

Rancho Los Cerritos

Measure A Funds

A Few Numbers

- The site has over \$1.1M in deferred maintenance projects
- Projects range from road repair to wall repair to electrical repairs
- There is \$300K ready to be spent right now!
- All projects are planned and competitive bids with prevailing wage are coming in weekly so the projects are moving into the pipeline
- 2017 Funds will go to the repairs needed on the site
- 2018 Funds will go to the electrical and safety needs
