THIS CONTRACT is made and entered, in duplicate, as of March 20, 2019 for reference purposes only, pursuant to a minute order adopted by the City Council of the City of Long Beach at its meeting held on March 12, 2019, by and between C J CONCRETE CONSTRUCTION, INC., a California corporation ("Contractor"), whose address is 10142 Shoemaker Avenue, Santa Fe Springs, California 90670, and the CITY OF LONG BEACH, a municipal corporation ("City").

WHEREAS, pursuant to a Notice Inviting Bids for Contract for Concrete Repairs and Related Improvements in the City of Long Beach, California, dated December 12, 2018, and published by City, bids were received, publicly opened and declared on the date specified in said Notice; and

WHEREAS, the City Manager accepted the bid of Contractor; and

WHEREAS, the City Council authorized the City Manager to enter a contract with Contractor for the work described in Project Plans and Specifications No. R-7137;

NOW, THEREFORE, in consideration of the mutual terms and conditions herein, the parties agree as follows:

1. SCOPE OF WORK. However, this Contract is intended to provide to City complete and finished work and, to that end, Contractor shall do everything necessary to complete the work, whether or not specifically described in the Contract Documents.

2. PRICE AND PAYMENT.

A. City shall pay to Contractor the amount(s) for materials and work identified in Contractor's Bid for Contract for Concrete Repairs and Related

1 Improvements in the City of Long Beach, California, attached hereto as Exhibit "A";  
2 provided, however, that the total compensation to Contractor shall not exceed an  
3 amount of Ten Million Dollars (\$10,000,000) during the term of this Contract.

4 B. Contractor shall submit requests for progress payments and  
5 City will make payments in due course of payments in accordance with Section 9 of  
6 the Standard Specifications for Public Works Construction (latest edition).

7 3. CONTRACT DOCUMENTS.

8 A. The Contract Documents include: The Notice Inviting Bids,  
9 Project Specifications No. R-7137 (which may include by reference the Standard  
10 Specifications for Public Works Construction, latest edition, and any supplements  
11 thereto, collectively the "Standard Specifications"); the City of Long Beach Standard  
12 Plans; the California Code of Regulations; the various Uniform Codes applicable to  
13 trades; the prevailing wage rates; Instructions to Bidders; the Bid; the bid security;  
14 the City of Long Beach Disadvantaged, Minority and Women-Owned Business  
15 Enterprise Program; this Contract and all documents attached hereto or referenced  
16 herein including but not limited to insurance; Bond for Faithful Performance;  
17 Payment Bond; Notice to Proceed; Notice of Completion; any addenda or change  
18 orders issued in accordance with the Standard Specifications; any permits required  
19 and issued for the work; approved final design drawings and documents; and the  
20 Information Sheet. These Contract Documents are incorporated herein by the  
21 above reference and form a part of this Contract.

22 B. Notwithstanding Section 2-5.2 of the Standard Specifications,

24 Documents, the following priority shall govern: 1) Permit(s) from other public  
25 agencies; 2) Change Orders; 3) this Contract (including any and all amendments  
26 hereto); 4) Addenda (which shall include written clarifications, corrections and

3 reference plans; 11) the Bid; and 12) the Notice Inviting Bids.

4 4. TIME FOR CONTRACT. The term of this Contract shall commence  
5 at midnight on April 1, 2019, and shall terminate at 11:59 p.m. on March 31, 2021, unless  
6 sooner terminated as provided in this Contract, or unless the services or the Project is  
7 completed sooner. The Parties have the option to extend the term for three (3) additional  
8 one-year periods, at the discretion of the City Manager. Time is of the essence hereunder.  
9 City will suffer damage if the work is not completed within the time stated, but those  
10 damages would be difficult or impractical to determine. So, Contractor shall pay to City,  
11 as liquidated damages, the amount stated in the Contract Documents.

12 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The  
13 acceptance of any work or the payment of any money by City shall not operate as a waiver  
14 of any provision of any Contract Document, of any power reserved to City, or of any right  
15 to damages or indemnity hereunder. The waiver of any breach or any default hereunder  
16 shall not be deemed a waiver of any other or subsequent breach or default.

17 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently  
18 herewith, Contractor shall submit certification of Workers' Compensation coverage in  
19 accordance with California Labor Code Sections 1860 and 3700, a copy of which is  
20 attached hereto as Exhibit "B".

21 7. CLAIMS FOR EXTRA WORK. No claim shall be made at any time  
22 upon City by Contractor for and on account of any extra or additional work performed or  
23 materials furnished, unless such extra or additional work or materials shall have been  
24 expressly required by the City Manager and the quantities and price thereof shall have  
25 been first agreed upon, in writing, by the parties hereto.

26 8. CLAIMS. Contractor shall, upon completion of the work, deliver  
27 possession thereof to City ready for use and free and discharged from all claims for labor  
28 and materials in doing the work and shall assume and be responsible for, and shall protect,

1 defend, indemnify and hold harmless City from and against any and all claims, demands,  
2 causes of action, liability, loss, costs or expenses for injuries to or death of persons, or  
3 damages to property, including property of City, which arises from or is connected with the  
4 performance of the work.

5 9. INSURANCE. Prior to commencement of work, and as a condition  
6 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence of  
7 all insurance required in the Contract Documents.

8 In addition, Contractor shall complete and deliver to City the form  
9 ("Information Sheet") attached as Exhibit "C" and incorporated by reference, to comply with  
10 Labor Code Section 2810.

11 10. WORK DAY. Contractor shall comply with Sections 1810 through  
12 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a  
13 penalty to City, the sum of Twenty-Five Dollars (\$25) for each worker employed by  
14 Contractor or any subcontractor for each calendar day such worker is required or permitted  
15 to work more than eight (8) hours unless that worker receives compensation in accordance  
16 with Section 1815.

17 11. PREVAILING WAGE RATES. Contractor is directed to the prevailing  
18 wage rates. Contractor shall forfeit, as a penalty to the City, Two Hundred Dollars (\$200)  
19 for each laborer, worker or mechanic employed for each calendar day, or portion thereof,  
20 that such laborer, worker or mechanic is paid less than the prevailing wage rates for any  
21 work done by Contractor, or any subcontractor, under this Contract.

22 12. COORDINATION WITH GOVERNMENTAL REGULATIONS.

23 A. If the work is terminated pursuant to an order of any Federal or  
24 State authority, Contractor shall accept as full and complete compensation under  
25 this Contract such amount of money as will equal the product of multiplying the  
26 Contract price stated herein by the percentage of work completed by Contractor as  
27 of the date of such termination, and for which Contractor has not been paid. If the  
28 work is so terminated, the City Engineer, after consultation with Contractor, shall

1 determine the percentage of work completed and the determination of the City  
2 Engineer shall be final.

3 B. If Contractor is prevented, in any manner, from strict  
4 compliance with the Plans and Specifications due to any Federal or State law, rule  
5 or regulation, in addition to all other rights and remedies reserved to the parties City  
6 may by resolution of the City Council suspend performance hereunder until the  
7 cause of disability is removed, extend the time for performance, make changes in  
8 the character of the work or materials, or terminate this Contract without liability to  
9 either party.

10 13. NOTICES.

11 A. Any notice required hereunder shall be in writing and personally  
12 delivered or deposited in the U.S. Postal Service, first class, postage prepaid, to  
13 Contractor at the address first stated herein, and to the City at 333 West Ocean  
14 Boulevard, Long Beach, California 90802, Attn: City Manager. Notice of change of  
15 address shall be given in the same manner as stated herein for other notices. Notice  
16 shall be deemed given on the date deposited in the mail or on the date personal  
17 delivery is made, whichever first occurs.

18 B. Except for stop notices and claims made under the Labor Code,  
19 City will notify Contractor when City receives any third party claims relating to this  
20 Contract in accordance with Section 9201 of the Public Contract Code.

21 14. BONDS. Contractor shall, simultaneously with the execution of this  
22 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the  
23 form attached hereto and in the amount specified therein, conditioned upon the faithful  
24 performance of this Contract by Contractor, and a good and sufficient corporate surety  
25 bond, in the form attached hereto and in the amount specified therein, conditioned upon  
26 the payment of all labor and material claims incurred in connection with this Contract.

27 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor any  
28 of the moneys that may become due Contractor hereunder may be assigned by Contractor

1 without the written consent of City first had and obtained, nor will City recognize any  
2 subcontractor as such, and all persons engaged in the work of construction will be  
3 considered as independent contractors or agents of Contractor and will be held directly  
4 responsible to Contractor.

5 16. CERTIFIED PAYROLL RECORDS.

6 A. Contractor shall keep and shall cause each subcontractor  
7 performing any portion of the work under this Contract to keep an accurate payroll  
8 record, showing the name, address, social security number, work classification,  
9 straight time and overtime hours worked each day and week, and the actual per  
10 diem wages paid to each journeyman, apprentice, worker, or other employee  
11 employed by Contractor or subcontractor in connection with the work, all in  
12 accordance with Division 2, Part 7, Article 2 of the California Labor Code. Such  
13 payroll records for Contractor and all subcontractors shall be certified and shall be  
14 available for inspection at all reasonable hours at the principal office of Contractor  
15 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure  
16 to furnish such records to City in the manner provided herein for notices shall entitle  
17 City to withhold the penalty prescribed by law from progress payments due to  
18 Contractor.

19 B. Upon completion of the work, Contractor shall submit to the City  
20 certified payroll records for Contractor and all subcontractors performing any portion  
21 of the work under this Contract. Certified payroll records for Contractor and all  
22 subcontractors shall be maintained during the course of the work and shall be kept  
23 by Contractor for up to three (3) years after completion of the work.

24 C. The foregoing is in addition to, and not in lieu of, any other  
25 requirements or obligations established and imposed by any department of the City  
26 with regard to submission and retention of certified payroll records for Contractor  
27 and subcontractors.

28 17. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to

1 the contrary in the Standard Specifications, Contractor shall have the responsibility, care  
2 and custody of the work. If any loss or damage occurs to the work that is not covered by  
3 collectible commercial insurance, excluding loss or damage caused by earthquake or flood  
4 or the negligence or willful misconduct of City, then Contractor shall immediately make the  
5 City whole for any such loss or pay for any damage. If Contractor fails or refuses to make  
6 the City whole or pay, then City may do so and the cost and expense of doing so shall be  
7 deducted from the amount due Contractor from City hereunder.

8 18. CONTINUATION. Termination or expiration of this Contract shall not  
9 terminate the rights or liabilities of either party which rights or liabilities accrued or existed  
10 prior to termination or expiration of this Contract.

11 19. TAXES AND TAX REPORTING.

12 A. As required by federal and state law, City is obligated to and  
13 will report the payment of compensation to Contractor on Form 1099-Misc.  
14 Contractor shall be solely responsible for payment of all federal and state taxes  
15 resulting from payments under this Contract. Contractor shall submit Contractor's  
16 Employer Identification Number (EIN), or Contractor's Social Security Number if  
17 Contractor does not have an EIN, in writing to City's Accounts Payable, Department  
18 of Financial Management. Contractor acknowledges and agrees that City has no  
19 obligation to pay Contractor until Contractor provides one of these numbers.

21 taxation and the collection of taxes, particularly with respect to the self-accrual of  
22 use tax. Contractor shall cooperate as follows: (i) for all leases and purchases of

2 subject to sales or use tax in the previous calendar year.

3 C. Contractor shall create and operate a buying company, as  
4 defined in CFTA Regulation 1699, subpart (i), in City if Contractor will purchase over  
5 \$5,000,000 in tangible personal property subject to California sales and use tax.

6 D. In completing the form and obtaining the permit(s), Contractor  
7 shall use the address of the Work site as its business address and may use any  
8 address for its mailing address. Copies of the form and permit(s) shall also be  
9 delivered to the City Engineer. The form must be submitted and the permit(s)  
10 obtained as soon as Contractor receives a Notice to Proceed. Contractor shall not  
11 order any materials or equipment over \$100,000 from vendors outside California  
12 until the form is submitted and the permit(s) obtained and, if Contractor does so, it  
13 shall be a material breach of this Contract. In addition, Contractor shall make all  
14 purchases from the Long Beach sales office of its vendors if those vendors have a  
15 Long Beach office and all purchases made by Contractor under this Contract which  
16 are subject to use tax of \$500,000 or more shall be allocated to the City of Long  
17 Beach. Contractor shall require the same cooperation with City, with regards to  
18 subsections B, C and D under this section (including forms and permits), from its

6 copy all books, records, accounts and other documents of Contractor relating to this  
7 Contract.

9 work to be performed hereunder does not constitute a peculiar risk of bodily harm and that  
10 no special precautions are required to perform said work.

11 23. THIRD PARTY BENEFICIARY. This Contract is intended by the  
12 parties to benefit themselves only and is not in any way intended or designed to or entered  
13 for the purpose of creating any benefit or right of any kind for any person or entity that is  
14 not a party to this Contract.

15 24. SUBCONTRACTORS. Contractor agrees to and shall bind every  
16 subcontractor to the terms of this Contract; provided, however, that nothing herein shall  
17 create any obligation on the part of City to pay any subcontractor except in accordance  
18 with a court order in an action to foreclose a stop notice. Failure of Contractor to comply  
19 with this Section shall be deemed a material breach of this Contract. A list of

24 and City shall not have any duty to inspect, correct, warn of or investigate any condition  
25 arising from Contractor's work hereunder, or to insure compliance with laws, rules or  
26 regulations relating to said work. If City does inspect or investigate, the results thereof  
27 shall not be deemed compliance with or a waiver of any requirements of the Contract  
28 Documents.

2 construed pursuant to the laws of the State of California (except those provisions of

11 status, handicap or disability. It is the policy of the City to encourage the participation of  
12 Disadvantaged, Minority and Women-Owned Business Enterprises, and the City  
13 encourages Contractor to use its best efforts to carry out this policy in the award of all  
14 subcontracts.

15           29.   EQUAL BENEFITS ORDINANCE. Unless otherwise exempted in  
16 accordance with the provisions of the Ordinance, this Contract is subject to the applicable  
17 provisions of the Equal Benefits Ordinance ("EBO"), section 2.73 et seq. of the Long Beach

28           B.    The failure of the Contractor to comply with the EBO will be

1 deemed to be a material breach of the Contract by the City.

2 C. If the Contractor fails to comply with the EBO, the City may  
3 cancel, terminate or suspend the Contract, in whole or in part, and monies due or to  
4 become due under the Contract may be retained by the City. The City may also  
5 pursue any and all other remedies at law or in equity for any breach.

6 D. Failure to comply with the EBO may be used as evidence  
7 against the Contractor in actions taken pursuant to the provisions of Long Beach  
8 Municipal Code 2.93 et seq., Contractor Responsibility.

9 E. If the City determines that the Contractor has set up or used its  
10 contracting entity for the purpose of evading the intent of the EBO, the City may

12 as evidence against the Contractor in actions taken pursuant to the provisions of

# APPENDIX “A”

**PAYMENT BOND**  
**(Labor and Material Bond)**

WHEREAS, The CITY OF LONG BEACH, a municipal corporation, hereinafter the "City" or "Obligee," have conditionally awarded to **C J. CONCRETE CONSTRUCTION, INC., a California corporation** designated as the "Contractor" or "Principal" herein, a contract for the work ("Work") described as follows: Contract for Concrete Repairs and Related Improvements, as described in Specification R-7137, Addenda and related drawings.

WHEREAS, the Principal is about to enter into a Contract with the Obligee for the performance of the Work, which Contract and all Contract Documents set forth therein are incorporated herein by this reference.

WHEREAS, by the terms of said Contract Documents, as well as Civil Code Sections 9550 and 9554, Principal is required to furnish a bond for the prompt, full and faithful payment to any Claimant, as hereinafter defined, for all labor, materials or services used or reasonably required for use in the performance of the Work of the Project;

NOW THEREFORE, we the undersigned Contractor, as Principal, and Merchants Bonding Company (Mutual) admitted as a surety insurer in the State of California ("Surety"), are held and firmly bound to the City for payment of the penal sum of **Five Hundred Thousand Dollars (\$500,000)** lawful money of the United States, for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally.

THE CONDITION OF THIS OBLIGATION IS SUCH that if said Principal, shall fail to pay any of the persons named in Civil Code Section 9100 ("Claimants"), for all labor, materials or services used or reasonably required for use in performance of the Work of the Project, or for any amounts due under the Unemployment Insurance Code with respect to work or labor performed by any such Claimant on the Project, or for any amounts required to be deducted, withheld, and paid over to the Employment Development Department from the wages of employees of the Contractor and subcontractors pursuant to Section 13020 of the Unemployment Insurance Code with respect to such work and labor, that the surety or sureties herein will pay for the same in an amount not exceeding the sum specified in this bond, otherwise the above obligation shall be void.

If suit is brought upon this bond, the said Surety will pay reasonable attorney's fees to be fixed by the court.

This bond shall inure to the benefit of any of the persons named in Civil Code Section 9100 so as to give a right of action to such persons or the assigns in any suit brought upon this bond.

The Surety and Principal, for value received, hereby stipulate and agree that no change, extension of time, modification, alteration or addition to the terms of the Contract or Contract Documents or to the Work to be performed thereunder shall in any way affect or release the Principal or Surety or their respective heirs, executors, administrators, successors and assigns from their obligations on this bond, and Surety does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Contract, or Contract Documents, or to the Work. No premature payment by the City to the Principal shall release or exonerate the Surety, unless the Officer or Board of the City ordering the payment shall have actual notice at the time the order is made that the payment is in fact premature, and then only to the extent that such payment shall result in actual loss to the Surety, but in no event more than the amount of such premature payment.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above-named, on the 26th day of March, 2019.

**PERFORMANCE BOND**  
**(Bond for Faithful Performance)**

WHEREAS, The CITY OF LONG BEACH, a municipal corporation of the State of California, hereinafter the "City" or "Obligee," have conditionally awarded to C J CONCRETE CONSTRUCTION, INC., a California corporation designated as the "Contractor" or "Principal" herein, a contract for the work ("Work") described as follows: Contract for Concrete Repairs and Related Improvements, as described in Specification No.: R-7137, Addenda and related drawings.

WHEREAS, the Principal is about to enter into a Contract with Obligee for performance of the Work, which Contract, and all Contract Documents set forth therein are incorporated herein by this reference.

WHEREAS, the Principal is required to furnish a bond guaranteeing the prompt, full and faithful performance of its obligations under the Contract Documents concurrently with delivery to Obligee of the executed Contract.

NOW, THEREFORE, we the undersigned Contractor, as Principal, and Merchants Bonding Company (Mutual), an admitted surety insurer in the State of California, as Surety, are held and firmly bound unto THE CITY OF LONG BEACH, a municipal corporation of the State of California (hereinafter the "City" or "Obligee") in the penal sum of Five Hundred Thousand Dollars (\$500,000) lawful money of the United States, for the payment of which sum, we bind ourselves, our heirs, executors, administrators and successors, jointly and severally.

**THE CONDITION OF THIS OBLIGATION IS SUCH THAT:**

If the Principal shall promptly, fully and faithfully perform each and all of the obligations and things to be done and performed by the Principal in strict accordance with the terms of the Contract Documents as said Contract Documents may be modified or amended from time to time; and if the Principal shall indemnify and save harmless the Obligee and all of its officers, agents and employees from any and all losses, liability and damages, claims, judgments, stop notices, costs, and fees of every description, whether imposed by law or equity, which may be incurred by the Obligee by reason of the failure or default on the part of the Principal in the performance of any or all of the terms or the obligations of the Contract Documents, as they may be amended and supplemented including, but not limited to, its liability for liquidated damages for delay, all warranties or guarantees required thereunder and indemnity obligations; then this obligation shall be void; otherwise, it shall be, and remain, in full force and effect.

Whenever the Principal shall be, and is declared by the Obligee to be in default under the Contract, which shall include without limitation, any breach or default of the Contract Documents, then, after written notice from the Obligee to the Surety, as provided for below, the Surety shall either remedy the default or breach by the Principal or shall promptly and faithfully take charge of the Work of and complete the Work in accordance with the requirements of the Contract Documents with a contractor other than the Principal at its own expense and make available as work progresses sufficient funds to pay the cost of completion less the balance of the Contract price including other costs and damages for which the surety may be liable hereunder; provided, however, that the procedure by which the Surety undertakes to discharge its obligations under this Bond shall be subject to the advance written approval of the Obligee.

Within fifteen (15) days of Obligee's written notice to the Surety of the failure of performance of the Contract by the Principal, it shall be the duty of the Surety to give to the Obligee an unequivocal notice in writing of the Surety's election to remedy the default(s) of the Principal promptly, or to arrange for performance of the Contract promptly by a Contractor other than the Principal, time being of essence to this Bond. In said Notice of Election, the Surety shall state the date of commencement of its cure or remedy of the Principal's default(s) or its performance of the Contract. The Surety's obligations for cure or remedy, include but are not limited to: correction of defective work and completion of the Contract, additional legal, design professional and delay costs arising from Surety's actions or failure to act; and liquidated damages, or if no liquidated damages are specified in the Contract, actual damages caused by delayed performance or non-performance by the Principal. The Surety shall give prompt written notice to the Obligee upon completion of the cure or remedy of the Principal's default(s) of its performance of the Construction Contract.

If the Surety does issue its Notice of Election and does not proceed to cure or remedy the Principal's default(s) of its performance of the Work with reasonable promptness, the Surety shall be deemed to be in default on this bond fifteen (15) days after receipt of a written notice from Obligee to the Surety demanding that the Surety perform its obligations under this Bond, and the Obligee shall be entitled to enforce any remedy available to Obligee.

The Surety and Principal, for value received, hereby stipulate and agree that no change, extension of time, modification, alteration or addition to the terms of the Contract or Contract Documents or to the Work to be performed thereunder shall in any way affect or release the Principal or Surety or their respective heirs, executors, administrators, successors and assigns from their obligations on this bond, and Surety does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Contract, or Contract Documents, or to the Work. No premature payment by the City to the Principal shall release or exonerate the Surety, unless the Officer or Board of the City ordering the payment shall have actual notice at the time the order is made that the payment is in fact premature, and then only to the extent that such payment shall result in actual loss to the Surety, but in no event more than the amount of such premature payment.

FURTHER, Principal and Surety agree that if Obligor is required to engage the services of attorneys in connection with enforcement of the bond, each shall pay Obligor's reasonable attorneys' fees incurred, with or without suit, in addition to the above penal sum.

The guarantees contained herein shall survive the final completion of the Work called for in the Contract Documents with respect to the obligations and liabilities of the Principal which survive such final completion.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above-named, on the 26th day of March, 2019.
