

The background features a large, stylized 'Y' shape. The left arm of the 'Y' is blue with a fine, cross-hatched texture. The right arm is pink with a similar texture. At the top of the 'Y' is a pink inverted triangle, also with a cross-hatched texture. A small registered trademark symbol (®) is located to the upper right of the triangle. The word 'YMCA' is written in pink, slanted capital letters along the bottom right arm of the 'Y'.
