MEMBERS OF THE PARKS AND RECREATION COMMISSION

City of Long Beach
California

RECOMMENDATION:

Recommendation to cancel the Parks & Recreation Commission meeting on March 15, 2018.

DISCUSSION:

The City of Long Beach will be hosting the 2018 California Parks and Recreation Society Annual Conference from March 14th through March 16th. This would cause a conflict with the regularly scheduled Parks and Recreation Commission meeting, as staff and Commissioners will be attending the conference.

SUGGESTED ACTION:

Approve recommendation.

Respectfully Submitted,
