<p>12. (19-0533) Recommendation to adopt resolution approving the application for grant funds for the 2019 California Emergency Solutions and Housing Program;</p> <p>Authorize City Manager, or designee, to execute all necessary agreements, and any subsequent amendments that change the term, extend the grant period, or increase grant amounts, with the California Department of Housing and Community Development for the 2019 California Emergency Solutions and Housing Program, in the amount of \$692,858, for the approximate period of September 1, 2019 through December 31, 2025; execute all necessary documents and agreements with partner agencies and subrecipients; and</p> <p>Increase appropriations in Health Fund Group in the Health and Human Services Department by \$692,858, offset by grant revenue. (Citywide)</p>	Janet West	jayjay76511@verizon.net						I'm against granting this power to the City Manager and reducing the decision making responsibilities of the City Council. This should not be on the consent calendar portion of the agenda.	6/11/2019
<p>27. (19-0547) Recommendation to increase appropriations in the Capital Projects Fund Group in the Public Works Department by \$35,000, offset by the First Council District one-time District Priority Funds transferred from the Citywide Activities Department to support infrastructure improvements at 14th Street Park.</p>	Catalina Munoz	cfmunoz562@gmail.com						I have been a resident of the Washington neighborhood for the past 40 years. The funds for the 14th Street park are going to help the physical and mental health of the kids and adults of the neighborhood. In this park I can see a future where families of the neighborhood can actually gather and enjoy the park. As a property manager in the neighborhood I know that families need a recreational space. The funds would also increase safety in the park and surrounding areas.	6/11/2019

(19-0547) Recommendation to increase appropriations in the Capital Projects Fund Group in the Public Works Department by \$35,000, offset by the First Council District one-time District Priority Funds transferred from the Citywide Activities Department to support infrastructure improvements at 14th Street Park.</p>	Judith Carrillo	jthcarrillo@yahoo.com						I am a parent volunteer in the Safe Passage program at Washington Middle school. The permanent street closures will increase the safety of the students and residents and limit the number of streets they need to cross. In the future I would also like to see more tables in the park to make this a common and constant community space for all to enjoy. The improvements will also change the perception and sentiment of others about the Washington neighborhood.	6/11/2019

Aside from the infrastructure improvements, I would like to see the park activated. This would help draw the kids in during the summer and after school. Lighting is a very important aspect of the improvement. Lighting would help with safety issues. I look forward to seeing activities to support the kids of the community.	6/10/2019
