Homeland Cultural Center DanceFest Celebrates Ten Years

Emcee Charles Sanchez

Homeland Cultural Center presented their 10th annual artist showcase event, DanceFest, on July 22 at the Scottish Rite Event Center. The free event was emceed by "Long Beach's Own Comedian," Charles Sanchez of the Galavision comedy show "Que Locos!"

Several hundred people attended the free event and enjoyed performances and demonstrations from Homeland artists including West African Drum and Dance Ensemble, Hmong Association of Long Beach, Paisajes de Mexico Ballet Folklorico, the Kutturan Chamoru Foundation of Long Beach, and Xipetotec Long Beach. Poetry readings were done by Felicia Cade and Aim4theHeart.

Parks, Recreation and Marine and Partners of Parks co-sponsored the event, which was supported by grants from the Arts Council for Long Beach and the Port of Long Beach.

Homeland is the recipient of the 2008 Dorothy Mullen Arts and Humanities Award from the National Recreation and Park Association and a 2012 Award of Excellence from the California Parks and Recreation Society.

Los Cerritos Park Playground Opens Thanks to Measure A

An Opening Celebration for the Los Cerritos Park Playground, at 3750 Del Mar Avenue was held on August 1. The \$1 million project is the second playground completed of six Measure A - funded playground upgrades. The Measure A ballot initiative was approved by Long Beach voters in 2016. Measure A adds a transactions and use (sales) tax in Long Beach for ten years to support public infrastructure and enhancements to Public Safety services.

The playground was upgraded with the installation of two new tree house-themed playground structures, one for ages 2 to 5 years and another for ages 5 to 12 years, and other site furnishings. Improvements were made to increase ADA accessibility.

This project and one completed in April at Jackson Park are the first two projects out of six planned with Measure A funds. New playgrounds at Drake, Jenni Rivera, Veterans and Whaley Parks will open later this year.

Four friends try out the new playground equipment.

Kids have fun with the playground's tree house motif by painting bird houses.

Cutting the ribbon with community kids are L-R: 8th District Councilmember Al Austin, 7th District Councilmember Roberto Uranga, Mayor Robert Garcia, and Parks and Recreation Commission Vice Chair David Zanatta.

PRM Summer Day Camps are "Creating Memories"

Parks, Recreation and Marine's (PRM) 2018 Summer Day Camp theme is "Creating Memories."

Hundreds of young campers will always remember the fun they had this summer playing sports, creating art masterpieces, learning new skills, going on field trips, swimming, making friends and building their self-esteem. PRM offers a variety of camp experiences so that the interests of every child are met and that working parents are secure in the knowledge that their child is safe and happy.

ety of camp experiences so that the interests of every child are met and that working parents are secure in the knowledge that their child is safe and happy.

Aquatic camps include the Belmont Jr. Camp for ages 5-7, the Bayshore Beach Camp for ages 8-12 which features a weekly marine biology learning activity, and the Bay Club Teen Camp with afternoons of fun for ages 13-15, and the Counselor-In Training

Camp, a four-week leadership program for ages 13-17. All aquatic camps offer Red Cross swimming lessons and opportunities to learn to canoe, kayak and sail.

Community park camps for ages 5-12 at El Dorado Park West, Silverado Park and Veterans Park offer arts and crafts, sports tournaments, games, field trips, swimming and more. The Hi Five Sports Camp at Pan American Park has a name that says it all. Campers sample a wide variety of sports over the summer as well as having fun with crafts, games and field trips.

Summer Day Camps Create Memories

Young campers, ages 5-8 have the Wardlow Pee Wee Camp available to have fun with activities especially for their age and abilities. The Wardlow Park Pee Wee Camp had an art gallery that showcased their amazing talents for family and friends.

The Music and Arts Camp at Whaley Park and the Cherry Park Creative Arts Camp appeal to youth who love to perform, create visual arts and express themselves creatively.

The campers engaged in MDV (Music, Dance and Vocal) at the Whaley Park Music and Arts Camp presented the "KIDCHELLA," music festival concert for the parents. Campers sang, danced and played instruments to songs.

Animal Care Services Hosts Movie in the Park

Long Beach Animal Care Services hosted their third annual Movie in the Park event on July 28. Dozens of families not only enjoyed the free screening of "Peter Rabbit," but were able to become familiar with the Animal Shelter and meet great adoptable dogs and cats.

Employee of the Month: Emanuel Zaragoza

Congratulations to the June Employee of the Month, Emanuel Zaragoza. Emanuel serves the Grounds Maintenance Division (GMD) as a gardener in the south-west uplands park areas. He has assisted with construction oversight on a number of parks and medians, and improvements to sports turf, and strives to improve program coordination with the Public Works Department regarding homeless persons.

His approach to his job is a mix of creativity, experience, organization, and energy. He has guided contractors and staff on proper grading, sod installation, and subsequent care of athletic fields. Admiral Kidd and Chittick Fields were renovated by Emanuel this past spring and have provided quality playing surfaces for leagues.

He worked with the landscape contractor to enhance power washing schedules, trash removal frequency, and irrigation tasks to improve park presentation and cleanliness. He is skilled in irrigation programming and repair, equipment operation, and tree work. He became trained in bee management to improve responses to swarms and hives, and earned a class B license enabling him to use large equipment.

Emanuel has established solid working relationships with Community Recreation staff and the Police, Public Works and Water Departments, which has contributed to the success of the GMD. His dedication and innovation makes him invaluable to the GMD and the Parks, Recreation and Marine family.

Maintenance Operations Bureau Update

The Maintenance Operations Bureau Facility Maintenance Division handles hundreds of work requests each month to keep park community centers, restrooms, athletic facilities and playgrounds safe and clean.

Recently staff repaired the Recreation Park Dog Park bulletin board. Now pet owners have a new cork surface to post and exchange information.

Before

After

Staff was undeterred when they learned that a play equipment manufacturer no longer made replacement slides for the playground structure at Heartwell Park. Instead of boarding up the slide opening, staff took the initiative to pour in place new footings to accommodate a different slide and maintain all the playground elements.

The Facility Maintenance team recently ordered and installed new ADA accessible swings at Los Altos Park.

They made a family with a special needs granddaughter very happy. Olivia can now enjoy the thrill of swinging at the playground for the first time. The swings were funded by Council District 4, who worked with PRM to recommend the selected swings.

Painter Dave Hackett renovated the playground equipment in El Dorado Park West near Studebaker and Stearns. Fresh paint improved the appearance of the play structure.
