HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Receive the supporting documentation into the record, conclude the public hearing, and grant an Entertainment Permit with conditions on the application of Shamrock Hospitality Group, LLC, dba Muldoon's Saloon, 5646 Paramount Boulevard, for entertainment without dancing. (District 8)

DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before an entertainment permit (Permit) is granted or denied.

The LBMC also requires the City Council to approve the issuance of the Permit if they find that: the issuance of the Permit at the proposed location is consistent with federal, state and local laws, rules, and regulations; it will not constitute an undue burden on the neighborhood; the applicant(s) or responsible persons have not been convicted of any misdemeanor involving moral turpitude or felony offense within the past five years; and, neither the applicant(s) or any responsible persons have a history of committing significant violations of the City code and have not provided false or misleading information on their application.

The City Council has the authority to approve the following options: 1) grant the Permit, with or without conditions; or 2) deny the Permit on the application. Once the Permit is granted, pursuant to LBMC 5.72.120.5, the Permit will be subject to an administrative review by the Financial Management Department every two years. This review process will consist of a multi-department analysis to determine compliance and identify if issues exist. This provision does not affect the City's ability to modify, revoke or suspend a permit at any time.

City departments have conducted their investigations in accordance with the LBMC. Attached are the departmental investigative reports, history, entertainment permit application, and floor plan.

HONORABLE MAYOR AND CITY COUNCIL

The following summarizes departmental findings:

- The Police Department recommends the permit for entertainment without dancing be approved subject to the tiered conditions.
- The Fire Department finds the building/location meets department requirements for the proposed use.

- The Development Services Department finds the building/location meets department requirements for the proposed use.

The Financial Management Department, Business Services Bureau, has reviewed all submitted department documents and correspondence and, after a thorough review, recommends that the permit for entertainment without dancing be approved subject to conditions (attached).

In the event that any of the recommended conditions are in conflict with other permits or licenses, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as a Bar, Tavern, Lounge since November 1984. The business changed ownership to Shamrock Hospitality Group, LLC, in July 2016.

Memorandum

Date: June 18, 2018
To: Sandy Palmer, Bureau Manager, Business Services Bureau
From: Robert G. Luna, Chief of Police *R. Luna*
Subject: **APPLICATION FOR AN ENTERTAINMENT WITHOUT DANCING PERMIT AT
MULDOON'S SALOON – 5646 NORTH PARAMOUNT BOULEVARD**

In response to your request for a recommendation regarding the above named permit application for Entertainment without Dancing, the Police Department recommends **approval** of an Entertainment without Dancing Permit, subject to the following conditions:

Muldoon's Saloon is located at 5646 Paramount Boulevard, and is owned and operated by John English and Patrick Conlen. In August 2016, Shamrock Hospitality Group, LLC was issued a Type 48 (On-Sale General Public Premises) Alcoholic Beverage Control (ABC) license. On May 17, 2017, Patrick Conlon applied for an Entertainment without Dancing Permit requesting live music by more than two performers, live and recorded amplified music, a disc jockey, and karaoke Wednesday through Saturday from 10:00 PM until 1:00 AM.

Based upon the crime analysis, Vice Section's investigation, and the North Division Patrol Commander's recommendation, the Long Beach Police Department has determined the public's peace, safety, and welfare would not be adversely impacted by the issuance of this permit, provided the appropriate conditions are imposed and observed by the applicant.

CONDITIONS OF OPERATION

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.
- 2) Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 5.72.115(B) LBMC shall be conducted on the permitted premises.
- 3) Entertainment activities indicated on page #9 of your entertainment application shall be restricted from 10:00 PM to 1:00 AM Wednesday through Saturday.
- 4) Entertainment on the following holidays is permitted until 1:00 AM on New Year's Eve, New Year's Day, St. Patrick's Day, Cinco de Mayo, July 4th, and Halloween night.

- 5) No owner, operator, or manager shall permit any person under the age of twenty-one (21) years within the premises, at any time, during the hours of operation.
- 6) The establishment shall remain in compliance with all applicable sections of the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- 7) Due to the proximity of neighboring businesses and residences, all door(s) and window(s) shall be kept closed at all times during any musical entertainment, except in cases of emergency, and to permit deliveries. Said door(s) shall not consist solely of a screen or ventilated security door. **Sound shall not be audible beyond fifty feet (50') from the exterior of the premises in any direction.**
- 8) The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of 10:00 p.m. and 7:00 a.m.
- 9) The permittee shall be responsible for maintaining free of litter the premises and the area adjacent to the licensed premises over which they have control.
- 10) Any graffiti painted or marked upon the premises, or on any adjacent area under the control of the licensee, shall be removed or painted over within 24 hours of being applied.
- 11) Interior lighting shall be sufficient to make easily discernible the appearance and conduct of all persons and patrons inside the business.
- 12) The permittee shall provide a minimum of one (1) licensed security guard during all times that the entertainment activities are being conducted for crowds up to fifty (50) people. For crowds over fifty (50) people, the permittee shall provide a minimum of one (1) additional security guard per fifty (50) people. Patrons awaiting entry in a defined queue shall be counted toward the calculation of required security staffing levels.

The attire of each security guard shall clearly indicate the guard's affiliation with the establishment by means of a pin, shirt, or other visible form of identification. Should the permittee's operations give rise to a substantial increase in complaint/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.

- 13) At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles and not loiter in the parking lot or the immediate area.
- 14) The permittee shall ensure a security guard monitor and check the property adjacent to, and the parking lots, on an hourly basis after 8:00 PM each night of the week while entertainment is provided. Security shall maintain order and prevent the unlawful consumption of alcohol and prevent any activity that would interfere with the quiet enjoyment of any nearby residential property.
- 15) The parking lot shall be equipped with lighting of sufficient power to illuminate and make easily discernible the appearance and conduct of all persons on or about the parking lot. The position of the lighting shall not disturb the normal privacy and use of any neighboring residences.
- 16) The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times while open for business. This should be done by utilizing security guards and signage with verbiage such as, "Please respect our neighbors", or something similar.
- 17) If any trash, noise, or disturbance complaints are located in the parking lot and/or surrounding area of the business can be attributed to the operation of said business, the Long Beach Police Department can determine and impose requirements for security officer(s) to routinely monitor and handle these problems.
- 18) Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time. This information shall be provided to public safety personnel upon request.
- 19) The permittee agrees to reimburse the City of Long Beach whenever excessive police services, as determined by the Chief of Police, are required as the result of any incident or nuisance arising out of, or in connection with the permittee's operations.
- 20) Alcoholic beverages shall not be consumed on any property adjacent to the premises.
- 21) Muldoon's Saloon, or its agents, shall not distribute any advertising matter such as signs, posters, or promotional cards, in or upon any public property, any vehicle or in any other such place in the City of Long Beach. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter. The permittee shall keep

all promoter contracts, including names, addresses, and phone numbers, on file at all times, and be available for inspection at any time.

- 22) The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances, and stated conditions. In the event of a conflict between the requirements of this permit, your conditional use permit, or your Alcoholic Beverage Control license, the more stringent regulation shall apply.
- 23) The permittee shall be responsible for installing and maintaining a video surveillance system that monitors no less than the front and rear of the business, with full view of the public right-of-ways, and any parking lot under the control of the permittee. These cameras shall record video for a minimum of 30 days and be accessible via the Internet by the Long Beach Police Department. A Public Internet Protocol (IP) address and user name/password is also required to allow the Long Beach Police Department to view live and recorded video from these cameras over the internet. All video security cameras shall be installed to the satisfaction of the Chief of Police, Director of Technology Services, and Director of Development Services. At the discretion of the Chief of Police, the permittee may be required to add additional video cameras
- 24) The permittee shall ensure that all employees attend an alcohol awareness class such as TIPS or LEAD, within the first ninety (90) days of employment. The permittee shall keep employee's proof of completion on file, and be available for inspection at any time.

II. ADDITIONAL CONDITIONS OF OPERATION

- 1) Tiered Conditions. "Tiered Conditions" as set forth below consist of progressively more stringent regulations on entertainment and related activities. By applying for this entertainment permit, the applicant has agreed to the conditions set forth below and has agreed to waive a hearing if these conditions are applied. The City Council may add further conditions not listed here, or revoke the permit, if Permittee does not comply with the conditions imposed in this permit. These conditions do not modify or limit in any way the authority of the Chief of Police to enforce Penal Code Section 415 (disturbing the peace) against any person, or of the Chief of Police or the Fire Marshal to immediately take action in the event of an imminent threat to public health or safety.
