Subject: Classified Position - Dismissal

Good Morning,

My name is Carmen Quezada, I worked for the City of Long Beach from June 2004 to January 2013. In January 2013, I was dismissed due to "abandonment of position" as a Housing Specialist II with the Housing Authority Bureau.

I would like to apply for a classified position within the Environmental Services Bureau. Due to my prior dismissal, I want to know if there are any steps I need to take to apply for a classified position or if this will impede me from applying.

Please advise.

Thank you,
Carmen Quezada
