## The Belmont Beach and Aquatics Center

We, the undersigned, petition the Long Beach City Council to approve the Environmental Impact Report (EIR) and deny any opposition to the construction of this Aquatics Center. The community of Long Beach is centered around the ocean and this venue is desired by the residents of this fine community. Please build this Aquatics Center!

*By working out in a pool, I can reach peace from daily life.... The new Aquatics Center will bring communities, families, and friends together!*
