**RECOMMENDATION:** Recommendation to approve a proposal with Spectrum Facility Maintenance to provide ten (10) additional sidewalk steam cleanings at a cost of \$13,090.

### **DISCUSSION**

Spectrum Facility Maintenance (formerly Dworsky Partners, LLC) has contracted with the City since March 2014 for the purpose of steam cleaning the sidewalks on 2<sup>nd</sup> Street in the Belmont Shore business district. In recent times, Belmont Shore has enjoyed a substantial increase in foot traffic due to the popularity of events such as the monthly Stroll and Savor evenings, and the annual Car Show. These summer month activities have also increased the need for more frequent sidewalk cleanings during the more heavily trafficked summer months.

Spectrum Facility Maintenance has provided a quote to add ten (10) additional steam cleanings for the summer months of 2017 at a cost of \$1,309 per cleaning. The total cost for the additional 2<sup>nd</sup> Street sidewalk steam cleanings is not to exceed \$13,090.
