24. (17-0269) Recommendation to declare ordinance amending the Long Beach Municipal Code by amending Section 2.01.380; and by repealing Section 2.01.390, all relating to officeholder accounts, read and adopted as read. (Citywide)	Fred Esch	fredesch73@gmail.com			Long Beach	CA	90807	I object to the repeal of this ordinance. It is another step towards money's influence on campaign outcomes. The funds are donated for the benefit of the district. Endorsement and private funds should be given by office holders. If unspent, it should be left to the next office holder. Sacramento doing it is a weak justification. Otherwise why have City Ordinances at all? Long Beach needs to be a city free of money influencing outcomes but one that reflects the will of the voters.	4/17/2017

It reeks of self serving political interests. Have you no sense of decency? Wow! Do not approve- vote no!	4/16/2017
