BELMONT SHORE PARKING AND BUSINESS IMPROVEMENT AREA COMMISSION MEMBERS

City of Long Beach
California

REFERENCE: 17-021BS

RECOMMENDATION: Recommendation to approve expenditure of \$1,500 for the removal and storage of 43 RGB LED wall washer lamps that were installed in the median on 2nd Street.

DISCUSSION

At the October 15, 2012 Belmont Shore Parking and Business Improvement Area Advisory Commission (BSPBIAAC) meeting the commission approved expenditure of \$19,500 for purchase and installation of RGB LED wall washer lamps to be installed in the median on 2nd Street. At the February 16, 2017 BSPBIAAC meeting, the commission approved a recommendation for expenditure not to exceed \$1,250,000 for a project to improve the medians located on East Second Street and within the boundaries of the Belmont Shore Parking and Business Improvement Area.

As result of the median improvement project, these RGB LED lights will not be necessary. Included in the median improvement project plan is lighting that will replace existing median lighting. The company that installed the existing lights, St. Nick's Commercial Design and Décor, has quoted a cost of \$1,500 for the removal and storage of these RGB LED lights.

RECOMMENDATION

Approve recommendation.
