents of Whalers Cove.

In addition, with so many patrons in the Gaslamp, the noise level coming from this establishment has dramatically increased. As a Community that resides directly across the street from the Gaslamp, the voices, laughter and music echo's throughout the night. The homeowners cannot do anything about this and are placed in a position to endure this intrusion to their peace and quiet. At the conclusion of these nights it is far to common that our homeowners are awakened by people leaving the Gaslamp screaming to one another and/or cars exiting the premises at a high rate of speed blaring music as they leave.

It is now of great concern that the Gaslamp is applying for a dance permit. Please consider the current impact the Gaslamp's popularity is having on our Community to date. These issues must be addressed and resolved first. To issue a dance permit to the Gaslamp will only insure that the rate of noise and disturbance to the surrounding community will only increase. We would like to support our local businesses, but at what cost to the surrounding residents and homeowners. With this in mind, the community of Whalers Cove formally requests that the Gaslamp does not receive the dance permit due to the current burden being placed on the surrounding community and the potential escalation of this problem if the Gaslamp where to turn into a nightclub.

We hope that this letter was helpful and has given you insight on the thoughts and wishes of homeowners and residents of Whaler's Cove.

Thank you for your time and consideration,
Whaler's Cove HOA

Bay Harbour Board of Directors

Councilmember DeLong,

The residents of the Belmont Shores Mobile Estates (BSME) mobilehome park hereby state their opposition to the application by the Gas Lamp night club for a permanent dance permit.

The Gas Lamp was originally licensed to be a family restaurant, closing at 10PM. This venue was acceptable to the residents of BSME immediately adjacent to the Gas Lamp. Unfortunately, it all too quickly became a night club. This change was very much not in the best interests of BSME residents, as evidenced by their great displeasure with a previous night club at the same location, the Live Bait.

The current night club venue has continuously produced unacceptable levels of noise and disturbances by patrons, many of whom appear to be under the influence of alcohol. Over the past two years, efforts to prevent the excessive noise and disturbances from the Gas Lamp have failed, and the problem has become progressively worse. Area residents are deprived of their right to the quiet enjoyment of their residences.

Therefore, the residents of BSME request that the Gas Lamp's application for a permanent dance permit be denied by the Long Beach City Council.

In addition, we ask that current City noise abatement/restriction ordinances be enforced at the Gas Lamp, and the City work with the CA Alcohol Control Board (ABC) to ensure the Gas Lamp's compliance with various restrictions related to its license.

Thank you for your consideration.

It is with much support I write this letter for the Gas Lamp in Long Beach.

I have been not only a very happy customer, but have worked with Alicia and Jennifer for the past two years in support of the positive image of their establishment.

I have been their primary “go-to” person for many special event-planning needs, which they have hosted. Some include my son’s birthday parties, and my college student’s last class meeting party, high school team parties, plus numerous other events sponsored by the Gas Lamp. Many of these events have been fund-raisers to support the wonderful organizations here in Long Beach. Alicia and Jen never say NO to anyone wanting their support for a local Long Beach charity.

Each and every time I have needed to consult with these two professional women one thing always was their priority...making their customers happy. Their attention to detail, concern for good food served in a safe environment is un-matched. Their friendly staff is one of the many things that make the Gas Lamp so very popular among their customers. MANY are return customers who bring all of their friends.

I plan to continue taking my family and friends there often and am planning Long Beach Poly’s 40th reunion there this summer with the Elm Street Band. It is a grand venue for many Long Beach events.

How wonderful to have this entertaining establishment in our city. They add so much to drawing many to our town.

Mr. Herrera

I am writing this email to endorse Gaslamp Restaurant in Long Beach as a bridge connecting the city vision with the local community. The best way I can echo this by repeating what Major Bob foster said **"Our blend of big city convenience with the friendly, relaxed atmosphere of an ocean side community is unmatched."** This is the feeling I get when I go to Gaslamp. I staff & manage hundreds of conventions, tradeshow and events at the Long Beach convention center and when clients are looking for a good place to go eat and enjoy the local community flavor, I always recommend Gaslamp above all. I have yet to get any complaints from my clients.

I have been working in special events through-out the nation in the last 12 yrs but dealing with the Long Beach community is truly a treat. Due to places like Gaslamp is why I am looking to buy a house in Long Beach this winter. I love Gaslamp's vision from hosting wine tastings, professional networking mixers, socials, weddings, fundraisers, special events promoting our community, etc, etc.

Working with different entities and government & city institutions in Long Beach, I feel Gaslamp is in line with our vision to make Long Beach the #1 destination in the nation. The Long Beach CVB motto "Long Beach after dark is a world like no other--filled with scintillating salsa, sultry jazz, classic rock n' roll and some of the leading sounds on the alternative scene. From Latin clubs to jazz and cigar lounges, Long Beach is the hotbed of grooves and tunes to light up the night. Whether you're downtown, in the East Village or in Belmont Shore, there's always a hot band, sizzling hangout or smokin' dance floor ready to show you the time of your life."

Mr. Herrera, as a respected professional in the City of Long Beach and soon to be a resident "again" in this city, I endorse Gaslamp Restaurant 100%.

I can be reached anytime on my cell phone if you wish sir.

Mr. Herrera,

I understand that The Gaslamp Restaurant is under evaluation for a change to their use permit. As a Long Beach resident and homeowner, I am writing to you to express my support for The Gaslamp Restaurant and the requested change. I've been a believer in The Gaslamp Restaurant since the two owners, Jennifer McDonald and Alicia Shelton, signed their lease. Since that day, The Gaslamp Restaurant has blossomed into an affluent eatery and entertainment venue catering to a diverse community of business leaders, professionals, seniors and young adults. Some prominent events I've noticed at The Gaslamp include, countless charity fundraisers benefiting public services, weddings, birthdays, wine tastings and varying complimentary entertainment shows, all of which were successfully managed with professional aptitude.

Since the restaurant's opening, I have been amazed with the exemplary care and concern that Alica Shelton and Jennifer McDonald have shown to maintain the delicate balance of a restaurant with entertainment, located next to a housing community. On many occasions, I've witnessed both owners visit the immediate surrounding properties to ensure that events held at the restaurant are silent in the surrounding communities. In addition, I've noticed that if a large crowd is expected there are always an abundance of courteous security staff helping with crowd management.

In closing, by providing a safe and pleasurable environment, The Gaslamp Restaurant has become a wonderful addition to the city of Long Beach for all ages to enjoy. I hope that the city recognizes The Gaslamp as a responsible, successful, contributing business and grants them the requested changes to their use permit. Thank you for your consideration and time.

Dear Mr. Herrera,

Please grant this wonderful venue their Dance License.

I had my husband's 70th birthday party WITH A BAND and dancing - a tremendous success.

We had our whole family there for Thanksgiving (6months - 94 years old)

We love going there for dinner and dancing,

Please don't deny a terrific addition to the community, both young and old.

PLEASE listen to your constituents, happy residents and pleased patrons.

Dear Mr. Herrera,

We are writing to you on behalf of the Gaslamp Restaurant & Bar, located at 6251 E. Pacific Coast Highway. It has been a real pleasure watching it change from a horrible, boarded-up windows, dive joint to a well-run sophisticated restaurant catering to all ages (we're mid-50's). They have informative wine-tasting events, karaoke night for those who indulge and theme nights such as "Christmas in July" with special decorations and fun prizes. Their menu ranges from kid's fingerfood to fancy steaks and chops so you always have plenty of choices.

It's been a long, hard journey but the two owners, Alicia and Jennifer, have taken extra care in making it a great place for customers as well as residents of Long Beach. As such, we've especially enjoyed their numerous fund-raisers for people and causes in great need. The Gaslamp Restaurant is always quick to answer the call and has helped in many different areas. We really appreciate neighbors like these and wish more businesses could be like them.

In addition, it's nice to find a place like Gaslamp to hold a wedding and/or reception with such flair and atmosphere without breaking the bank as you won't find anything else in Long Beach even remotely close in price. The owners really enjoy working with brides and grooms to make their day as special as can be and it shows in the responses they get from attendees.

Bottom line, we feel the Gaslamp Restaurant is a great place to dine and dance, enjoy a cold beverage while watching a game on the big screen or just chatting with friends. Please do everything in your power to ensure it stays that way.

Sincerely,
Monica and Larry Reed

Subject: Gaslamp

My name is Vanessa Vance, I just finished my first year at Cal State Long Beach, and I have been a hostess at the Gaslamp since September of last year. Upon my high school graduation my parents moved from Riverside to Arizona and I have been in Long Beach to fend for myself and go to school. I did not know a single person until I started to work at Gaslamp. Without this job I would not be able to afford the higher education I am getting. The Gaslamp has become my saving grace and my second family. As the hostess, I speak with every person who sits down at a table. For people who have been to the location when it was "Live Bait", they say, "This place has really come a long way". But more than what the guests of the Gaslamp have said, I have seen and experienced what the owners, Alicia Shelton and Jen McDonald go through. I have seen them organize fundraisers for police, veterans, and school bands alike. Never once have they turned down the opportunity to help friends who have been in an accident, or the family of John Burke at his tragic passing, or the passing of recently fallen soldiers. I know how important it is to these women to maintain a class act establishment. These women are not willing to see the Gaslamp turn to shambles any more than the city council is. The Gaslamp is important to the owners, to the workers, to the guests, to the many many citizens who have been helped, and to me. I am proud to work at the Gaslamp and call it my home. The Gaslamp deserves to conduct business in the classy and appropriate manner of which they have carried the establishment since its opening. Having a permanent dance license will allow for the Gaslamp to remain open and thriving, while providing a safe and enjoyable environment for the citizens of Long Beach. Thank you for your time.

Sincerely,

06/11/2007 11:11 PM

Dear Mr. Herrera and Councilmember DeLong,

My name is Travis Goertz and I have been a resident of Long Beach for 21 years. My daughter Allison attends Wilson high school with Councilmember DeLong's daughter Betsy who is a close friend of hers. I have worked at CSULB for the past 8 years and for LBUSD for the 11 years prior to that. I regularly vote in all city elections and am an active member of the community.

It's my understanding that the Gaslamp Restaurant & Bar is on the city council agenda for tomorrow's meeting with regard to an amendment to their license which would permanently allow dancing at the establishment.

I hope you'll both support the amendment without restrictive measures to the license to allow the Gaslamp to flourish as a successful business in their current location.

I know the Gaslamp has hosted and contributed to several charitable events and causes such as the benefit for wounded police officers Wade and Yap (an event my daughter and a high school friend volunteered for) and continues to organize such events even in the wake of the vote on their license. Owners Jennifer McDonald and Alicia Shelton have built a significant reputation as philanthropists which can only be an asset to the business community of Long Beach as a whole.

In a very short time span, they have built a business which this district can be proud of. It's nice to read in the local papers about the Gaslamp's positive involvement with and impact on the community.

I understand that there are reservations about issuing the dance license. Again, the Gaslamp regularly supports the Long Beach community in charitable ways. It would seem that the city would benefit greatly if business at the Gaslamp continues to grow.

Please vote in support of the dance license at tomorrow's meeting.

Thanks very much for your time.

Sincerely,
Travis Goertz

Dear Larry Herrera,

I am writing you in regards to the Gaslamp. I cannot express to you enough how many pleasant experiences I have had there. Last June, we had my daughter, Jennie's college graduation party there. We had over 100 guests all of whom were more than pleased with the evening. I received numerous phone calls from family and friends to let me know how wonderful the food and service were and how much fun the evening was as the entertainment began. In fact, my daughter's graduation party has led to several of those guests planning events at the Gaslamp including my nephew's 18th birthday and high school graduation party.

The Gaslamp provides for fun for all age ranges and Jennifer and Alicia have been nothing but accommodating to myself and those who have planned events after my daughter's party. Thank you very much for your time.

To Whom It May Concern,

The Gaslamp in Long Beach has been a great source of family entertainment, social gatherings, and facility to hold special events for me and my family. The Gaslamp has played an important role in our family traditions.

The facility is conveniently located in the center of where our entire family lives in Long Beach, making the location an ideal place for family get-to-togethers, dinners, etc. On an annual basis we hold a rather large birthday celebration for my brother who is a regular attendee to the Gaslamp. We always have an outcome over 50 people or more just for family birthday celebrations and everyone always walks away with an positive experience. We have family members in other states that look forward to visiting us on an annual basis and know how popular, fun, and entertaining the Gaslamp is. The quality of service at the Gaslamp is outstanding due to the fact their staff is very helpful, quick to meet all your needs, and all accommodation's are either met or exceeded.

The Gaslamp is not only an entertainment venue for the adult crowd within our family and friends but always a pleasurable experience for my toddlers as well. My two sons always look forward to eating dinner at the Gaslamp because of the great music, children accommodations, and food. The Gaslamp provides a relaxed atmosphere for me and my children because they are so kid friendly with the children entertainment they provide (coloring books, toys, games, etc) and the staff is always quick to meet any special attention we made need when dining with toddlers.

Like I mentioned before, the Gaslamp plays an important role in our family traditions as it is always the first place we think of when hosting events. We have held many birthday celebrations, family dinners and where intending to hold a few babyshowers, bachelor/bachelorette parties and even an huge birthday celebration for our grandfather who is turning 80 years old this year.

If the Gaslamp were to ever close, my family would be heartbroken because it really is the primary facility for family entertainment and social gatherings for us.

Council Member,

I am a frequent patron of The Gaslamp and would like to see it continue its great growth and success here in Long Beach. Ever since taking over that location improvements and renovations have made Gaslamp a fun place to eat, drink and dance.

Prior to becoming Gaslamp the previous venues were never as clean and well patrolled by security. Gaslamps parking lot has security patrolling at all times. Inside Gaslamp is clean and also plenty of security guards.

When comparing the crowds that frequented the previous two venues to the crowd the frequent Gaslamp, about 90% of the crowd is from Long Beach State or Alumni from LB State. Where as the crowds from the other two venues were most definitely not from LB State. The Gaslamp opened, I believe my senior year at LB State and I think I went to that location prior to becoming Gaslamp about 3 times, now that it has become The Gaslamp I have been there 75 - 100 times.

The Gaslamp has done many fundraisers, recently one was for the Long Beach Police Officers that were shot and killed, there have been wedding receptions, graduation parties and hundreds of birthday parties. I personally will be having my 30th birthday party there next Friday. Family and friends will be joining me for dinner and then staying for the band. The Gaslamp is a great place to hang out with friends and feel safe. Long Beach needs more venues like The Gaslamp.

Thank you for taking the time to read this.

To whom it may concern,

I have made several visits to the Gaslamp since I found it two years ago, and I think it is one of the nicest restaurants I have been in. The guests, the staff, and the entertainment are clean and classy and great for all ages over 21.

I recently got engaged. The Gaslamp has been the source of so many happy memories for my fiancée and myself that we are considering having our wedding and reception there next year.

We moved to Orange County a few years ago and finding a "night life" place that was clean and classy was not easy. We searched Long Beach for a place that we liked and were fortunate to try the Gaslamp one night. There is such a variety of entertainment and we have made almost weekly outings there ever since.

Thank you for your time.

Dear City of Long Beach,

I'm writing this on behalf of myself and my three best friends, Megan Garrett, Yasmin Chowdhury, and Julie Magnus. We have been coming to Gaslamp at least once a week for many months now...in fact we have at different times all driven many miles just to spend time at Gaslamp. In fact, Megan has even driven from Las Vegas in order to spend Friday night with at this one of kind institution.

That's what Gaslamp is- an institution. Its positive energy is so invigorating that you find it hard to stay away. Gaslamp has helped us get through break-ups, difficult life choices, and lost loved ones. Less the month ago, I witnessed a group of mourners for a fallen soldier make a pilgrimage to Gaslamp, because that's where Josh would have wanted to be remembered.

I admit that I don't understand the politics behind dance permits, but I can only stress that Gaslamp and all that it has to offer- food, drinks, music, dancing, happiness, friends- is nothing but a positive fixture in the LBC, no make that in the greater southern California area. Please allow Gaslamp to keep delivering the sunshine at the end of my weeks!

Very Best,

Hello,

I just wanted to take a minute to express my views on The Gaslamp restaunt in Long Beach.

The Gaslamp is the refined type of place that this city has needed. It charming, it's poised, and the entertainment is great.

I go the The Gaslamp regularly because it is different then most places. There has never been a bar fight or anything even close when I have been there. The staff is great. Also the entertainment is amazing. Every night it seems there is something different, and it is always clean entertainment, unlike alot of places.

I always take out of town visitors to the Gaslamp, because it makes Long Beach look good!

Thanks for taking the time to read this and take in everything I have expressed.

Subject: Gaslamp Restaurant

Dear City Clerk,

I understand some neighbors of mine have registered a complaint about the Gaslamp Restaurant. I live in the back of the Belmont Shore Mobile Estates and my bedroom faces the Gaslamp parking lot. I am very, very close to the restaurant. I have lived here since June of 06. I also have a little barking dog that sleeps on my bed and if he hears a leaf drop, he barks his head off. My point is that not one time have I heard or been awakened by noise coming from the Gaslamp.

I also know there are several old biddies that are bored and are constantly looking for something to complain about. It seems they have nothing else in life to do.

As far as I (and my family) are concerned the Gaslamp has been a terribly good neighbor and has never caused us to be concerned. We have never heard a single thing coming from their direction.

I think it would be a terrible thing if 3 or 4 old troublemakers could cause this business to go away.

Yours truly,

This message is for City Clerk, Larry Herrera:

Dear Sir,

I am writing in response to the recent uproar by some neighbors around the Gaslamp who fear that a dance license will cause much noise and disturbance in their area. I can say first hand that as a mother of 2, one 3 years old and one 3 months old, I absolutely enjoy going to eat dinner with my family there. Not only do they have games for the kids to play, but the staff and their owners are so cordial and pleasant. I highly doubt that by giving them a dance license things would change so drastically as a couple of old neighbors who have never even been in there would think. I have also been in there without my kids in the evening and the security has that place in check; there are only the occasional incidences which happen at ALL establishments. I feel very safe there with the security and confident that I will not be harmed. The Gaslamp is so far from the old "Live Bait" and it would be a SHAME for you to not give this place a dance license based off a few pissed off senior citizens. The owners are great in the community, do fundraisers, weddings, birthdays.....How can you explain to a bride and groom who were just married that they can't have their first dance because it's after 10 and they aren't allowed to? Please do the right thing and let the Gaslamp prove to the neighbors and the city that they can handle a full licensee with no restrictions.

Sincerely,

Chelsea Barrett, Mom of 2 and Gaslamp regular

Larry Herrera,

My name is Erin Silva and I am writing to you in support of The Gaslamp. I have been there on several occasions and each time it has been a great experience. I've gone there for a some drinks and to socialize, and I've also gone there to have dinner with my 6 year old son and family. I feel very safe when I'm there. I have never witnessed any out of control situations. I would never bring my son there if I thought it was a bad place. Jen and everyone at The Gaslamp have always been very nice and friendly. They care about their establishment and would never let anything happen to jeprodize what they have there.

Thank You,
Erin Silva

Mr. Herrera,

I understand that the young ladies who own the Gaslamp restaurant will be appearing this afternoon, and wish to send a quick note of support for their establishment. While the previous places of business that were in this location previously were of a dubious nature, the Gaslamp has from its opening been a place that has provided outstanding food, reasonably priced beverages, and a relaxed and positive atmosphere. I've attended multiple fundraisers, a wedding, and other community-building events within its walls, and wish to express a deep appreciation for its role in the community.

In the past few years, decisions by city leadership have repeatedly questioned my faith in the 'Business Friendly' image that is purported to be Long Beach's mantra. My hope is that in some small way, your influence may be a tempering one, and that an appropriate balance may be struck through your efforts. Having said as much, two small business owners such as those who own the Gaslamp and who provide their community with a place for dining and relaxation that is quite unique to the marketplace are ideal candidates for a favorable reception from the city.

Thank you for your time and attention, and I hope my petition falls not upon deaf ears.

Sincerely,
Robert Pingatore

Dear City Clerk Larry Herrera,

1. I am a local from Long Beach born and raised and have been to just about every bar and restaurant in town. Gaslamp is the most controlled, comfortable place I have been to and their security is top notch. I go there almost if not every weekend and can honestly say I have NEVER seen a situation get out of control or that the security guards cannot handle.

2. I have a 3 year old nephew and his friends that I take every Friday night to eat, play board games, color and dance in their fun colored spot lights. Every time we drive by the Gaslamp he says "I want to go to Gaslamp!" and cries if we don't. He would be devastated if he could not dance on that dance floor.

3. Just because a few (and I mean a hand full) of neighbors who are all over 60 and pretty bitter at the world anyway) are "afraid" that it will turn in to Live Bait please don't prevent a full dance license be given to them. These people who complained 9 out of 10 times haven't even been inside the Gaslamp and don't know how it works.

Please take this into consideration and give the Gaslamp and their awesome security the opportunity to prove they can handle this privilege and keep things under control.

Sincerely,
Marcela Hammond

Dear Mr. Herrera:

I am writing you in regards to the Gaslamp Restaurant and Bar.

I have been a patron of the Gaslamp for the past year and a half and I love the ambiance and energy that the restaurant provides. It is a great place to meet friends for drinks, socialize with Long Beach locals and to celebrate special occasions (I just recently celebrated my birthday at the Gaslamp and had a wonderful time).

In addition, my sister has been a cocktail server at the Gaslamp for the past several months. What I especially like about the Gaslamp is how protective they are of their employees and how their safety is never compromised. My sister feels safe in her work environment and security is so important - especially when there can be a couple of people who don't know how to properly handle their alcohol.

While I live in Los Angeles and there are many bars and restaurants, the Gaslamp stands out to me though it is in Long Beach. Whenever I take a friend down to the Gaslamp, they always leave saying how they wish they had a place like this in LA. Which is true. The Gaslamp is unique because it has that neighborhood feel - it's intimate and fun but not too ultra-glam or too exclusive. It's open to EVERYONE - no guest list or pricey cover to keep people out. It is place that welcomes all.

I have NEVER had a bad experience at the Gaslamp. The staff is dedicated to making it a place that is enjoyable to all - something that shouldn't go unnoticed or overlooked.

Please, I ask you, to help keep the energy of this fine establishment up and running. It is solid scene on the Long Beach landscape that deserves to remain in its spot.

With kind regards and many thanks,

Valerie Arias

To Larry Herrera and Council member DeLong,

I understand there will be a hearing today regarding the current licensing status for the Gaslamp Restaurant. I am unable to attend the evenings meeting, and in lieu of my attendance, I would like to submit this letter to show my support. I live in Long Beach (Park Estates) and have called this city my home for over 10 years. I am both personally and professionally dedicated to the area, and because of that, I have to voice my strong feelings about Alicia Shelton and Jennifer McDonald. I met them both 2 years ago, and have found them to be hard-working and totally dedicated to making the Gaslamp into a great dining and entertainment destination. Think they are focused on loud music and Saturday night clubbing? You couldn't be more incorrect with your assumption. They have gone far and above to integrate the Gaslamp into the neighborhood by playing host to and providing a place for many groups and organizations to meet. In addition, they have done numerous fundraisers for some of our locals, which entails a lot of hard work and dedication, without much of a financial payback. I consider Alicia to be a personal friend, a relationship that was developed after I rented commercial kitchen space from her for a business I owned at the time. Her upbeat optimism, incredible love of her job (especially in this day and age of decaying work ethics) and her unwavering commitment to making the Gaslamp the best it can be makes her not only a valued member of our business community, but also someone who deserves the professional respect of the lawmakers of Long Beach. They provide a popular destination on the weekends for folks looking for good music and a fun atmosphere, which in turn keeps the money in Long Beach vs a club in LA or OC. I know they are sensitive to the level of noise that may affect local residents and I can assure you, that issue is pretty paramount during their planning and organizational meetings.

Please recognize that they are running the business with a high standard of ethics and with a keen sense of how a community needs to come together. Please work with them to come to positive solutions for everyone involved.

Sincerely,

To Whom It May Concern:

I was quite saddened to hear of the possibility of the Gaslamp no longer being open as a Club.

My name is Carol Gallagher and I have been living on Ximeno in the Long Beach area for many years. On May 12th my family and friends had a birthday party for me at the Gaslamp. It was a very exciting night for all of us. I also need to inform you that I am not in my 20's but in fact I am 61 years old and my friends and I work for St. Bernard Catholic School in Bellflower. We had such a good time. The employees were all great. The music was wonderful and we couldn't have been treated better. The other patrons were all having as much fun as we were and I didn't see anything out of place or disorderly.

I personally do not attend Clubs but would certainly be disappointed if the Gaslamp was no longer available as we were so very comfortable there.

Please do not hesitate to phone me if you have any further questions.

Very truly yours,

Mrs. Carol Gallagher

Mr. Larry Herrera and Mr. Gary DeLong

I would like to communicate that the Long Beach Junior Chamber supports a solution which is viable for the Gaslamp Restaurant and respectful of the surrounding neighborhood.

I would like to note that our organization has received significant support from the owners, management, and staff. The ownership in particular, whom falls within our membership demographic, have been more than generous in helping us support young professionals in our community. I personally view the accomplishments of the Gaslamp's ownership to be a model to young professionals and entrepreneurs. They have, thus far, been able to navigate a very challenging situation to provide our community with a valuable venue and resource.

Specifically, over the past 4 months the Gaslamp Restaurant has provided a venue for our monthly BizBlender. The BizBlender provides both networking and training for young professionals looking to increase opportunities in their career and community. The monthly event has grown as a result of their support.

Additionally, the team at the Gaslamp Restaurant have been instrumental in our fundraising efforts for our Adopt-A-Teacher program, by providing a venue and in-kind support.

Finally, I would like to draw a distinction between the activities of the Gaslamp Restaurant and it's predecessor, Live Bait. These two business operations couldn't be more different. In addition to the significant rehabilitation of the property, the Gaslamp Restaurant takes an active role in our community through activities like ours, the Long Beach Police Department, political campaigns, local clubs, and charitable organizations.

I am available to provide any additional information and look forward to seeing a viable solution for all stake holders.

make change.

To Whom It May Concern:

It has come to my attention that the Long Beach City Council will be discussing the business of *The GasLamp*, located in Long Beach, California.

My daughter Erika Arias is an employee there and works very hard under the direction of her supervisor. My husband, relatives, and friends have patronized *The Gaslamp* due to their professional service, pride in the establishment, food and drinks, entertainment, and great atmosphere it provides. It is a busy establishment with many patrons visiting, dining, and returning for a fun, yet relaxing environment.

The City of Long Beach needs to continue to provide social and enjoyable establishments such as *The Gas Lamp* for their citizens and guests. This is one place my family and I do visit when we are in Long Beach as we do reside in the desert.

It is without reservation that I ask you to consider **to continue** to provide this fine establishment, *The Gaslamp*, for patrons such as others and myself, who enjoy a great evening out on the town.

Feel free to contact me if you would like to discuss this further.

Sincerely,

To Whom it may concern:

I've been a very happy customer at The Gaslamp for a couple of years. I thoroughly enjoy taking my grandchildren there for dinner. They have games for the children and a photo booth, which I find very nostalgic. We've taken lots of pictures and the kids get a kick out of waiting for the photos to come out of the side.

I celebrated my 60th birthday there with a host of friends. The service and food has always been excellent, with a very enjoyable and relaxing atmosphere. My mother passed away last year, and we all gathered at The Gaslamp and enjoyed a wonderful time with family and friends.

The two young ladies that own and run The Gaslamp really care about their customers. We always feel at home when we come in. I remember my grandchildren sitting up at the bar at our home one evening having dinner, and they said "Let's play Gaslamp". They drew pictures which we put on the walls. They remembered the art that decorates the walls at The Gaslamp. Maybe you can tell it's one of my favorite restaurants.

Sincerely,
Carol Kramer

To whom it may concern,

My name is John Weems and I live in Bixby Village Estates very close to the Gaslamp Restaurant. I have been a regular attendee at nearly all of Gaslamp's Thursday evening wine tastings from the beginning as well as several other special benefit tastings and dinners. I have always enjoyed the events very much as they have consistently been presented in a professional manner. Many of my friends and associates attend the wine tastings on a regular basis.

I would like to take this opportunity to extend my support for the Gaslamp management as I feel that since Alecia and Jennifer have taken over operation of the Gaslamp, it has been a positive influence in the community. I fully support the continued and full operation of the Gaslamp and feel this current management has done a remarkable job of turning around a operation that has not always been a positive contributor.

If anyone would like to contact me in this matter, please do so at the address listed below. I appreciate very much your consideration of my thoughts and recommendations.

Dear Mr. Herrera,

My name is Marilyn Frapwell. I work with the Long Beach Unified School District and have lived in Long Beach with my husband and 3 children for 30 years. I have had the pleasure of working with Jenn MacDonald and Alicia Shelton on various occasions at the Gaslamp Restaurant. These two VERY professional women have enabled my family and friends to celebrate college graduations, birthdays and anniversaries in a warm and fun atmosphere. I have also participated in their "winetasting Thursdays" and have enjoyed it immensely.

Presently, I have 3 college-age children. They love to go to the Gaslamp and have a fun and entertaining evening with friends. I have also gone to check things out on a Friday night and have observed people having a great time with very few problems. I have also observed the VERY professional staff that sees to it that everyone is happy and safe.

I feel that the Gaslamp has vastly improved a once "not very impressive site" and changed it into a place that is not only aesthetically pleasing, but is also a restaurant that serves the community well. I feel that we, as a community, need to support businesses that meet the needs of Long Beach. Jenn and Alicia have been constantly supportive of the police department, council people, and citizens-in- need through fundraising events at the Gaslamp and through monetary gifts.

I, as a Long Beach resident, feel that we need to support this community-friendly restaurant and their owners in any way that is needed. The Gaslamp, and Jenn and Alicia are indeed an asset to our city.

Sincerely,

Marilyn Frapwell

Dear City Clerk of Long Beach,

It has come to my attention that the Gaslamp is trying to reinstate their license, for dancing privileges. My name is Gloria Jimenez, I am a single parent with a steady career, with Verizon Wireless telephone company in Long Beach, of 21 years. The matter was brought up by my daughter, who is a frequent visitor at the Gaslamp, as well as with myself and friends. I find the Gaslamp to be a very safe yet fun environment for young and older adults to be in. My concern is that if something is changed about this place my trust in other places will not be as worthy. Gaslamp, has a atmosphere of comfort, awareness, and a friendly place to be. As a fifty year old women, attending a restaurant and bar is ok. When you bring music and dancing it makes me feel wonderful, and to be honest younger. The safety of my daughter is my number one. My second is full support to the Gaslamp with the reassurance of the fun and safety upheld. If you have further questions, please feel free to email me at anytime.

Thank you for your time and patience.

My name is Alexandra Traver and I live at 6317 Mariquita Street, Long Beach.

I support the approval of the dance license for Gaslamp Restaurant.

The Gaslamp is a well-run restaurant and entertainment site that is an asset to our community. They provide a much-needed opportunity in Long Beach for fun, clean entertainment—which includes dancing. My husband and I have been there during the band/dancing hours; the bands are terrific and the clientele are enthusiastic (in other words they love to dance) and respectful. There is careful security at the door and security is visible and easily available if needed. I've never seen it needed.

My daughter, Megan Traver, a Math Coach at Franklin Middle School, is one of the many in the area that enjoys the Gaslamp entertainment. She and a group of teachers were there last Friday night to celebrate their first-year teachers. The band that night (and the regular Friday night band) was Knyght Ryder, an outstanding 80's cover band. The place attracts a high-quality of individual. There is also ample parking. And last but not least, it's fun!

Additionally, the owners of the Gaslamp are very generous to the community. They donate to the schools in the area, including Kettering and CSULB. They put on fundraisers, including for the LB Police Department. I noticed that they are the site for an upcoming Poly High reunion. Dancing is absolutely necessary for that type of event.

We need the Gaslamp – and the Gaslamp needs dancing. Long Beach needs dancing and music and fun!

Sincerely,

Dear Council:

I am writing to urge you to support the request from the Gaslamp LLC for a permit to allow dancing and vote to approve it.

I have personally attended the Gaslamp for community fundraisers and family dinners for special occasions. The food is excellent and the owners and staff are incredibly professional and welcoming.

As you know the Gaslamp has a huge stage which is used for many community ceremonies, music recitals and special events. I was lucky to attend the fundraiser and ceremony that the Gaslamp hosted for Interval House last December. That event provided a beautiful setting and joyous activities and gifts for the residents with children. The owners of the Gaslamp continuously invite many non-profit, community based organizations to enjoy the spacious restaurant and its amenities.

If you would vote to allow the Gaslamp to have a permit to allow dancing, it would open up more possibilities for community events, dance lessons, retirement galas and such for the residents of Long Beach and surrounding area.

Respectfully requested,

Willa Heart

Hoo-ray, Hoo-ray to you two Ladies. Hello, Jennifer and Alisha. This is your neighbors. My husband Frederick (Ricky) shot his movie there last year. Remember us? Well, I have to tell you; for years I have had the desire to have church services there at your place of business and I underestimated you. Please forgive me. I didn't know if you'd allow it because you were a bar. Now, I see you are having just that, 'Church'. Your establishment will be blessed. You know we were praying for you from the start.

How I wish I had ask you about this 2 years ago. Well, "you snooze, you lose". Not really. God has another place for us but I do support others who are doing the LORDS WORK!!

I'll be over to fellowship with the new church.

God Bless you, Rev. Stephanie L. Randolph

I still can't thank you enough for allowing us to use your place for Fredericks Movie.

Its been a while since I have stepped into what use to be the infamous 'Live Bait.'
A Few weeks ago, a friend of mine had asked me randomly to stop by 'Gaslamp.'
That night I had already arranged plans to go to the Mai Tai Bar. Upon arrival,
there was already a large line that accumulated at the door.

This Notice is to update you on the road work schedule along with changes that apply due to road work.

Trash pickup will be Monday, April 30th instead of Tuesday.

We will not start the designated 20 driveways until further notice so you can park your vehicle in your carport while the working is going on. Just remember you cannot go anywhere in your car between 7:00 am and 5:00 pm., on your designated day. There is also available parking in the marina parking lot (please do not park in the first two rows by the green fence) and also in the GasLamp Restaurant parking lot. The stairs will be available to the marina along side the clubhouse.

Please ignore advising the disposal company and mail service as the office has taken care of that. The guards will also have a map and directing traffic from the park

entrance. Please remember to notify any handy people, caregivers, etc., of the schedule.

Any vehicles parked along side the clubhouse must be moved by Tuesday am or they may be towed.

We appreciate your patience and understanding during this time. If you should have any questions, please do not hesitate to call the office.

Thank you,

John & Carolann Kniffen,

Managers

Subject : RE: Spirit of Zeppelin

Hello Gaslamp!

I was there on May 9th to see Spirit of Zeppelin and I wanted to make some comments.

First, I just love your ambiance. The way you have decorated the room is warm and inviting. The lighting is wonderful and cozy.

Secondly, your burger and beer combo on Wednesday nights is fabulous! What a great deal! I was there last month when Zeppelin played and I brought many friends with me this time because of the great food and to watch "Spirit".

Question... We sat to the right of the stage and found that the curtains hid the drummer totally. Therefore, in order to watch him play we had to leave our seats. It seems that perhaps the curtain could be pulled back a bit further so that the entire band could be seen. I have heard this comment from several people and not just with the band that played on the night we were there. If it is possible to pull the curtain back I would highly recommend it.

Another question...Would it be possible to post the bands that you have scheduled? I like to email my friends to get a big group to come and it helps when I can give info on the band.

Finally...You might want to update your web pages. You still have the March fashion show posting as well as conflicting info about what you do and on what nights. It's always good to have a site that reflects what is actually going on :-)

Again, terrific night Wednesday, great food, absolutely incredible band, hope your business is properous!

Carol

Alicia,

I want to thank you for the wonderful job by you and your staff for my daughter's wedding reception. Everything went so well and I would recommend your restaurant to anyone. It was unfortunate that so many people chose not to show up after responding that they would. I don't really want to know but...what is the final damage?

June 11, 2007

It is with much support I write this letter for the Gas Lamp in Long Beach.

I have been not only a very happy customer, but have worked with Alicia and Jennifer for the past two years in support of the positive image of their establishment.

I have been their primary "go-to" person for many special event-planning needs, which they have hosted. Some include my son's birthday parties, and my college student's last class meeting party, high school team parties, plus numerous other events sponsored by the Gas Lamp. Many of these events have been fund-raisers to support the wonderful organizations here in Long Beach. Alicia and Jen never say NO to anyone wanting their support for a local Long Beach charity.

Each and every time I have needed to consult with these two professional women one thing always was their priority...making their customers happy. Their attention to detail, concern for good food served in a safe environment is un-matched. Their friendly staff is one of the many things that make the Gas Lamp so very popular among their customers. MANY are return customers who bring all of their friends.

I plan to continue taking my family and friends there often and am planning Long Beach Poly's 40th reunion there this summer with the Elm Street Band. It is a grand venue for many Long Beach events.

How wonderful to have this entertaining establishment in our city. They add so much to drawing many to our town.

CERTIFICATE OF APPRECIATION

presented to

The Gaslamp Restaurant

for your service

This Certificate of Appreciation is presented to an outstanding organization for going above and beyond the call of duty in ensuring the well being of Long Beach Police Officers Abe Yapp and Roy Wade. Through community support and fund-raising, The Gaslamp Restaurant aided in making the daily lives of these two families a little easier during their time of sorrow. Organizing fundraising events where the proceeds went to the Widows and Orphans Trust Fund, The Gaslamp Restaurant played a valuable role in our community's response to helping those in need. Your dedication to healing the hearts and spirits of two families of the City of Long Beach, and your hard work and continued commitment to serving others is recognized and greatly appreciated.

Gaslamp event raises \$9,0

On Feb. 21, the community joined together at The Gaslamp Restaurant and Bar to raise more than \$9,000 for the Long Beach Police Officers Association Widows and Orphans Fund.

The fund is being used to assist Long Beach Police Officers Roy Wade and Abe Yap and their families as they continue toward a full recovery after being shot downtown on Dec. 22. Proceeds from food and drink purchases and opportunity drawings were donated by the Gaslamp to the LBPOA Fund in the name of Officers Wade and Yap.

"Every day the men and women of the Long Beach Police Department do amazing things for the community they serve and our families. When we came up with the idea of trying to give just a little of that support back it was a clear choice," said Gaslamp owners Alicia Shelton and Jennifer McDonald. "They give us, our customers and the Long Beach community so much support, its great to see the community come out and support them."

City officials came to lend their support to the cause.

"This event was a great opportunity to enjoy good food, music and conversation, while supporting a great cause," said 4th District Councilman Patrick O'Donnell.

Also seen at the event were 9th District Councilman Val Lerch, first lady Nancy Foster, Police Chief Anthony Batts, Ray Pok of 7th District Councilwoman Tonia Reyes Uranga's office and Anne Cramer of 3rd District Councilman Gary DeLong's office.

Diners were entertained by the Blue Steel Band, made up of members of the LBPB and volunteers.

"When officers are injured in the line of duty, a number of expenses are covered; however, there are many unforeseen costs that tear into the family budget. Events like the one held at The Gaslamp help meet those unexpected costs," said Lt. David Cannan of the Long Beach Police Depart-

ment and Blue Steel Band.

Also seen at the scene were former Assistant Police Chief Ted Hulsey, Cmdr. Elizabeth Griffin, Lt. Dave Hendricks, Steve Folger, Art Levine, Doug and Freda Otto, Vern Schooley, Bernie Selmanson, Howell and Gretchen Poe, Tom Leary, Diane Ripley and John Hill.

Helping out at the event were two students from Wilson High School, Allison Goertz and Yoko Shintaku. They greeted guests, collected donations and organized the opportunity drawing.

Also among the supporters were many local businesses and organizations such as KMC Wheels (which donated a set of wheels), L.A. Dodgers, Musical Theater West, Long Beach Armada, Patty's Place of Seal Beach, McKenna's By the Bay, Schooner or Later, Mr. B's Restaurant and Body Solutions Fitness.

FYI: In addition to this event, the Gaslamp has hosted events for students at California Families in Focus, Cal State Long Beach, The Boys & Girls Club and numerous other nonprofit organizations.

The Gaslamp Restaurant and Bar, 6251 E. Pacific Coast Highway, opened in February 2005. For information, call (562) 596-4718 or check www.thegaslamprestaurant.com.

We are writing in support of the Gaslamp Restaurant in Long Beach. We have been there on many occasions and find it to be a pleasant, well operated and enjoyable place. Our son has worked there for many years and was one of the original people who helped remodel and refurbish the restaurant. It has provided him with a good income. The restaurant is owned and operated by people in the local community who take great great pride in the work they have accomplished. The Gaslamp is a great example of what hard work and dedication can do to improve the community. We would encourage you favorable vote to grant permanent dance permits to the Gaslamp.

Hello, my name is Vivi Jones, and I am a resident of Belmont Shores Mobile Estates. I just moved here in November and was pleased to see that the Gas Lamp was so nearby. I am (hate to say) 60 years old and I have lived in Long Beach and Lakewood all of my life. I lived in Belmont Shore, right off of Second Street for years. Anyway, I write you today to let you know that I have become aware of some issues about the Gas Lamp Restaurant and Bar that are disturbing to me. I learned of these issues through the Grunion Gazette and some of the other residents here at the mobile home park. I frequent the Gas Lamp mainly because I feel safe there. I go mostly on Wednesday nights for the burger special and the live bands, although I occasionally find myself there on the weekends also. When I heard of the issues about noise and problems in the parking lot, I went to check it out myself. I could not hear any noise nor did I see anything that would scare me (a woman alone) in the parking lot (except maybe this huge Security Guard, who asked me what I was doing walking around the establishment...good for him). I remember the days of "Live Bait" and "Bentley's" and I did not go there because the crowd scared me and there did not seem to be any visible Security. Also, the landscaping and interior decor was awful. The new Managers of the Gas Lamp have really done a terrific job in sprucing up the place and making it a place where I want to go. I attended the Community Meeting @ Kettering School on July 16th and saw the numerous efforts that the Gas Lamp Management

are proposing to work with the Community and I was very impressed. I believe that the music and dancing should stay and hopefully those who are making such a big deal of this will open their eyes, step out of the past and realize that this is NOT another "Live Bait", but instead a very nice Restaurant and Bar with music and dancing for all ages to ENJOY. I think that with all the improvements the new management has planned and will execute with the help of the City, those who had noise, police or parking lot problems should be satisfied. I plan to attend the August 6th meeting @ the Gas Lamp but cannot attend the September 11 Council Meeting @5pm. Please use this letter @ that meeting to support the Gas Lamp if you wish. Sincerely, Vivi Jones 6266 Beachcomber Drive, Long Beach, Ca. 90803 Phone 562-430-2233

Subject Kudo's on Gaslamp!

Hi there,

I wanted to take a moment to commend you on having such a philanthropic and wonderful business and business owners within your city... the Gaslamp & Alicia Shelton. I have had the fortunate experience of working with them to benefit the 46 million American who live with arthritis each day. The Gaslamp set-up an employee team and contracted a very fun and clean band, Knyght Ryder, to play our 2007 Arthritis Walk. It was the hit of our event and I can't thank Alicia with the Gaslamp enough for helping us and for going above and beyond by raising money for our cause. She and her employees came out for an early morning and showed their support. In return, our walk committee (who ranges in age from young to "mature") wanted to thank them and we had a wrap-up dinner at their location on a Friday night. I was impressed by the amazing work they had done on the old dive that was located there prior to their arrival. It's truly a high-class restaurant with entertainment for all ages. I only wish the city I live in, Ladera Ranch, had such a fun spot for my family and friends to enjoy. Kudo's on having such a nice spot in your city for so many to enjoy!

Sincerely,
Amy

Subject The Gaslamp Restaurant & Bar - Updates from June 12th Agenda Item

Dear Mayor and City Councilmembers:

Thank you for your time and attention over the past month and a half as we have followed your advice in reaching out to our neighbors surrounding our business.

Last week I was forwarded an email that a neighbor had recieved and felt that we should be notified of. This letter was sent out on behalf of Bay Harbour and Whalers Cove HOA Board of Directors by Kaiser & Swindells law firm, as an attempt to rouse broad unwarented opposition to The Gaslamp's application for a dance permit. I am told it was sent to several board members of many Home Owners Associations in the area, and was sent out on July 12th. I contacted Mr. Louvier, the lawyer who sent the email on behalf of the two groups, and he said that he knew nothing about any issues with The Gaslamp, but sent the letter out as directed by Ray Kaiser, the senior partner. Mr. Kaiser refused to comment, answer questions, or respond to any of my messages. I invited Mr. Kaiser and the Boards that he represents to attend the community meeting we are hosting on August 6th, but have heard no response. As there is no available contact information for the HOA board members for either community, I contacted the property management company, Pacific Coast Management, as well. Similarly, they have refused to provide any contact information, or any involvement in the issue. Nor were we able to get any contact information for these Homeowners Associations from the Third District Office when we began this process last month. I have attached a copy of the email that I received, with the name of the neighbor who sent it blocked out, as she wished to remain anonymous.

To date, we have held two community meetings, the first at The Gaslamp and the second at Kettering Elementary, and attended another meeting at Belmont Shores Mobile Estates at the request one of their residents. These meetings have given us insight into what issues some residents voiced as concerns, and also what other residents have shared that they enjoy. We have come up with an initial plan relative to business operation improvements to address these concerns, and are working diligently to have them put into place as quickly as possible. These measures are illustrated in the attached powerpoint presentation. We will host another meeting on August 6th at The Gaslamp to see how some of these measures are working, and to also look at what we might need to add in the future.

We are grateful that this process has allowed us to become more involved in our community, and to get better acquainted with our neighbors. At the same time, it is disappointing to see that some of those speaking out in strongest opposition are not willing to work together for a solution.

If you have any questions on any of the meetings to date, both public forums and the meeting that was closed to the public, feel free to contact me at any time.

Sincerely,

Alicia Shelton

Subject: Gas Lamp Application for permanent dancing permit

FOR IMMEDIATE RELEASE

July 12, 2007

As some of you may know, the Gas Lamp has applied for a permanent dancing permit. The hearing on the permit is set for September 11, 2007. It is the belief of many nearby community members that such a permit would negatively impact the neighborhood. Accordingly, the Boards of Directors of Bay Harbour Homeowners Association and Whalers Cove Homeowners Association are spearheading opposition to the permit. To that end, they seek solidarity from you, as board members of nearby common interest developments, in joining the opposition to this unpleasant development. If you are interested in helping, either as a board or as individuals, please contact our office for further information.

Sincerely,

Concerns & Solutions

- Noise from entertainment (from inside building)
- Contracted sound expert to test noise levels inside and outside of building
- Building renovations for increased sound-proofing

Concerns & Solutions

- Noise from parking lot
- Increased security in parking lot during evening
- Additional signage posted to notify patrons of residents nearby
- Bids for possible addition of sound-absorbing trees
- Looking into the possibility of valet service to use parking area along back

Concerns & Solutions

- Parking along Loynes Drive
- Contacted the City of Long Beach, and the Traffic Engineer has submitted request to reinstate *NO Parking* signs along Loynes Drive and paint the curb red before September 29, 2007

Concerns & Solutions

- Trash
 - Increased security to patrol parking lot during the evening to keep patrons from littering, loitering in cars, or loitering in the lot
 - Security cleans parking lot when all patrons have left
