

Ten Years of 100 Days of Summer = 1000 Days of Fun

From Memorial Day to Labor Day, Long Beach Parks, Recreation and Marine, in partnership with the Long Beach Convention and Visitor's Bureau, offers free or low-cost cultural programs, sports activities and special events throughout the city. The program, called 100 Days of Summer, launched in 2009. By this Labor Day, the City will have provided 1000 days of fun.

The band Under Cover kicked off the 100 Days of Summer celebration with a free concert at Marine Stadium on Friday, May 24. Under Cover played high-energy dance music featuring pop, rock, soul, funk, Latin, R&B, Top 40 and favorites from the '50s to present day. The event also featured a Kids Zone and food trucks.

From aquatics to festivals to free recreation programs for all ages and family friendly free movies and concerts in the park, all residents can stay and play in Long Beach this summer.

For information on this year's 100 Days of Summer programs, residents can visit www.100daysofsummer. org or call 562.570.3100.

Uptown Dog Park Renamed in Honor of Gayle Carter

On June 1, the Uptown Dog Park at Scherer Park was renamed in honor of Gayle Carter. Gayle Carter was a long-time supporter of the Uptown Dog Park since its opening in 2009 at Scherer Park, and was an advocate for animals and their human companions.

Gayle passed away in September 2017 and leaves a legacy of volunteerism, fundraising and setting an example of concern and compassion for animals and people that is best stated by the Long Beach Post's obituary headline for her, "Always Everyone Before Herself." She established the Friends of Uptown Dog Park and helped to open dog parks at Jackson and Coolidge Parks. She arranged for dog obedience and agility classes, and spay and neuter clinics to be held at the park. Her enthusiasm also led to fun community events such as wiener dog races, potlucks, canine fashion shows and photos with Santa. She was known for helping to raise money to help people experiencing homelessness take care of their dogs.

"The city is fortunate to have nine off leash dog recreation areas for people and their pets to play," said Mayor Robert Garcia. The contributions of people like Gayle Carter who share their love of pets and their positive energy, make these places safe, fun and welcoming places for the community."

"Her positive impact on the Uptown Dog Park and her work to educate and involve the community in issues related to responsible pet ownership make renaming this dog park in her honor, a natural way to honor her legacy," said Councilman Al Austin.

Long Beach Park System Rises to Number 18 in Country

Long Beach Parks, Recreation and Marine (PRM) has risen to number 18 among the 100 largest U.S. cities in the Trust for Public Land's (TPL) 2019 Parkscore® Index survey. Last year, the City was ranked 21st.

The TPL ranking was based on four characteristics of an effective park system: access, investment, acreage, and amenities. PRM was commended for its walkable park access, as 81% of residents live within a 10-minute walk to a park. Also noted was the City's investment in parks and recreation at \$171 per resident, compared to the national median of \$80 per resident. PRM also stood out for the number of community centers, senior centers and off-leash dog recreation areas serving residents throughout the City.

As the City continues to improve its parks experience for residents and visitors, PRM is developing a Strategic Plan that will engage the community in identifying goals and priorities for PRM for the next ten years. Visit www.longbeach.gov/park/business-operations/about/ prm-strategic-plan for more information about the plan.

El Dorado Nature Center Celebrates 50th Anniversary

Since 1969 at El Dorado Nature Center, thousands of school children have discovered the natural world on school field trips and at educational programs, residents have gotten up close and personal with turtles, reptiles,

birds and butterflies; people have been inspired to become stewards of the environment at volunteer programs, and countless numbers have walked the trails to escape from urban stress and enjoy the peace and beauty of 105 acres with meadows, forests and lakes.

This island of serenity in the midst of Long Beach is turning 50 this year and celebrating with "50 ways to find your center." The first of the 50 ways was a free concert on June 13, followed by a Family Nightlife Walk on June 18. On June 21 a Summer Solstice Celebra-

tion honored the land and people who have made El Dorado Nature Center special. The event was emceed by Laura Bosworth from the Long Beach Storytellers and featured performances by folk singer Shayna Adler and dancer Sirena Serpentina.

City Hall Goes to the Cats for Fourth Kitty Hall Event

Long Beach City Hall once again became "Kitty Hall" on May 21 to encourage cat adoptions and promote awareness of Long Beach Animal Care Services (ACS).

"Kitty Hall connects animal lovers with cats and kittens that need forever homes," said Mayor Robert Garcia. "We're hoping to spread the

message at Kitty Hall for people to adopt pets, and to spay and neuter their animals."

A total of 33 kittens were adopted at the event. While the public played and cuddled with kittens and cats available for adoption, ACS staff and volunteers answered questions about cat ownership and fostering kittens including demonstrations on the care and feeding of newborns, and accepted adoption applications.

The Mobile Adoption Wagg'in was on site and spay and neuter vouchers were available, along with a discounted adoption rate of \$20 and other special promotions.

Kitty Hall is one of ACS's efforts to reduce cat euthanasia. With \$50,000 in City funding and support from the cat rescue organizations Little Lion Foundation and Helen Sanders CatPAWS, the Long Beach Little Paws Project was started and has saved 500 at risk kittens. ACS also seeks rescue and other placement for sick, injured or un-weaned kittens. Healthy, weaned kittens are kept at the shelter for adoption placement at ACS or through spcaLA or are given to rescue organizations at their request.

Due to these efforts, nearly 1,100 kittens that entered the shelter in 2018 were rescued or adopted.

Parks, Recreation & Marine Starts Outreach for New Strategic Plan

Long Beach Parks, Recreation and Marine (PRM) is engaging the community in identifying goals and priorities for PRM for the next ten years to update their 15-year old Strategic Plan. The Plan will be an important blueprint to continue PRM's work of expanding open space and bringing recreational opportunities to every neighborhood in Long Beach.

Over the coming months, PRM will invite community members to share their ideas at community conversations and engagement events across the city, through surveys, public workshops and activities at park summer events. The City also has created a PRM Strategic Plan Page at a https://bit.ly/2TD7WY1 with a list of outreach events and a community survey.

The Fiscal Year 2019 budget included \$70,000 to update PRM's Strategic Plan, which was last addressed in 2003. The new PRM Strategic Plan, dubbed "Parks Make Long Beach," will cover a 10-year period, from 2020 to 2030, and is intended to incorporate the City's existing plans with new goals as well as serving as a guide for PRM's operational, staffing and budgeting decisions.
