

City Auditor Amendment Additional Changes

Section 803 – Duties of the City Auditor

1. Maintain the original language regarding filing audit reports with the City Clerk, and to include the Council to receive these audit reports.

Proposed revised language:

*“Immediately upon the completion of such examination and audit, the City Auditor shall make and file with the City Clerk **and Council**, a written report thereof. If, during the course of such examination and audit, the City Auditor discovers any irregularities, the City Auditor shall immediately make and file a written report thereof to the City Clerk **and Council**.”*

Section 806 – Copies of Records and Contracts

2. Maintain the original language requiring that every City contract be filed with the City Auditor.

Original language:

“A certified copy of every contract in which the City or any of its commissions is a party shall be filed with the City Auditor within ten (10) days after execution.”
