Subject: Declare June as Pride Month

INTRODUCTION:

For decades Long Beach has been a leader in celebrating our pride for lesbian, gay, bisexual, transgender, and related communities and their allies. Our city has long been a leader in supporting the gay rights movement and annually hosts one of the largest Pride Parades in the country.

Long Beach's leadership and support for our LGBTQ community means we should designate June as Pride Month in Long Beach in order to continue the recognition and acknowledge the important role we have played and will continue to play in strengthening equality, acceptance, and human rights.

RECOMMENDATION:

The City Council is requesting that the City of Long Beach annually recognize June as Pride Month.

FISCAL IMPACT:

There is no financial impact as a result of the recommended action.
