RE: Proposed Charter Amendments

Dear Long Beach City Councilmembers:

Over the last few years, members of the community, City Commissions, and many of you have discussed ways to make our government more effective, efficient, and ethical. We strongly support efforts that open our city government to smart reforms.

Together, we are putting forward five charter amendments for consideration for the November ballot. They include a redistricting commission, an ethics commission, strengthening our term limit laws, defining the authority of the City Auditor, and consolidating our utility departments.

We believe these changes are good government measures and look forward to working with the City Council to put these measures before the voters of Long Beach to consider.

We look forward to the Charter Amendment committee meetings in the months ahead.

Sincerely,

Mayor Robert Garcia

City Auditor Laura L. Doud
