DENIM
DAY
LONG
BEACH

APRIL IS SEXUAL ASSAULT AWARENESS MONTH

Take a stand. Wear your jeans.

This is a symbol of protest against harmful attitudes about rape in response to an Italian Supreme Court decision to overturn a rape conviction because the victim wore jeans. The justices reasoned that the victim must have helped her attacker remove her tight jeans, which they felt implied consent. We do not believe consent can be implied.

No means No. There's NO excuse.
