WHEREAS, because Long Beach Measure "A" was enacted prior to County
 Measure "H", Measure "A's" existing 1% tax rate from January 1, 2017 through
 December 31, 2022 is unaffected by Measure "H", however from January 1, 2023 until
 Measure "H's" sunset date on October 1, 2027, Long Beach is legally limited to enacting
 a maximum three-quarters percent (¾%) TUT due to operation of the 2% statutory "cap"
 under California Revenue and Taxation Code section 7251.1; and

7 WHEREAS, pursuant to City Charter and California Elections Code §9222,
8 the City Council has authority to place local measures on the ballot to be considered at a
9 Municipal Election; and

WHEREAS, based upon the above, the City Council would like to submit to the voters a measure extending the term of the Long Beach TUT beyond ten (10) years until it is ended by voters and setting the TUT at the following rates: (i) from January 1, 2017 through December 31, 2022 – at 1% on the sale and/or use of all tangible personal property sold at retail in the City, (ii) from January 1, 2023 through September 30, 2027, at a rate of three-quarters percent (¾%), and after October 1, 2017, again at a rate of one percent (1%); and

WHEREAS, the City Council intends to adopt an Ordinance amending
Chapter 3.62 of the City's Municipal Code, thereby amending the TUT as described
above, subject to voter approval; and

WHEREAS, the TUT is a general tax, the revenue of which will be placed in
 the City's general fund and will be used to pay for important general City services; and
 WHEREAS, on November 6, 1996, the voters of the State of California
 approved Proposition 218, an amendment to the State Constitution which requires that all
 general taxes which are imposed, extended or increased must be submitted to the
 electorate and approved by a majority vote of the qualified electors voting in the election;
 and

WHEREAS, pursuant to Proposition 218 (California Constitution Article
XIIIC, §2(b)), an election for the approval of a new or increased general tax must

generally be consolidated with a regularly scheduled general election for members of the 1 2 governing body of the local government; and

3 WHEREAS, Proposition 218 permits the City Council to call a special 4 election for the voters to consider imposing, increasing or extending a general tax if the 5 City Council finds, by a unanimous vote, that there exists an emergency requiring a 6 special election to be conducted earlier than the next regularly scheduled general 7 election at which City Council members are to be elected; and

8 WHEREAS, the next regularly scheduled general election at which City 9 Council members are to be elected is not until November 3, 2020; and

10 WHEREAS, for the following reasons, the health, safety and general welfare of the citizens of the City would be endangered if the City were unable to place 12 this Measure before its voters prior to November 3, 2020; and

WHEREAS, as more specifically set forth in the City Manager's Report submitted to the Mayor and City Council on July 2, 2019, the revenue from Measure "A" 15 has funded 41 new public safety positions and has maintained 108 public safety positions 16 that would otherwise have been reduced as part of the budgeting process; and

17 WHEREAS, the revenue from Measure "A" has also funded the renovation 18 of 102 land miles of arterial streets and has also funded significant residential street 19 repair and slurry sealing; and

20 WHEREAS, the revenue from Measure "A" has also funded significant park 21 improvements as well as upgrades to public facilities, such as local health centers and 22 public libraries, to extend their useful life, increase energy efficiency and improve ADA 23 access; and

24 WHEREAS, due to seismic safety issues, Community Hospital of Long 25 Beach ceased operating on July 3, 2018, leaving the community without an important 26 medical facility to serve Long Beach and other area residents. To perform the required 27 seismic improvements in order to reopen the Hospital, it is estimated that the City's cost 28 share would be \$25,000,000 over the next 15 years. This cost share is currently

unfunded; and

WHEREAS, it is estimated that the City has a backlog of infrastructure 3 improvements totaling \$2,3 billion, including pavement, alley, sidewalk and facilities 4 investments. While Measure "A" has funded \$88,000,000 in improvements to date to 5 address this backlog, the City will require a longer-term funding source to fulfill these 6 requirements; and

7 WHEREAS, it is estimated that the City has a backlog of infrastructure 8 improvements totaling \$2,3 billion, including pavement, alley, sidewalk and facilities 9 investments. While Measure "A" has funded \$88,000,000 in improvements to date to 10 address this backlog, the City will require a longer-term funding source to fulfill these 11 requirements; and

12 WHEREAS, because operating costs continue to outpace City revenues. 13 even with Measure "A" funding at its current levels, the City projects operating budget 14 shortfalls starting in Fiscal Year 2020-2021; and

15 WHEREAS, the reduction or loss of Measure "A" funding will result in more 16 serious operating budget shortfalls, requiring reductions in public safety personnel, as 17 well as street, facilities and infrastructure improvements; and

18 WHEREAS, the potential reduction or loss of Measure "A" funding can be 19 addressed by proposing a new measure to Long Beach voters extending and adjusting 20 the rate of the transactions and use tax currently authorized by Measure "A"; and

21 WHEREAS, the City of Long Beach approves its annual budgets in 22 September of each year; and

WHEREAS, in order to properly develop and decide on a budget for Fiscal 23 24 Year 2020-2021, the City must know in advance whether or not Long Beach voters 25 support an extension and rate adjustment to Measure "A". A March, 2020 special 26 election will provide sufficient time for the City to incorporate the voters' decision into its 27 budgeting calculations; and

WHEREAS, if the City were to wait until the November, 2020 General

Municipal Election to place this question before Long Beach voters, the City would have
 to develop and approve a Fiscal year 2020-2021 budget without knowing the voters'
 wishes in this regard, compromising the City's ability to budget with full knowledge of all
 of its available revenue sources going forward; and

5 WHEREAS, the circumstances described above create an emergency
6 situation warranting the placement of the Measure on a special election ballot to permit
7 the voters to decide on the Measure pursuant to Proposition 218; and

8 WHEREAS, the ordinance to be considered by the qualified voters and the 9 terms of approval, and collection and use of the general TUT are described and provided 10 for in the ballot measure attached hereto as Exhibit "A" (the "Measure") and by this 11 reference made an operative part hereof, in accordance with all applicable laws;

NOW, THEREFORE, the City Council of the City of Long Beach resolves as follows:

Section 1. Incorporation of Recitals. The foregoing recitals are true and correct and are hereby incorporated and made an operative part of this Resolution.

16 Section 2. Declaration of Emergency/Calling of Election. Pursuant to 17 California Constitution, Article XIIIC, Section 2(b), the City Council, by a unanimous vote, 18 hereby declares the existence of an emergency in that there are imminent financial risks 19 and dangers, as described above, to the public welfare and the City's financial ability to 20 provide municipal services at current levels and without disruption, so that a special 21 election is necessary to address such risks and dangers. As such, the City Council, by a 22 unanimous vote, hereby calls and orders to be held in the City of Long Beach on 23 Tuesday, March 3, 2020, a Special Municipal Election for the purpose of submitting the 24 Measure attached hereto as Exhibit "A" and incorporated herein by this reference to the 25 qualified electors of the City.

The tax imposed by this article shall continue until this ordinance is repealed.

13 || 3.62.130 – Citizens' Advisory Committee.

There is hereby established a five-member citizens' advisory committee,

19 3.62.140 – Effect of Los Angeles County Measure "H" and of Future County Transactions
20 and Use Tax Measures on this Ordinance.

When contracting with the California Department of Tax and Fee
Administration pursuant to section 3.62.020 to administer the tax imposed by this
ordinance, it shall be the City's intent, and any agreement shall ensure, that the
combined rate limit specified in Revenue and Taxation Code section 7251.1 is not
exceeded in the City of Long Beach. As such, the following terms shall apply:

A. Because Long Beach voters approved Measure "A" prior to Los
Angeles County Measure "H", it is the intent of this ordinance to give full effect to the one
cent (1%) tax already enacted under Measure "A" until January 1, 2023, when the one

Attachment "1" to Exhibit "A" Page 9

cent (1%) tax would reduce in rate under Measure "A's" terms. Measure "H" shall not 1 2 have any effect on the City's ability to levy and collect the 1% rate until January 1, 2023 3 and Los Angeles County shall not levy nor collect any Measure "H" taxes within the 4 territory of Long Beach until January 1, 2023.

Β. From January 1, 2023 until October 1, 2027, the City of Long Beach 6 shall levy and collect a three-quarter cent ($\frac{3}{6}$) Transactions and Use Tax and Los Angeles County may levy and collect the quarter-cent (1/4%) Measure "H" tax within the 8 territory of Long Beach until Measure "H" sunsets on October 1, 2027.

9 C. When Measure "H" sunsets on October 1, 2027, the City of Long 10 Beach shall again be authorized to levy and collect the Transactions and Use Tax at the 11 rate of one cent (1%).

D. In the event that Los Angeles County voters approve a future 12 13 measure after the effective date of this ordinance that either extends Measure "H" or 14 otherwise enacts a new Transactions and Use Tax that, when aggregated with Long 15 Beach's transactions and use taxes under this ordinance, causes the combined rate limit 16 set forth in Revenue and Taxation Code section 7152.1 to be exceeded, such future 17 County measure shall not have any effect on the City's ability to levy and collect 18 Transactions and Use taxes at the rates set forth herein. Unless State law is amended to 19 increase the combined rate limit under Revenue and Taxation Code section 7251.1 or 20 this ordinance is later repealed or amended to reduce its tax rates, Los Angeles County 21 shall not levy nor collect any Transactions and Use Taxes within the territory of Long 22 Beach which were approved by Los Angeles County voters after the effective date of this 23 ordinance. 24
